The Ninety-Fourth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa corporation, was held in the City of Chicago, Illinois, on the dates of July 9, 10, 11 and 12, 1968, in the Grand Ballroom of the Palmer House.

The call for the Annual Session of 1968, dated June 1, 1968, being General Order Number 4, Series 1967-1968, and signed by Thomas F. Seay, Imperial Potentate, and George M. Saunders, Imperial Recorder, announcing the holding of the Ninety-Fourth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America in the Palmer House at Chicago, Illinois on July 9, 10, 11 and 12, 1968 was duly mailed to each member of the Imperial Council.

The public opening ceremonies of the Ninety-Fourth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America were held in the Grand Ballroom of the Palmer House, Chicago, Illinois, on July 8, 1968, at three-fifteen p.m.

PUBLIC OPENING CEREMONY
MONDAY, JULY 8, 1968
THREE-FIFTEEN O'CLOCK P.M.

DIRECTOR GENERAL YNGVAR BRYNILDSSSEN: Ladies and gentlemen, will you please clear the aisle and take your seats. The meeting will please come to order.

(The Medinah Patrols then entered carrying the various state flags.)

DIRECTOR GENERAL YNGVAR BRYNILDSSSEN: Will you please hold the colors and escort the Honorable Richard J. Daley, Mayor of Chicago, to the platform at this time.

(Whereupon, the Honorable Richard J. Daley, Mayor of Chicago, was escorted to the podium.)

DIRECTOR GENERAL YNGVAR BRYNILDSSSEN: May we again clear the aisles for the Color Guard.

(Whereupon, the advancement and presentation of the colors ensued, following which the Pledge of Allegiance to the Flag ensued, after which the Medinah Band played the Star Spangled Banner, the Canadian National Anthem and the Mexican National Anthem and the colors were then appropriately posted.)

DIRECTOR GENERAL YNGVAR BRYNILDSSSEN: Will you please give your attention to the Imperial Chaplain, the Reverend Timothy B. Reeves, who will give the Invocation.

THE REVEREND TIMOTHY B. REEVES (Imperial Chaplain): Eternal and Almighty God our Father, Father of all mankind, we invoke Thy divine blessing on this Ninety-Fourth Imperial Council Session of the Shrine of North America.

Endow our Imperial Potentate, Tom Seay, with strength, courage and ability in the guidance of our deliberations. May each elected representative from the Temples of all North America sense the urgency for vision, for unity, for action on behalf of crippled children and those whose bodies have been the victims of destructive burns.

Help us to be truly grateful for the inspiring leadership which has challenged Shrinedom through the years. Let each Master Mason know a conscious concern of the personal responsibility in this perplexing period of mankind. Guide the elected leadership of our Nation in the use of prudent judgment and courageous actions as good stewards of the sacred trusts of freedom and may this City of Chicago be a better place for people to live because of the influence of Masonry and Shrinedom this week.

In Thy holy name we pray and work. Amen.

(Whereupon, the Medinah Chanters sang "The Lord's Prayer.")

DIRECTOR GENERAL YNGVAR BRYNILDSSSEN: Please be seated. Let me say that there are several seats up in the front for those who cannot find them in the rear. Will you please come up at this time.

I first want to thank the members of Medinah Chanters, Arab Patrol and Color Guard for their participation in the opening ceremonies of the Ninety-Fourth Imperial Council Session. We trust that you will remain for the balance of the ceremony. However, should you wish to retire, you may do so at this time.

As Director General of the Ninety-Fourth Imperial Council Session, I would like to take this opportunity to extend to each and every one of you a most hearty welcome to our wonderful City of Chicago. We hope that you will enjoy your stay and visit here and if there is anything we can do to help you, please call on us. Chicago is yours.

May I present at this time your host, William L. Backus, Potentate of Medinah Temple.

NOBLE WILLIAM L. BACKUS (Potentate, Medinah Temple): Imperial Potentate Seay, Mayor Daley, Imperial Sirs, distinguished guests, Nobles, ladies and friends: What a beautiful sight this is and how good and pleasant it is for Brethren and friends to be able to meet together in unity, freedom and concord. We are grateful for our liberties.

As a representative of Medinah Temple, it is my privilege and honor to welcome you all to Chicago, the Oasis of Medinah in Chicago, and to visit with us. We are very happy to have you in Chicago, the heart of mid-America, that great part of a great Nation in a great hemisphere. We are friends of yours. We are happy to have you with us.

We trust your stay will be just as enjoyable and pleasant as you wish it to be.

Thank you very much. (Applause)

DIRECTOR GENERAL YNGVAR BRYNILDSSSEN: Thank you, Bill.

At this time I would like to present Albin Anderson, Past Potentate of Medinah Temple, who will present our first group of guests.

NOBLE ALBIN ANDERSON: It is my distinct pleasure to present a man who is a good friend of the Shrine, having chosen our Black Horse Troop as the official escort for our fair City. He is an outstanding administrator under the most adverse and trying conditions.

I am therefore very happy and proud to present to you the Honorable Richard J. Daley, our beloved Mayor of the City of Chicago.

(Rising applause)

THE HONORABLE RICHARD J. DALEY (Mayor of Chicago): Thank you very much, Mr. Anderson.

Imperial Potentate, Thomas F. Seay, Nobles and their wives and my friends: As Mayor of Chicago and on behalf of our people, I am happy to welcome to Chicago this Ninety-Fourth Annual Convention of the A.A.O.N.M.S.

Our City is the national headquarters for many great organizations and they are a great source of pride to us and certainly the Shriners international home office is one of the most outstanding.

Of course, we are very proud as Chicagoans of your friend and an old friend of mine, a great Chicagoan, Thomas F. Seay, your Imperial Potentate.

The magnificent Parade that you will present to the people of Chicago is a form of entertainment that cannot be matched elsewhere. It is something we always remember and something that we always look forward to.

Since 1872, membership of the Shrine has steadily grown and the contributions of the Nobles to their communities and to their fellow men and women have continuously increased and expanded. However, as spectacular as your great march is, it is more than matched by your performance in renewing the lives of thousands of young people. Your wonderful Hospitals, which have changed the fortunes of thousands of children and brought so much happiness to them and to their families, are outstanding examples of America's concern for the welfare of others. Certainly there is no better example of the genuine good will and the wonderful service you give your nineteen non-sectarian Hospitals for crippled children and three burns treatment centers than this.

The members of your organization in Chicago have always been ready and eager to participate in every civic and charitable cause for all of our people. Truly this City is an ideal location for your international headquarters and an ideal place for your Annual Session.

Chicago is the grass roots capitol of America. This dynamic metropolis provides an ever-fertile ground for Nobles of the Shrine to live and plan for their own community activity.

Chicago is a City of churches and temples of every faith and there are more religious seminaries in the Chicago area than anywhere else in the world. The pioneers who settled Chicago and the Midwest brought with them a religious faith which was their greatest strength. Although the tempo, economic and social life of our times have changed greatly since then, the spirit, the beliefs which guided these men and women is still the dominating theme of our great City.

This is the spirit of the Nobles of the Mystic Shrine — the spirit of service — and it is your kind of contribution that has done so much to make our City great.

Your presence here means so much to the City of Chicago because, in many ways, you symbolize your neighbors. So many of you have brought families with you and this, of course, is the type of thing we particularly salute. I don't think there is any convention that can come to Chicago with a finer family spirit and finer family enthusiasm than the great Shrine convention and I say this most sincerely because in walking down the street you see the Shriners with their wives and families and, to me, this is one of the greatest tributes to your fine Order, this family spirit, because all of us know that in these trying times in America and in the great City of Chicago that it will be the capturing of the family spirit that you have in your fine organization that will be the answer to many of the questions that we are faced with. This is something that I have said from time to time — that we should renew our family life and have the same kind of family life that is exhibited in the Shriners' homes and in Shriners' conventions. Therefore, I say that you do have the answer to many of the questions of our day.

Further, these problems will never be answered with violence in the street and they will never be answered, insofar as we are concerned, unless there is law and order in our country and so this is what we are striving for. (Applause)

My heartiest and warmest congratulations on this fine convention and, as I said, this is your home. We want you to feel at home because we hope to make Chicago, with the help of the Shrine, a great family city.

I know that you will find all of our people very hospitable and friendly and to all of you I would also hope I could offer a better baseball team than the White Sox. (Laughter) It is my hope that they may capture some of the enthusiasm that we will see in the parades and that we will then move ahead in the competition.

Therefore, to all of you fine men and wives, we are happy to have you in Chicago. We are proud of you. May you continue to expand and grow because we need more organizations like yours in America and in Chicago.

Thank you very much.

(Rising applause)

DIRECTOR GENERAL YNGVAR BRYNILDSEN: Thank you, Mayor Daley, for that most inspiring talk. Thank you again.

(At this point, the Honorable Richard J. Daley was escorted from the Ballroom.)

DIRECTOR GENERAL YNGVAR BRYNILDSEN: I believe that Albin has some further introductions to make.

NOBLE ALBIN ANDERSON: Real quickly I would like to further introduce a very fine man of our community, an individual who serves in the area of the county level, the Honorable Richard B. Ogilvie, President of the County Board of Commissioners. I would like to have him take a bow.

Well, I understand he has not yet arrived. After all, you cannot win them all.

May I also present one of our outstanding County Judges, the Honorable Herbert R. Freedland, Judge of the Circuit Court. (Applause)

That concludes my introductions.

DIRECTOR GENERAL YNGVAR BRYNILDSEN: Thank you, Albin.

At this time may I present to you William M. Weisenborn, Past Potentate of Medinah Temple, who will present representatives of the Masonic Fraternity who have honored us this afternoon.

DIRECTOR GENERAL YNGVAR BRYNILDSEN: Thank you, George.

Before I present the next gentleman to you, I want to take this opportunity to thank each and every one of you for your attendance here at this opening session and for making it such a grand affair. After I introduce the next gentleman, as the Nobility knows, you do not speak after the Imperial Potentate and so that will end my function except to adjourn the meeting.

At this time it is my profound pleasure to introduce to you our Imperial Sir, Thomas F. Seay, Imperial Potentate, which is really for me the frosting on the cake.

(Rising applause ensued as Imperial Potentate Thomas F. Seay approached the podium.)

IMPERIAL POTENTATE SEAY: Illustrious Sirs, the Most Worshipful Grand Masters of the States that are represented here today, Imperial Sirs and distinguished guests all: It is indeed a pleasure to have the opportunity to greet you in Chicago.

You have been extended cordial greetings by our Honorable Mayor, by our Illustrious Potentate and by our Director General. However, I would like to extend to you, in behalf of the 857,000 Shriners in North America, a welcome to your City.

I am grateful to all of you Nobles, all of you Representatives who are here today, for the support you have given me this year. You are now about to witness, I think, one of the greatest conventions, one of the largest may I say, that we have ever had in Shrinedom. You are in a great State. To my way of thinking, you are in one of the greatest Cities in the world. You are in a City of citizens who have a warm heart and a welcome to every American.

This City contains all types and all kinds of people. There are many times, I believe, when the City of Chicago is unduly criticized. We do have our problems but then we also have in the City of Chicago, as well as in the outlying areas, some 10 million people. Therefore, there are bound to be a few crimes and a few people breaking our laws. However, I want to say to you that I am very happy to welcome you as Shriners to the City of Chicago.

I hope your stay in our City will be a joyous one, that you will enjoy the beauty of our great City and that you will also enjoy the hospitality of our Nobles of Medinah Temple. Medinah Temple, as you may know, is the third largest Temple in North America.

If you have any problems, please do not hesitate to go up to a Noble wearing a Medinah Fez and call on him for help because he has a warm heart and will always help a brother Noble.

We here in Chicago are praying for a beautiful day tomorrow for our Parade and if we don't have it, there is only one individual I am going to blame and that is our Imperial Chaplain. (Laughter) I am sure that he will pray for us and do all in his behalf to keep the weather beautiful for tomorrow.

With these brief remarks, I now declare the Ninety-Fourth Imperial Council Session opened and God bless you all and I hope you have a wonderful time. Thank you very much. (Rising applause)

DIRECTOR GENERAL YNGVAR BRYNILDSEN: The meeting is now adjourned. Thank you, each and every one of you, for coming.

(The Public Opening Ceremonies terminated at 4:00 o'clock p.m.)

AFTERNOON SESSION

TUESDAY, JULY 9, 1968

THREE O'CLOCK P.M.

The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., convened in the Grand Ballroom, Palmer House, Chicago, Illinois at 3:00 o'clock p.m., Imperial Potentate Thomas F. Seay presiding.

IMPERIAL POTENTATE SEAY: Nobles, I would ask that you please take your seats.

Let me say that tomorrow morning in your agenda, you will note it says "ten o'clock a.m." and that the meeting will reconvene at "Medinah Temple." That is wrong. It should be "nine o'clock a.m. at Medinah Temple." At that time you will elect a new Imperial Potentate and after he is elected, he will have his pageant. Therefore, please don't forget the time. It will commence at nine o'clock instead of ten o'clock. Therefore, I urge that all of you be there if it is humanly possible.

At this time I would like to call upon our Imperial Chaplain, Reverend Reeves, to open this session with a prayer.

REVEREND TIMOTHY B. REEVES (Imperial Chaplain): We stand in Thy presence, O Holy God, grateful that you are our Father and we are your children. As we step through the open door into the first business session of this Ninety-Fourth Imperial Council Session, we know we need your presence, we need your guidance.

We have been chosen as representatives and leaders and we know that in the next few hours the choice of policies and plans and leadership will affect not only Shrinedom but the lives of many people as these choices are made.

Help us to have a unity of concern. We would ask Thee to be very close to our Imperial Potentate. Make him have that presence of mind that undergirds leadership and place within each of us a responsibility and a responsive heart, in Thy name we pray. Amen.

IMPERIAL POTENTATE SEAY: I would like to call on Illustrious Sir Bill Backus for a brief comment.

NOBLE WILLIAM L. BACKUS: Thank you, Imperial Potentate.

Nobles, I would just like to inform you that you have been entertained for the past half-hour by the new segment of Medinah's Brass Band. This group has been playing together for only six weeks as one of the old-time big dance bands. We thought that for your entertainment and before this session was opened, we would entertain you and give you some of the old-time big dance band music. We were happy to do that for you to help start your session. (Applause)

IMPERIAL POTENTATE SEAY: Now, I would like to ask our Imperial Outer Guard if this session has been properly tiled?

NOBLE PETER VAL PREDA: Yes it has, Imperial Sir.

IMPERIAL POTENTATE SEAY: Imperial Sirs, Illustrious Sirs and Nobles: I will now call this session to order and declare the Ninety-Fourth Imperial Council Session open for business.

In opening this session, Nobles, let me say that we are here for one thing—we are here to conduct our business in an orderly manner and for the best of Shrinedom in North America. Let me also indicate to you that if you do wish to speak on any subject, you will be welcome to the floor. However, first make sure that you are recognized and then, as you speak, drive home your point and endeavor to contribute to making this an orderly and fast-moving business session. Also, when you vote and when you make decisions, I hope that each and every one of you will think about one or two things—"I am voting for the good of Shrinedom, I am voting for the good of our Colorado corporation and our Hospitals." I would appreciate it if you would keep that in mind as you take to the floor and express your views on the various issues as they are put before you.

Now, we will first have the report of the Committee on Credentials, Karl L. Friedrichs, Chairman.

NOBLE KARL L. FRIEDRICHs: Imperial Sir, Members of the Imperial Divan, and Representatives of this Session of the Imperial Council:

I will not read all the names but will give you the total figures and the names will be on file with the Imperial Recorder.

Nobles, let me call to your attention the fact that this is an important figure because it takes a two-thirds majority to elect. Let me also indicate that this Committee report has been signed by all members of the Committee.

I now move for the adoption of the report.

IMPERIAL POTENTATE SEAY: You have heard the motion, is there a second?

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: I will now recognize our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I move that the elected Representatives and Emeritus Representatives of the Imperial Council, Iowa corporation, be elected Representatives and members of the Colorado corporation.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: You have heard the motion, which has been seconded. Are you ready for the question?

(The question was called for, the motion was voted upon and was declared to be carried.)

IMPERIAL POTENTATE SEAY: We next come to the matter of the filling of Committee vacancies. I will call on our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: There are a couple of vacancies in committees that have been filled by the Imperial Potentate.

Edward C. Brohl of Al Koran Temple has been appointed to replace Charles G. White on the Jurisdictional Lines Committee.

Bruce Bowen of Kerak Temple replaces Kenneth B. Hall of Al Kader Temple on the Grievances and Appeals Committee.

That takes care of the replacements, Imperial Sir.

IMPERIAL POTENTATE SEAY: Well, Nobles, the next order of business is the report of your Imperial Potentate.

IMPERIAL POTENTATE'S REPORT

Imperial Sirs, Illustrious Sirs, Representatives to this great Ninety-Fourth Imperial Council Session, Nobles all: In my three-score-plus years of living, never in my memory has one single year been as demanding, as eventful or as rewarding as has 1967-1968 — the year I have been privileged to serve as Shrinedom's Imperial Potentate.

Like the many Imperial Potentates before me, my year in office will never fade from my thoughts. The countless Nobles of our Fraternity that I met, the hands that I have clasped in the spirit of brotherhood, and the many courtesies that were extended me, have all left their indelible imprint on my heart and mind.

Bringing the prestige of this high office to every member of our Fraternity through personal contact is an important function of the Imperial Potentate. Time-consuming though it may be, it is always most enjoyable.

During the year, I journeyed almost a quarter-million miles visiting 125 Temples throughout the Continental United States, the State of Hawaii, the Provinces of Canada, Mexico and Panama. Some of the highlights of my travels also included a trip to Germany and to the Heidelberg Shrine Club; Shrine Association meetings from Coast to Coast and border to border; DeMolay and Masonic meetings and a pilgrimage to Hawaii. I was privileged to attend several Shrine football games and to participate in this year's "Parade of Roses."

At the start of my year as your Imperial Potentate, I announced a four-point program to be emphasized during the year to strengthen our great Fraternity and facilitate its continued growth.

The four points were: A return to the basic concepts of Masonry — asking every Noble to make it his personal responsibility to inspire one young man with the spirit of Masonry; expanding our philanthropic work, particularly in the burns field; improved relations with the other Masonic bodies so that strong fraternal ties and an awareness of the great philanthropic work of the Shrine would attract new members into our Order; and building the Shrine's image through an expanded public relations program.

I would like to briefly report on each of these points and as to what has been achieved.

A Masonic Advisory Board was established to augment the Imperial Council Masonic Relations Committee. Members of this Advisory Board included leaders from every Masonic body to get their ideas and their suggestions concerning what the Shrine can do to help bring the word and the light of Masonry to more young men.

Committee recommendations encouraged Nobles everywhere to take active roles in their Masonic Lodges; to form Masonic degree teams comprised of Shriners; and to promulgate the principles of Masonry wherever possible and whenever appropriate.

One highlight of the year in our Masonic relations was the annual Frank S. Land Memorial Breakfast. Held in Washington, D. C., in conjunction with the Grand Masters' Conference, this year's Breakfast attracted many distinguished guests, including government officials, and every member of the Imperial Divan. Each year this Breakfast, in honor of a great Mason and Shriner, does much to improve the Shrine-Masonic relations.

In the area of expanding our philanthropic activities, I asked that a Burns Study Committee be formed to evaluate for future activities in this field.

Throughout my trip in North America, I have talked to most of you, indicating that we needed more Burns Institutes in our Shrine. However, I have not changed my mind nor have I changed my thinking. I feel that we should have a new Burns Unit on the West Coast and one in the Southeast but during the last month or so I have changed my mind that it should not be done during this Imperial Council Session — that there should not be any appropriations due to the fact that we are not completely finished in Boston, that we have not as yet opened that new Unit and the Units in Cincinnati and Galveston yet need some new organization. Naturally, of course, I would like to see some appropriations made and help to create something for Shrinedom, for the good of Shrinedom, but I am afraid that if I make this recommendation and ask for it, it will be too soon to do it, at least until we are completely operative on a good, sound business basis. (Applause)

Extensive study has and is being conducted to determine possible sites for future Burns Institutes in those areas of the country that would benefit most. A similar evaluation program is also being carried on in all twenty-two Hospitals to determine future needs, expansion and remodeling plans, and building new Units.

Now, when I mention future needs, I am sure that in the next few years that in some of our Orthopedic Units there is the possibility that there might be some plastic surgery. In fact, in my travels around as an Imperial Officer I found that in one of our Hospitals, and maybe even more, there was at this time some plastic surgery being done. I believe that we have done a great job in rehabilitation, and I also believe that our Trustees feel the same way.

My third point has to do with improved relations with other Masonic bodies. This was also covered in my earlier remarks.

Finally, building Shrinedom's image through an expanded public relations program, I am happy to report that a greatly stepped-up program from Imperial Council Headquarters has been accomplished. We have been able to broaden the scope and to increase the coverage in relation to every available type of media to bring the message of our Fraternity and of our great philanthropy to the world at large.

I am convinced we have but scratched the surface thus far. It is my sincere hope that this beginning will help form the foundation for continuous efforts in each of these vital areas in the years to come.

It now comes time to say "Thank you" to the many Nobles who have done so much to make any successes I have achieved possible. At the top of this list are the members of the Imperial Divan, each of whom will one day be preparing a report similar to this for the Nobility following his year as Imperial Potentate.

These Imperial Divan members have unselfishly served as my official representatives at those functions which I could not attend. They have carried the prestige of Shrine officialdom to many events in their respective areas as my personal ambassadors. The Imperial Divan has given me the benefit of their wise counsel on many important issues during the year. I am grateful to them.

My thanks also go to the regular and special committees of the Imperial Council whose activities enabled the many functions of our international Fraternity to run smoothly.

My special gratitude goes to our Imperial Council office staff, whose cooperation on the routine administrative functions and special assignments was magnificent.

I am most grateful to the Imperial Treasurer's office and to his excellent staff for the superb job that they have done during the year. Their attention to detail and their dedication to duty has resulted in maximum efficiency of operation in this most important area of financial accounting. I cannot say enough about our Treasurer's office, of the job they are doing.

I am pleased to report to you that during this administrative year we were able to institute certain economies into the Imperial Council headquarters operation, such as the cancellation of a janitorial service contract and replacement with maintenance employees on our own staff, a centralization of purchasing, and a reduction of print shop operational costs—to name but a few. All of this has resulted in a savings in excess of \$80,000 for this one year alone.

I want to also congratulate the staff of the office of the general counsel for the splendid manner in which their duties were accomplished. It has been an unfortunate circumstance that we have operated for this year without the services of a general counsel for the Colorado corporation and it is for this reason that I pay special tribute to Noble G. William Sullivan, our general counsel for the Iowa corporation, for his unflinching devotion to duty and his wise counsel and the many personal contributions to the effectiveness of our legal affairs during the year.

You will note in the printed annual report that you received in your representative's envelope a financial statement and balance sheet for both the Iowa and Colorado corporations and an opinion from our Imperial Auditor, Noble A. C. Upleger. These balance sheets and report show our corporations to be in sound financial condition despite an ever-increasing rise in the cost of operations reflecting the trends and tempos of our time.

Thank you, each of you, for making this year the greatest one of my life. Ruth, who accompanied me on as many trips as her health permitted, joins with me in this expression of gratitude for a year we will both remember always.

This has been an interesting and a personally rewarding experience to me. It has been a year towards which I have worked some sixteen years.

I cannot say that I am sorry to step down at the end of this week — because this is a country boy that is very tired. I will say, however, that I will deeply miss the personal association with the Nobility throughout Shrinedom that it has been my privilege to enjoy during this year as Imperial Potentate.

That, Nobles, concludes my annual report to the Representatives of the Ninety-Fourth Imperial Council Session.

(Rising applause)

(5) He shall keep and maintain all budget control records.

(6) As soon as practicable after the end of each calendar year, he shall cause to be prepared from the records and books and shall submit to the Board of Directors (i) an annual statement of the financial condition of the Imperial Council, showing its assets, its revenues and sources thereof, its liabilities, and its net worth; (ii) an annual operating statement; and (iii) any other supplementary report or statement necessary to disclose its true financial condition, the nature and current estimated value of its assets, its operating results, its income and the sources thereof, and its reserves and purposes thereof.

§327.3(a)(14) Report and remit as required by Section 332.3(b), (d), (g) and (i), Section 332.4 and Section 332.5 (b) and (c).

PART III

ARTICLE 30

Discipline By Temples

§330.2 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(6) Unless a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused

has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting,

and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ ds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ ds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

Initiation Fee; Dues; Hospital Levy; Assessments

§332.3(i) A Temple, which has remitted the dues of a member because of hardship, may also remit the Hospital Levy of such member for the year or years that his dues have been remitted, and so advise the Imperial Recorder.

§332.4 Hospital Permanent Contributing Membership.

(a) A member may purchase for \$150 a Permanent Contributing Membership in the Hospitals, receive a certificate therefor from the Recorder of the Temple and be exempt from any further hospital levy.

(b) The Temple Recorder shall enter on his record the exemption from future hospital levy of all members holding a fully paid Permanent Contributing Membership certificate.

(c) The Temple Recorder shall promptly remit all sums received by him for Permanent Contributing Memberships to the Imperial Recorder for deposit to the account of the Hospitals.

§332.5 Hospital Voluntary Permanent Subscription.

(a) The Imperial Council may issue a Voluntary Permanent Subscription certificate to any person or organization for not less than \$60.

(b) A member holding a Voluntary Permanent Subscription certificate in his name, even though issued before he became an active member of a Temple, may convert it to a Permanent Contributing Membership certificate by surrendering his certificate and paying the difference between the amount paid for his Voluntary Permanent Subscription and the cost of Permanent Contributing Membership. Thereafter he is exempt from any hospital levy.

(c) The Temple Recorder shall promptly remit all sums received by him for Voluntary Permanent Subscriptions to the Imperial Recorder for deposit to the account of the Hospitals.

The elected Representatives of the Temple also are subject to the limitations of Section 205.4.

PART III

the Temples of which those listed are members; provided however, that nothing in this subsection shall prohibit the publication or use of a list or lists of Imperial Representatives, and of lists of officers and committee members of the Imperial Council and of Shriners Hospitals for Crippled Children.

§335.15 Memorializing of Individuals Prohibited. The use of the individual name of any person living or dead on or about any building owned by any Temple or any of its affiliated corporations, clubs or units, or held by another or others for the use of any such Temple, corporation or other organization for the purpose of memorializing such individual, of his connection or assistance with the construction, establishment or operation of any such building is prohibited.

CHARTER GRANTED

Charter was presented to ARABA TEMPLE of Fort Myers, Florida, granting authority to meet and work as a Temple.

1968 IMPERIAL COUNCIL SESSION

The next Session of the Imperial Council will be held in Chicago, Illinois the week of July 7, 1968. The Director General is Yngvar Brynildssen, 600 North Wabash Avenue, Chicago, Illinois 60611.

Chief Rabbans of Temples have full authority to make plans for attending this Session with the Units of their Temples, and this includes the authority for making contracts for rooms in Chicago as well as making contracts for transportation facilities incident to this Pilgrimage, provided, however, that such plans have been approved by a vote of the membership of the Temple in accordance with the Temple's by-laws.

The Imperial Potentate desires to bring to the attention of all Temple Officers the following:

HOUSING—Imperial Council Session in Chicago. In accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, and instructing all Potentates and Recorders to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee, and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any Temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith, the following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1968 Session in Chicago.

Potentates, Recorders, and all other Nobles, are reminded that an Imperial Session must house (1) official Imperial Representatives (2) Uniformed Units, (3) the General Nobility and (4) the general public—in that order of precedence. The official Representatives, are annually paid mileage and per diem to transact the business of the Imperial Session; the Uniformed Units are present, at the expense of their respective Temples, to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the Representatives there would be no business transacted to justify the Imperial Session; without the Uniformed Units there would be no parade. It is not intended by your Imperial Potentate that the Uniformed Units of sundry small Temples are to be quartered, contrary to their desires, in third rate, back street hotels, merely to afford facilities for large delegations of visiting Shriners and tourist agency customers who attempt to corner the hotel room facilities to the detriment of those who make the Imperial Session possible.

Hotel room assignments at Chicago are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Chicago is Hilding

Johnson, c/o Arthur T. McIntosh & Co., 105 W. Madison Street, Chicago, Illinois 60602. The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate or any Temple violating either the spirit or the letter of this order.

Responsibility of Potentates

The Potentate of each Temple is reminded of his individual official responsibility for the operation of his Temple in accordance with the By-Laws of the Imperial Council.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all Temples requesting visitations. He trusts that the Temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of Masonry and the Shrine, and he will be glad to speak to audiences of not only Shriners and their families, but also Master Masons and their families.

It is suggested that if convenient time is available that a press conference of newspaper, radio and TV representatives be arranged for the Imperial Potentate during his official visitation.

Mrs. Seay will accompany Imperial Potentate Seay on his visitations unless notified otherwise. It is suggested that no breakfast or morning engagements be planned since the Imperial Potentate will need the morning for rest and personal correspondence work.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete résumé of your Temple program and what you desire the Imperial Potentate to do, be sent to him (copy to General Office) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have, that is, whether Shriners only, Shriners and their ladies, Shriners and Masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR SPECIAL MEETINGS, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE IMPERIAL RECORDER'S OFFICE, AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED BE SENT TO THE IMPERIAL RECORDER.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each Temple of the Order is instructed to provide and display at all Shrine parades and Shrine functions the three National flags under which Shrine Temples chartered by the Imperial Council operate, i.e., United States, Canada and Mexico. These three National flags should take their proper place in all Shrine Temple Color Squads and should also be properly displayed at all Shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Imperial Recorder.

A SPECIAL NOTE FOR COLOR SQUADS

IMPORTANT

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. THIS IS NOT PROPER. No National flag is to be dipped at a reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

THE NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN" CAN NOT BE USED IN ANY PROMOTION WITHOUT THE PERMISSION OF PAST IMPERIAL POTENTATE HAROLD LLOYD, CHAIRMAN OF THE BOARD OF TRUSTEES, SHRINERS HOSPITALS FOR CRIPPLED CHILDREN.

Revision of Temple By-Laws Required

Your attention is directed to Section 331.5 of the Imperial By-Laws, which reads as follows:

"§331.5 Change in Imperial Council laws; effect on Temple By-laws.

(a) When a change is made by the Imperial Council affecting Shrine law, and the change affects the By-laws of any Temple, the By-laws of the Temple are changed, ipso facto to conform with those of the Imperial Council.

(b) It is the duty of every Temple to make this change in its By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation."

All Temples, who have not already complied with the above provisions of the Imperial By-Laws, are requested to do so as soon as possible and to include in, change, delete, or add to present Temple By-Laws the provisions of the Imperial By-Laws revised as of July 14, 1967, including 1967 amendments adopted at the Imperial Session in Washington, D. C.

Temple By-laws should be brought up-to-date and obsolete provisions should be deleted therefrom without delay so that Temple Officers and Nobles may be advised correctly as to their rights, duties, and obligations under the current applicable provisions of the Imperial Council and Temple By-Laws as revised and corrected.

It is suggested that if the by-law revisions are complicated or extensive, you should ask the Chairman of Jurisprudence and Laws to give a tentative opinion before being submitted to the Temple membership.

It is directed that the attached Summary of this General Order No. 1 be read to the Nobility of each Temple at the first Session following its receipt, and record of the entire General Order be made upon the minutes of the Session at which the Summary is read.

Given under our hands and the seal of the Imperial Council this 1st day of September, A.D., 1967, and of the Order A.H. 1387

4. The Potentate of any Temple which intends to sponsor a tour by supplemental air carrier, the itinerary of which includes any point within or without the continental United States, shall be responsible for seeing that the promotional material for such tour shall clearly state the limits of liability of such carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

IT IS DIRECTED that this General Order No. 2 be read to the Nobility of each Temple at the first session following its receipt, and that a record of its receipt and reading be made upon the minutes of the Session at which it is read.

With reference to the matter of appointing Representatives, PLEASE NOTE THAT SECTION 325.14 of ARTICLE 25 STATES "IF THE VACANCY IS IN THE OFFICE OF AN ELECTED REPRESENTATIVE, AND TIME IS NOT SUFFICIENT TO CALL A SPECIAL ELECTION, THE POTENTATE SHALL APPOINT A REPRESENTATIVE, AND NOTICE OF THE APPOINTMENT, BY LETTER OR TELEGRAM, MUST REACH THE IMPERIAL RECORDER'S OFFICE BEFORE 9:00 A.M. IOWA CORPORATION**PROPOSED AMENDMENTS**

Jacques H. Fox, Chairman of the Committee on Jurisprudence and Laws and John D. Cochran, Vice Chairman and Imperial Representative propose the following:

Amend Section 334.5 of Article 34, Part III, of the By-Laws of the Iowa Corporation by adding certain language so that the section, as amended, will read as follows, with new matter italicized:

334.5 AUDIT. Every Temple is required to have its accounts *and those of its affiliated corporations, including Shrine Club Holding Companies*, audited at the close of each year by an Auditor or committee selected by the Temple. A copy of the audit report *including a balance sheet and income and expense statements* must be filed with the Imperial Recorder before March 1st, following the end of the year audited.

Amend Subsection (a) of Section 334.8, Article 34, Part III, of the By-Laws of the Iowa Corporation by adding the phrase "and any affiliated organization incorporated pursuant to a not-for-profit statute" between the words "body" and "may." Further amend said subsection by inserting a new Paragraph numbered (4) so that

said Subsection (a), as amended, will read as follows, with new matter italicized and deleted matter bracketed:

334.8 INCORPORATION OF TEMPLES OR AFFILIATES.

(a) Any Temple now incorporated pursuant to a state statute which authorizes the formation of a fraternal corporation, not for profit, deriving its rights and powers from a Grand or Imperial body, *and any affiliated organization incorporated pursuant to a not-for-profit statute*, may continue its corporate existence so long as its charter or By-Laws contain provisions that the corporation (1) yields obedience to Shrine Law; (2) exists solely as a nonprofit corporation having no purpose other than that of acquiring, owning, selling or otherwise disposing of, and mortgaging real estate, and the erection, maintenance and operation of buildings thereon, for its own use; [and] (3) no part of its assets or funds shall inure to the benefit of individuals personally except in payment for services actually rendered or performed; *and (4) in the event of dissolution, the assets and funds remaining after the payment of all debts of the corporation shall be conveyed to the Temple, or the Hospitals.*

Amend Article 35 of Part III of the By-Laws of the Iowa Corporation by adding thereto a new Section, to be designated as Section 335.16 and reading as follows:

335.16 FURNISHING ELECTION RESULTS. *A Temple or Noble may not furnish to any news media the name of any candidate for Temple or Shrine Club office, nor any information regarding the ballot count at any Temple or Shrine Club election. Information given to news media shall consist solely of the names and biographical material of officers elected and appointed.*

Amend Subsection (c) of Section 337.6, Article 37, Part III, of the By-Laws of the Iowa Corporation, by revising Paragraph (4) thereof, by adding the following words "to the Temple or" after the word "conveyed," and deleting the word "to," so that said Paragraph (4) of Subsection (c), as amended, will read as follows, with new matter italicized and deleted matter bracketed:

337.6 INCORPORATION OF SHRINE CLUB HOLDING COMPANY

(c) (4) In the event of dissolution, the assets and funds remaining after payment in full of all debts of the corporation or association shall be conveyed *to the Temple or* [to] the hospitals. No part of the assets or funds may inure to the benefit of any member of the corporation or association, nor revert to any officer or trustee thereof.

Amend Article 37 of Part III of the By-Laws of the Iowa Corporation by adding thereto a new Section to be designated as Section 337.7 and reading as follows:

337.7 AUDIT. *Every Shrine Club and Shrine Club holding corporation is required to have its accounts audited at the close of each year by an Auditor or committee selected by the Potentate. A copy of the audit report including a balance sheet and income and expense statements must be filed with the Potentate before February 1 following the end of the year audited.*

C. Edward Best, Representative to the Imperial Council and Potentate of Ben Ali Temple, propose the following:

Amend Section 335.10 of Article 35, Part III, of the By-Laws of the Iowa Corporation by adding and deleting certain language so that the Section, as amended, will read as follows, with the new matter italicized and deleted matter bracketed:

335.10 FEMALE ORGANIZATIONS.

(a) A Temple may not organize, or sponsor [or officially recognize in any way] a female unit or any uniformed body of women, *or permit such organization to appear at a function conducted under the auspices of the Temple.*

(b) A Temple may not organize, or sponsor [or officially recognize in any way] any body of women, or men and women, purporting to be an organization connected with the Order composed of Nobles and female relatives or requiring such relationship as the pre-requisite for membership in the organization.

R. W. Farris, Representative to the Imperial Council and Potentate of Ararat Temple, proposes the following:

Amend Section 336.1 of Article 36, Part III, of the By-Laws of the Iowa Corporation by lettering the present text as Subsection (a) and adding thereto a new Subsection to be designated as Subsection (b) reading as follows:

(b) A Noble of one Temple may not participate in the unit activities of another Temple without the written permission of the Potentate of his Temple.

William L. Backus, Representative to the Imperial Council and Potentate of Medinah Temple, proposes the following:

Amend Section 337.1 of Article 37, Part III, of the By-Laws of the Iowa Corporation by adding certain language which is italicized so that, as amended, it would read as follows:

337.1 USE OF EMBLEM.

An organization of Nobles meeting as such, using any of the emblems of the Order or having a title indicating it to be an organization of Nobles may not be organized without the official authorization of a Potentate of a Temple, *except that such an organization may be organized in states, territories or countries where no Temple exists by authority granted exclusively by the Imperial Council which shall control such organization and approve its By-Laws or amendments prior to their effective date.*

POTENTATES, PLEASE NOTE

The following instructions are to be given to your Temple Marshal, Parade Marshal and Unit Heads:

The Day Parade will start promptly at 9:00 A.M. on Tuesday, July 9. The route of March, starting at the River on Michigan Blvd., will proceed south on Michigan and go through Soldier Field and disband. The Reviewing Stand will be in Soldier Field.

The Night Parade will start promptly at 7:30 P.M., on Thursday, July 11. The route and dispersal area will be the same as the Day Parade.

Potentates will instruct commanders of their Uniformed Units that all movements in both Parades must be forward movements. This regulation will be enforced.

OFFICIAL PARADE ORDER

Much time and thought goes into the preparation of Official Parade Orders for Imperial Council Parades at Imperial Sessions, and in order to insure the very best for all concerned these orders must be strictly observed.

No Temple Officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Yngvar Brynildssen, Director General of the Convention, whose office is located at 3 East Ontario Street, Apt. 28, Chicago, Illinois. The attention of all Potentates and heads of Uniformed Units is again specifically directed to the previous General Orders, with reference to explicit parade regulations quoted below:

SPECIAL MESSAGE RELATING TO SHRINE PARADES

1. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and

glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Especially in recent years, there have been very reasonable grounds for dissatisfied criticism by a growing number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which retard the forward movement of the parade as a whole.

As a result, many of our newer and small Temples, located far back in the line of march, have unquestionably taken punishment. (1) The forward movement of the parading column has been repeatedly halted, (2) There have been exasperating delays, (3) Units have been required to stand in line,—not for minutes, but for hours—as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units “marching” nearer the head of the line, (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

Suggestions have been made in vain for a correction of the above difficulties. Some have urged rotation in the order of precedence by Temples in future parades; others have demanded abolition of retarding street movements; others have suggested that performing units shall “march” at the end of the column.

Most recently, direct orders forbidding any but “forward marching movements,” although complied with by many Temples, have been repeatedly disregarded by others. Dignified efforts by Imperial Marshals to enforce the orders have been brusquely ignored.

The order now issued by your Imperial Potentate, relating to parades in Chicago, Illinois, may prove unpopular or it may approach a reasonable solution; you have his assurance that the decision has been reached only after long and earnest consideration of the problem.

The parades in Chicago, Illinois will be parades throughout, and in no part a pageant. Only so-called “forward marching movement” will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. Units not desiring to comply with this parade regulation are not to form in line for the parades. The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

II. Motor Vehicles. There has been growing criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable; not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, add unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Chicago, Illinois, the short distance and nature of the proposed route of the parades and the congestion of traffic will demand the elimination of other than ONE CAR for the officers of each Temple with uniformed units in the parades. Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

III. Marching cadence will be 110 steps to the minute.

IV. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

V. The Reviewing Stand will be in Soldier Field for the Day Parade and for the Night Parade. At the Reviewing Stand, Temple Divans will give hand salute, or eyes right, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

VI. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for eyes right or salute.

VII. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directives of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

VIII. Attention of all Potentates, with reference to all Shrine parades, is also called to the requirement that no one shall be permitted to participate but members of the Order, Uniformed Bodies, and male servants accompanying the Temples. No females or female impersonators shall be permitted to participate in parades. Read Paragraphs 335.11, 335.13 and 336.2 of the Imperial By-Laws (Iowa). A Potentate is personally responsible and accountable for knowingly permitting any violation of this regulation. Unless and until Shrine custom is changed to the contrary, no children, no woman or girl, has any place in a Shrine parade. Proper Shrine policing at successive points of any Shrine parade route should certainly guarantee against any violation of the above rule at an official reviewing stand.

If your Uniformed Units attend the Imperial Council Session in Chicago, Ill., it will be necessary for you to supply two members of your Temple (preferably law enforcement officer members of your Temple) to act as Provost Guard during the Imperial Council Session. Provost Marshal is Noble Captain Albert W. Anderson. Provost Headquarters during the Convention will be in the Exhibit Hall of the Palmer House Hotel. Each Potentate will kindly advise Noble Albert W. Anderson the names of the two Nobles who will serve on the Provost Guard, and the names must be submitted in duplicate. The members of the Provost Guard are to be instructed that they will meet with Noble Albert W. Anderson for instructions, etc., on Monday, July 8, at 9:00 A.M. at his headquarters in the Palmer House Hotel. Correspondence with Noble Anderson prior to July should be addressed to 3 East Ontario Street, Apt. 28, Chicago, Ill.

IMPORTANT

FOR THE PURPOSE OF AVOIDING POSSIBLE CRITICISM AT THE CHICAGO 1968 IMPERIAL COUNCIL SESSION, NO NUBIAN SLAVE COSTUMES OR BLACK-FACED CLOWNS, OR ANY SIMILAR COSTUME OR MAKE-UP, WILL BE PERMITTED IN PARADES, ON THE STREETS, OR IN HOTELS OR OTHER PUBLIC PLACES IN CHICAGO, ILLINOIS.

POTENTATES ARE ADVISED THAT THE USE OF WATER PISTOLS, ELECTRIC CANES, ELECTRIC BRIEF CASES, SNAKES OR OTHER REPTILES, FIRECRACKERS, CANNONS, SIRENS AND OTHER OBJECTIONABLE DEVICES WILL NOT BE PERMITTED. MEMBERSHIP ATTENDING IMPERIAL COUNCIL SESSIONS SHOULD BE CAUTIONED REGARDING THE ABOVE.

GENERAL OBSERVATIONS

It is suggested that it would simplify the details of registration if the Representatives of the various Temples will arrange to register at the same time, if this can be done conveniently.

Attention is called to the fact that each Representative in coming to the Imperial Council Session should not overlook his CREDENTIALS, his CURRENT CARD and his HOTEL ASSIGNMENT CONFIRMATION. If he contemplates using his Directory at the meeting, he should not neglect to bring his individual copy with him.

Official notice has been received that the following Illustrious Nobles, listed alphabetically by Temple name, will be candidates for Imperial Outer Guard:

Fred R. Morrison, Moslem Temple
Harry J. Stith, Sabbar Temple
Harvey W. Smith, Sudan Temple
Warren F. Weck, Jr., Zuhrah Temple

Seay was referred, submits the following recommendations:

1. That on all matters relating to finance, revenue, expenditures and bonds, these be referred to the Committee on Finance and Accounts.
2. That all matters relative to edicts, orders, decisions and recommendations as to statutes and laws be referred to the Committee on Jurisprudence and Laws.

3. That all matters pertaining to grievances and appeals be referred to the Committee on Grievances and Appeals.

4. That all matters pertaining to dispensation and charters be referred to the Committee on Dispensation and Charters.

5. All matters pertaining to jurisdictional lines be referred to the Committee on Jurisdictional Lines.

Your Committee on Transactions of Imperial Officers expresses sincere thanks and appreciation to the Imperial Potentate and to Mrs. Seay for their very busy year of service to our Order.

Your Committee feels that they speak for all Shriners in the Imperial Council and in all Temples in presenting these words of thanks and appreciation to these wonderful folks who have carried our banner and so ably represented us as Shriners this year just past. May they accept them in the warmth of the spoken word.

This report is respectfully submitted by the Committee on Transactions of Imperial Officers, on behalf of William H. Woodfield, Jr., Chairman.

Imperial Sir, I move for the adoption of the report and that the requested references be made.

(The motion was severally seconded and, there being no discussion, was voted upon and carried.)

IMPERIAL POTENTATE SEAY: Thank you, Nobles.

A little more information on tomorrow morning. I just want to impress upon you that it is nine o'clock instead of ten o'clock and that the buses will be on the Wabash Street side of the Palmer House at 8:15 in the morning. They will take you to Medinah Temple.

NOBLE JOHN B. VESEY (Past Potentate, Al Chymia Temple): I wonder if you cannot hold one or two buses for a little later departure. We are going to meet at seven-thirty and will not be through until eight-fifteen.

IMPERIAL POTENTATE SEAY: Thank you very much, John. Our Imperial Marshal tells me that he will hold one bus until a quarter to nine but please be on time. This will give you thirty minutes more. There will be a special bus waiting for you.

NOBLE JOHN VESEY: I don't require a special bus.

IMPERIAL POTENTATE SEAY: I think a Past Potentate is entitled to a special bus, what do you think? (Cheers and applause)

I would like to say that what is transpiring tomorrow morning is a little bit different than we usually have it at our Council Sessions. As you know, our incoming Imperial Potentate is going to have his pageant at Medinah Temple. Therefore, be sure, without fail, to bring your ballots with you because I want to be sure that he is at least one hundred per cent elected. (Laughter) Therefore, be sure and bring your ballots.

Also, your ladies and all of your friends are invited to attend the pageant. I would like to say that Medinah Temple has the world's largest stage. We even hold a circus on that stage. They have a seating capacity of up to five thousand individuals and so be sure and bring your families. Not only that, the ladies can ride in the buses. This is what Medinah thinks of you Nobles. (Applause)

As I say, we are going to elect all of our officers tomorrow morning and so, Nobles, please bring all your ballots with you. We will not be coming back here. We are going to elect the officers and then leave from there and come back here for lunch. It will not take long to ballot and elect the rest of them. Therefore, let me again emphasize that we will do all of our balloting at Medinah Temple, all of the elections will be held there. The reason for that is that we have the ballot boxes there.

I would now like to turn the microphone over to our Imperial Recorder, George M. Saunders, who would like to make a few announcements.

NOBLE GEORGE M. SAUNDERS: To be very clear in relation to your ballot book, let me indicate that your ballot book is numbered on the front cover. It is charged to you and we do have a record as to who owns which numbered ballot book. We do not have a record, of course, of the ballot numbers inside. Your ballot books contain various numbered sheets and so when the Imperial Potentate is ready to ballot on any particular matter, he will advise you which numbered sheet to use. Don't lose

your ballot book. Keep it with you at all times because there may be a need for it at any time during any of the sessions. Be sure that you have the ballot book with you at all times.

Also, as the Imperial Potentate has indicated to you, the Session will reconvene tomorrow morning at nine o'clock on the stage of Medinah Temple for the purpose of electing the incoming Imperial Potentate and the other officers. I am sure it will not take more than five or ten minutes to elect the new Imperial Potentate. A recess will then be taken at that time and the stage will be turned over to the Imperial Potentate-Elect and his Temple for the purpose of presenting for your entertainment and that of your ladies, a pageant. Also, this is open to the public. This will be a beautiful pageant, worked around the theme of the northwest part of our country. Your Imperial Potentate-Elect has extended a cordial invitation to you and your ladies to visit there. Now, immediately after the close of the pageant, which the Imperial Potentate hopes to be approximately at eleven o'clock, the public will be excused and you will go into session. The Imperial Potentate will then ask for nominations for the succeeding offices and it will be hoped to complete there the first ballot with regard to the office of Imperial Outer Guard. The Session will then be adjourned and we will come back here to the Red Lacquer Room for lunch and then, following that, we will reconvene in this auditorium for the completion of the balance of the business.

Likewise, the Imperial Council has received greetings from some Past Imperial Officers.

Harvey Beffa, Past Imperial Potentate, was in attendance at the Board meeting but because of a slipped disc in his back it was necessary for him to return to St. Louis and, therefore, he is absent from this Session.

William H. Woodfield has some problems with regard to his wife's health and, therefore, was not able to be with you.

George Stringfellow had likewise planned to be here but at the last minute he cancelled.

Each of those three Past Imperial Potentates has sent their greetings to this Imperial Council Session.

The honorary member of the Board of Trustees, Walter G. Seeger, has recently had a cataract operation and because of his recuperating from this operation he was not able to be with us. He likewise sends his greetings to you.

Imperial Sir, it is in order that the Imperial Recorder be instructed to send a greeting of this Imperial Council to the absentee Past Imperial Potentates and also to the Emeritus Members who are absent. A motion is in order that this be done.

(Whereupon, it was severally moved, seconded and unanimously carried that greetings be sent to these absent members.)

IMPERIAL POTENTATE SEAY: At this time I would like to recognize W. Clyde Oliver, Chairman, Election Tellers, Judges and Clerks Committee, for instructions.

NOBLE W. CLYDE OLIVER: Imperial Sir and Representatives: I believe that the procedure has been pretty well explained to you by the Imperial Potentate and by your Imperial Recorder, as to the way we would like to vote and ballot tomorrow at Medinah Temple.

I have received one report in relation to a lost ballot book. I cannot emphasize too strongly, Nobles, to have you please guard them and be sure they are not lost or misplaced because, if they are, it is going to make it rather difficult and clumsy to replace them.

As has been indicated, we will take our first ballot at Medinah Temple and rather than do it as we have done it in the past, the ballot will be taken at the end of the aisles, as you leave for lunch. However, any balloting done in this room will be done on the aisle basis. The ballot box will be passed back and forth through the aisle and the vote must be taken from the place wherein you are seated rather than from the front or rear of the room. Your Committee has been instructed in how the ballot will be taken and so they will be attending you at the meeting at Medinah tomorrow morning. Thank you very much. (Applause)

IMPERIAL POTENTATE SEAY: Well, Nobles, this completes the agenda items scheduled for this afternoon. Of course, we still have an hour or so and we could get a

lot done. However, according to the agenda, it is now time to recess until tomorrow morning.

Before so doing, I would like to again emphasize that the meeting tomorrow morning will begin at nine o'clock instead of ten o'clock. With that brief announcement, I will declare this session in recess until nine o'clock tomorrow morning. Have a pleasant evening.

(Whereupon, the opening business session was recessed at 4:15 o'clock p.m. to reconvene at Medinah Temple at 9:00 o'clock a.m. the following morning.)

MORNING SESSION

WEDNESDAY, JULY 10, 1968

NINE O'CLOCK A.M.

The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened at Medinah Temple, Chicago, Illinois, Wednesday, July 10, 1968 at 9:00 o'clock a.m., Imperial Potentate Thomas F. Seay presiding.

IMPERIAL POTENTATE SEAY: I would ask all of the Imperial Officers to please take their respective places. Also, will all of the Past Imperial Potentates kindly seat themselves here in the front because, after the election of the new Imperial Potentate, we will recess to observe the pageant.

I would now like to call on our Imperial Chaplain to give us the Invocation.

REVEREND TIMOTHY B. REEVES (Imperial Chaplain): Almighty God our Father, we ask Thy blessing upon us this morning. Lead us in this session as we choose the leadership for the year that lies ahead.

Create within each of our hearts that loyalty to you, that commitment to service in this day and that appreciation of the responsibilities that are ours so that we will so order our lives that our efforts, our concerns will be behind the one we choose to lead us.

Grant to him wisdom, courage and vision to pioneer new paths of service to mankind. In Thy name we pray. Amen.

IMPERIAL POTENTATE SEAY: I will now recognize our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: I understand that one or two people have lost their ballot books. If they have and have not found them, if they will come to the Imperial Potentate, he may instruct me to give them another book.

IMPERIAL POTENTATE SEAY: I would like to ask our Imperial Outer Guard if the Temple is properly tiled?

NOBLE PETER VAL PREDA: It is, sir.

IMPERIAL POTENTATE SEAY: I hereby declare the Ninety-Fourth Imperial Council Session reopened for the purpose of electing officers for the ensuing year.

My first duty is a very pleasant one, to ask for nomination of one of my closest friends and a Noble who is going to make an outstanding Imperial Potentate—loyal, energetic and a real Mason and a real friend.

I will recognize Noble Harold Jordan to make the nomination.

NOBLE HAROLD JORDAN: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles all: A few years ago the members of Afifi Temple attended the Imperial Session to support a favorite son candidate for the office of Imperial Outer Guard. His slogan was "Look to the West." The Nobles chose to look to the West and elected him to office.

We have proudly followed him on his climb up the Imperial Ladder and today it is my distinct privilege and honor to place in nomination the name of Chester A. Hogan for the office of Imperial Potentate.

Imperial Sir, hearing no further nominations, I move that nominations be closed, the rules suspended and that Neal Gray, Chief Rabban, of Afifi Temple, be instructed to cast a unanimous ballot for Chester A. Hogan for Imperial Potentate for the ensuing year.

IMPERIAL POTENTATE SEAY: Are there further nominations? I declare the nominations closed.

Do I have a motion to elect Chester Hogan as Imperial Potentate for the ensuing year.

(Whereupon, it was severally moved, seconded and unanimously carried that Chester A. Hogan be elected Imperial Potentate for the ensuing year.) (Rising applause and cheers)

NOBLE NEAL B. GRAY: Imperial Sir, I did not follow this Imperial Sir for nine years and two thousand miles not to say something. (Laughter)

As you know, some hundred years ago, a publisher from New York said to a young college man those memorable words, "Go West young man." Well, those words are as appropriate today as they were then for we did go to the West seeking leadership for the coming year.

We of Afifi Temple are extremely proud of our Imperial Sir and it is a personal pleasure and honor for me to cast a unanimous ballot for Chester A. Hogan as Imperial Potentate for the ensuing year. (Applause)

IMPERIAL POTENTATE SEAY: I think we should ask our Imperial Sir if he will accept for the ensuing year.

NOBLE CHESTER A. HOGAN: Fellow Representatives, I do accept. Thank you for your continued confidence. I hope to see all of you during the year and, of course, I will do the best I can. (Applause)

IMPERIAL POTENTATE SEAY: Nobles, there is only one thing I would like to say at this point and that is if I had to pick your Imperial Potentate for the ensuing year I could not have picked a better man. (Applause) I can only say that the man I followed, as well as this man, also the Imperial Divan, have been of a wonderful help to me during my year. I want to congratulate you, Chick.

We will now recess so that all of the ladies may join us in seeing the forthcoming pageant.

(A brief recess ensued while the ladies entered the Temple and other arrangements took place with regard to the presentation of the pageant.)

NOBLE JOHN D. COCHRAN (Narrator): Nobles, ladies and gentlemen and guests: Welcome to the "Look to the West" Pageant honoring Chester A. Hogan, Imperial Potentate-Elect.

We take pleasure in presenting "Washington, the Evergreen State," named after our first President, a Mason. Roll the film.

(The film entitled "Washington, the Evergreen State" was shown, giving a glimpse of the State's beauties, activities in relation to the Imperial Potentate-Elect's many activities, as well as various family activities taking place about his home garden. During the "Sunrise" scene, the El Katif Chanters sang "The World is Waiting for the Sunrise.")

NOBLE JOHN D. COCHRAN: Unit Director Al Wilkinson, assisted by the Afifi Patrols, will now present the Colors.

(Whereupon, the Colors and state flags were presented by representatives from the Yakima Shrine Patrol, Wenatchee Patrol and Afifi-Tacoma Patrol.)

NOBLE JOHN D. COCHRAN: And now, the moment we have been waiting for—"Look to the West"—as we proudly present from Afifi Temple, your Imperial Potentate-Elect, Chester A. Hogan, who will be escorted by Pageant Director Clinton C. Hull.

(Whereupon, Imperial Potentate-Elect Chester A. Hogan was escorted to the stage.) (Applause)

NOBLE JOHN D. COCHRAN: Will you all please arise for the playing of the National Anthems.

(Whereupon, the Star Spangled Banner, the Canadian National Anthem and the Mexican National Anthem were played by the Afifi Band under the direction of Noble Delwin Jones.)

NOBLE JOHN D. COCHRAN: I now present to you the First Lady of Shrinedom, our much beloved and lovely Helen Hogan. (Applause)

Also the sons of our Imperial Sir, Nobles Carl and Charles Hogan. (Applause)

It also gives me a great deal of pleasure to present to you Betty Hogan, the wife of Carl and Evelyn Hogan, the wife of Charles. (Applause)

I might say that Carl is President of the Puyallup Kiwanis Club, a Club that your Imperial Potentate-Elect headed some twenty-two years ago.

Charles was President of the Puyallup Chamber of Commerce two years ago.

Carl and Betty have two children — Jeff and Wendy and Charles and Evelyn also have two children — Heidi and John. The grandchildren were left home, however, so they would not steal the show. (Laughter and applause)

I would now like to ask Past Potentate Reuben Golliet, who started Chester on the Divan of Afifi Temple in 1948, to please bring out the Fez and Shrine Pin for the boys to present to their father.

NOBLE CHARLES HOGAN: Imperial Sir, it is with a deep joy and privilege that I present you with this five-star Fez, Shrinedom's highest honor. I am proud to be your son. On behalf of the family and the members of Afifi Temple of the Mystic Shrine, I now present you with this five-star Fez.

(Presentation of five-star Fez and applause ensued.)

NOBLE CARL HOGAN: This is certainly a thrilling moment in the life of your family. I am proud, on behalf of Mom, Charlie and myself, to present to you your new five-star Pin. You have every right to wear it with dignity. I am honored to present to you your new five-star Pin.

(Presentation of five-star Pin and applause ensued.)

(At this point, the El Katif Chanters sang "The Lord's Prayer.")

NOBLE CHESTER A. HOGAN: Imperial Potentate, ladies and gentlemen: I thought perhaps I should put the boys to work this year. Therefore, it is my pleasure to present each of them with their new Fez as Aides to the Imperial Potentate.

(Whereupon, both sons were presented with a new Fez indicating them to be Aides to the Imperial Potentate.) (Applause)

NOBLE JOHN D. COCHRAN: It is now a pleasure to introduce the Potentate of Afifi Temple, Harold T. Jordan.

(Whereupon, Noble Jordan presented a bouquet of roses to Mrs. Hogan, following which he introduced his elective Divan officers.) (Applause)

(Noble Leonard A. Peterson, Potentate of El Katif Temple, Spokane, Washington, presented flowers to Mrs. Betty Hogan and then introduced his Divan officers, following which Noble C. Noel Caldwell, the Potentate of Nile Temple, Seattle, Washington, likewise presented flowers to Mrs. Evelyn Hogan and also introduced his elected Divan officers.) (Applause)

NOBLE JOHN D. COCHRAN: I would now ask the new Imperial Chaplain, Reverend Randall W. Larson, of the First United Methodist Church of Puyallup, Washington to please come forward for introduction and presentation of his Fez by Imperial Sir Hogan. Let me add that your new Imperial Chaplain is Minister of the First United Methodist Church of Puyallup, Washington and also Chaplain of the Grand Lodge of Washington and Alaska and a member of Corinthian Lodge of which your Imperial Potentate-Elect is presently Worshipful Master.

(Whereupon, the Reverend Larson presented himself in front of Imperial Sir Hogan and was presented with his Imperial Chaplain's Fez.) (Applause)

NOBLE JOHN D. COCHRAN: Another distinguished guest present today is Noble Robert E. Brewer, the Mayor of Puyallup, who started Imperial Sir Hogan in the Masonic Fraternity.

THE HONORABLE ROBERT E. BREWER (Mayor of Puyallup, Washington): Imperial Sir, I bring you greetings and congratulations from the City of Puyallup. We are most proud of this great honor being extended to you today. I also bring you further congratulations and best wishes for you and your family and much continued success, health and happiness in your work. (Applause)

NOBLE JOHN D. COCHRAN: I believe that Noble Harold Jordan has a presentation to make.

NOBLE HAROLD JORDAN (Afifi Temple): Needless to say, Imperial Sir, we are very, very proud of you and, also needless to say, you are beloved by all of Shrinedom. From our Temple and Chick's Temple we have over six hundred present here to view this memorable occasion put on in behalf of one of our Nobles.

Noble Cox from Olympia, Washington has made this Plaque for you and I would, in his behalf, like to present it to you at this time.

(Presentation of Plaque indicating Fez and five stars underneath it ensued.) (Applause)

I also have another presentation. I know that you are going to travel thousands upon thousands of miles during the next twelve months. In fact, this is probably the last time we will see you for at least a year. (Laughter) I know that you are going to have many joyous miles ahead of you and in order to make them a little happier, I would like at this time, on behalf of the officers and Nobles of Afifi Temple, to present you with the keys to your new Cadillac.

(Presentation of keys and applause.)

IMPERIAL POTENTATE-ELECT HOGAN: May I thank the officers and all of the members of Afifi Temple from the bottom of a grateful heart. Thank you very much (Applause)

NOBLE JOHN D. COCHRAN: One of the traditional presentations to the newly-elected Imperial Potentate is the presentation of a swagger stick by the Al Malaikah Temple Patrol. I would like to introduce Potentate Leo E. Anderson, Noble Loyl Peterson, and Noble Harold Mallinger for this presentation.

NOBLE LEO E. ANDERSON: It is a great privilege and a great honor for Al Malaikah Temple to present to you your swagger stick, which we hope you will enjoy always. This honor really belongs to the Captain of the Scimitar Patrol and so I am going to ask him to make the presentation.

NOBLE HAROLD MALLINGER: Imperial Sir, this stick and the bands on it represent important moments in your Masonic career. This contains one of the most comprehensive careers of any stick that we have ever presented to this day. It is my wish that you carry the pride of your office with you as it is my pride in presenting this to you.

(Presentation of swagger stick and applause)

IMPERIAL POTENTATE-ELECT HOGAN: You know, I have been sitting watching this presentation for many years and I was wondering how long it would be before I were standing up here to receive it. There was only one thing that was bothering me and that was that I hoped they did not run out of these sticks before my turn came. (Applause)

NOBLE JOHN D. COCHRAN: I would like to have our Pageant Director, Clint Hull, escort to the stage our Imperial Recorder, George M. Saunders, for the presentation of the Imperial Potentate's Flag.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives to this Imperial Council meeting, as Representatives you have accepted this slogan of the far away Nobles to "Look to the West." I am privileged to momentarily share the stage for the purpose of presenting to the newly-elected Imperial Potentate his official flag, the banner of royal purple and pure gold which has, for years, flown at the head of an ever-growing army, the Nobles of the Mystic Shrine.

The Imperial Potentates of the past have always followed this noble flag in great honor and dignity. May it reflect joy and happiness to you personally as you lead this mighty phalanx of God's noblemen under your own year of Shrine leadership. I congratulate you and them sincerely.

(Presentation of flag and applause ensued)

NOBLE JOHN D. COCHRAN: The Potentate of Murat Temple, Howard D. Foley, has a special flag to present to the Imperial Sir.

NOBLE HOWARD D. FOLEY: Illustrious Sir, I congratulate you. I have here from the Nobility of Murat Temple, the fourth largest Temple in Shrinedom, a flag that was sent to me especially to present to you on this day from Congressman William G. Bray. This flag contains a certification by the architect of the Capitol that it has been flown over our Capitol in Washington, D. C. He wants you to have this, Chick. Take it to Hogan territory and fly it well.

(Presentation of flag and applause)

IMPERIAL POTENTATE-ELECT HOGAN: Thank you, Illustrious Potentate. Also extend my heartfelt thanks to the Congressman. I will use it over my house or somewhere.

NOBLE JOHN D. COCHRAN: At this point we were to introduce Brother Robert L. Gilmore, Jr., Grand Master of Washington and Alaska. Unfortunately for us, our Most Worshipful Grand Master is in Alaska laying a Masonic cornerstone. We do, however, have present with us the Immediate Past Grand Master, Brother Audley F. Mahaffey.

BROTHER AUDLEY F. MAHAFFEY: Imperial Sir, I bring you congratulations of the Grand Lodge of Washington. May Allah bless you. (Applause)

NOBLE JOHN D. COCHRAN: We also have with us today the Honorable Virgil G. Francis, Thirty-Third Degree, Sovereign Grand Inspector General in Washington Scottish Rite Bodies, Southern Jurisdiction. He is a member of Afifi Temple and has so been for forty years.

IMPERIAL POTENTATE-ELECT HOGAN: Honorable Sir, your Fez being forty years old, I thought it would be proper to get you a new one.

(Presentation of new Fez and applause)

NOBLE JOHN D. COCHRAN: We are all indebted to Medinah Temple for their cooperation in presenting this Pageant and now it is a pleasure to introduce the Potentate of Mighty Medinah, William L. Backus.

NOBLE WILLIAM L. BACKUS: Imperial Sir, Medinah is always happy when we can do things for friends. In you we have indeed a very staunch friend who emulates the tenets of Masonry, friendship and also brotherly love. We are happy that we have weather that is somewhat similar to yours at home. We brought that in by special messenger today. (Laughter) We are looking forward to a wonderful visit with you at Medinah Temple on your official visit to be held on November 22nd. May you have nothing but the good you need and deserve. (Applause)

IMPERIAL POTENTATE-ELECT HOGAN: Illustrious Sir and Nobles of Medinah Temple and all others who have been so gracious to us in helping us with this great Pageant, we are grateful to you and want to thank you from the bottom of our hearts. Thank you very much. (Applause)

NOBLE JOHN D. COCHRAN: Our Imperial Potentate-Elect has some remarks and further introductions to make. The floor is yours, Imperial Sir.

IMPERIAL POTENTATE-ELECT HOGAN: I would like to take this opportunity of thanking a number of people, particularly our Pageant Chairman, Noble Clint Hull and also our Narrator, John Cochran and many others who are too numerous to mention.

I do also want to thank the Chanters of El Katif Temple of Spokane, Washington under the direction of J. Waldon Nelson.

I also want to thank our Band Director, Delwyn Jones for being here.

I also want to thank those individuals who were responsible for the putting together and editing of the film that you saw.

At this time I would like to call on our Imperial Chaplain who will give us a closing prayer.

THE REVEREND RANDALL W. LARSON: Let us pray.

O God, who art the Divine Architect of the Universe, the Supreme and Divine Noble of all in Shrinedom, we pause in this sacred and tender moment to express our appreciation and gratitude for all of the beauty and the loveliness of your world. We have been privileged to live in brotherhood and fraternity and in the midst of love.

In this world in which there is tragedy, horror and violence, we are grateful for all those who practice the precepts of free Masonry. In these sacred moments we would ask Thy Divine guidance upon our new Imperial Potentate. We are grateful for those who have led us in the past and as we face the future in a world waiting for the sunrise, we would ask that every member of the Hogan family might have the awareness and receptivity of Thy abiding precepts. They have been richly blessed and now we in Shrinedom are blessed for the leadership of this, another wonderful family. May we as Nobles give our leader the support, love, dedication and commitment that will lead Shrinedom to new heights of victory and glory.

These things we pray in the name of that great supreme Noble, our God and our Father. Amen.

(The Pageant ceremony was concluded by the Chanters of El Katif Temple singing the "Battle Hymn of the Republic.")

NOBLE JACK M. STREIGHT: I accept the honor and I concur in all of the nice words and other things expressed here today by the Imperial Council members. I am only too glad to give the duty to Woody Bennett next year of Imperial Marshal. (Laughter and applause)

IMPERIAL POTENTATE SEAY: The next order of business is nominations for the office of Imperial Marshal. I recognize Noble Everett H. Trunk.

NOBLE EVERETT H. TRUNK: Imperial Potentate, Imperial Sirs and fellow Representatives to this Imperial Council Session: It is a pleasure for me to nominate as Imperial Marshal our present Imperial Captain of the Guard, Woody W. Bennett of Ararat Temple of Kansas City.

Are there further nominations? There being no further nominations, I move that nominations be closed, that the rules be suspended and that the Illustrious Potentate of Ararat Temple, Richard W. NOBLE PETER VAL PREDa: Imperial Sir Tom, Imperial Sirs and Illustrious Sirs and Representatives: Last year, as you will recall, I was unable to talk and so I was unable to thank you as I would like to do right now for the pleasure of last year and again for electing me this year to the office of Imperial Captain of the Guard. I will work hard and I will be around and see all of you as often as I can. Imperial Sir, I do accept. Thank you. (Applause)

IMPERIAL POTENTATE SEAY: Now then, the next order of business is the nomination of candidates for the office of Imperial Outer Guard.

I am going to call the names of the candidates that have properly registered their names as candidates. They will be called up on the stage and their names put in a hat and a drawing made to see who is the first to be nominated. After this is done, we shall then ballot.

Fred R. Morrison of Moslem Temple, will he please come to the stage. (Applause)

Harry J. Stith of Sabbar Temple from Arizona. (Applause)

Harvey W. Smith from Sudan Temple. (Applause)

Warren F. Weck, Jr., of Zuhrah Temple. (Applause)

(Whereupon, the drawing then ensued for nominating positions.)

IMPERIAL POTENTATE SEAY: Let me say at this point that while the ballots are being counted with regard to this first ballot, we will return to the Palmer House for lunch and then the afternoon session will be reconvened back in the Grand Ballroom after our luncheon.

Now, Nobles, the number one man is Warren F. Weck, Jr. He will be nominated by Noble N. Theodore Waldor.

NOBLE N. THEODORE WALDOR: Imperial Sir, Imperial Sirs and Imperial Representatives to this Ninety-Fourth Imperial Council Session: If you desire a young man with a world of experience and a wealth of background for the office of Imperial Outer Guard, a man who is now only forty-four years of age and who will still be a young man when he is Imperial Potentate, who is in excellent health and who is full of the vitality required to withstand the vigorous years on the Imperial Divan — a man with a pleasing personality and fine qualifications as a member of the Imperial Line — who is a regular fellow and yet always conducts himself with true dignity — a diligent teamworker and inspiring leader and effective speaker — a man who is most successful in his business career, being Vice-President of one of the largest Minneapolis banks, which is solidly behind him in this endeavor — a man who has a fine legal mind and who is a graduate of the University of Minnesota Law School — a man who is financially able to take all the time necessary through the years — a man who is a fine Mason and has a fine Masonic background and who is one of the most popular and successful Potentates of Zuhrah Temple — a man who has the one

hundred percent backing of myself as Potentate, of the Divan and of the Past Potentates and our some 12,000-odd Nobles — a man who is a devoted family man, who has a wonderful family and also will fit very well into the Imperial family — then I urge you to cast your ballot for the man from Minnesota, Warren F. Weck, Jr.

I take great pride in being accorded the privilege and honor to place in nomination Warren F. Weck, Jr. for the office of Imperial Outer Guard. Thank you very much. (Applause)

IMPERIAL POTENTATE SEAY: I will now recognize Noble Gene Bogard.

NOBLE GENE BOGARD: Imperial Sir, Imperial Sirs, fellow Representatives and Nobles all: It is my pleasure, as Illustrious Potentate of Sabbar Temple, to nominate one of our Past Potentates, a man from the southwest.

Fifty-four years ago in May, Harry came from the great State of Illinois. He migrated west to Montana. He first became a Shriner in Butte, Montana, Bagdad Temple. He then moved to Tucson, Arizona, where he helped organize one of the finest drum and bugle corps in the west. For approximately five years he worked diligently and was appointed and then later elected Potentate.

He is a successful businessman and does have the time to give as an Imperial Officer. He is likewise a husband, father and grandfather.

Therefore, it is my privilege to present and place in nomination for your consideration Noble Harry J. Stith of Sabbar Temple for the office of Imperial Outer Guard. (Applause)

IMPERIAL POTENTATE SEAY: I would like to have Noble Marvin Lane now approach the stage.

NOBLE MARVIN LANE (Moslem Temple): Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives to the Ninety-Fourth Imperial Council Session: First of all I would like to deviate from my regular remarks and congratulate my friends who have just been elevated in the Imperial Line. I have worked for all of them, know them well and would like to congratulate them on their advancement up through the Line to the office of Imperial Potentate.

Of the great responsibilities that confront this body, the election of our Imperial Outer Guard stands high. Obviously, the recipient of this office will very likely, in ten years, be elected to the awesome responsibility of the office of Imperial Potentate of our great organization.

The responsibility bestowed upon you as Representatives of your Temples demands that you select and select well the outstanding and best qualified man for this high office.

You have seen and had an opportunity to evaluate the candidates and it is your duty to exercise critical judgment, to do your level best to the Shrine.

Moslem Temple presents and proposes to you an exceptional man, one extremely well qualified through ability, tremendous vitality, wisdom, character and one endowed with an untiring zeal to further our great cause. I have reference to our Illustrious Past Potentate Fred R. Morrison.

Fred is a self-made and extremely successful businessman, being the founder and the owner of the Morrison Carbonic Company and its subsidiaries. He is also a Past President of the Michigan Ice Cream Manufacturers Association, a Past President of the Michigan Drug Travelers Association, a member of the Greater Board of Commerce of Detroit; consultant and advisor to the Boy Scouts of America and the Wayne County Youth Council.

He is a member of both the York and Scottish Rite bodies and a member of the Royal Jesters.

He has served and is serving his Temple as a member of the Finance Committee. He is of Irish and Scottish ancestry. He is fifty-three years old. He has a charming wife and family. Two of his sons and one son-in-law are Masons.

He is a member of the Lutheran Church.

Fred Morrison was appointed Director General of the 1967 Imperial Council Session slated for Detroit until the untimely death of Moslem's Deputy Imperial Potentate, Charles E. Merrill. This grieved the Temple and shattered a long-held dream.

Fred sincerely regrets his inability to visit with each and every Representative of this Convention during his campaign which commenced in January. Time just did not make this possible. There are a lot of Temples in North America. He has, however, visited from Hawaii to Florida and from Maine to California over 100 of the 169 Temples, thus at least giving most of you an opportunity to meet our candidate, to evaluate his qualifications and to be inspired by his vitality, his enthusiasm and devotion to the Shrine and to the warmth of his personality.

Seldom in a man's lifetime does he have the opportunity to propose to this beloved organization a candidate for the Line, a true Mason and Shriner in every sense of the word — a person in which one can, with true confidence, place responsibility in.

Imperial Sir, I now place in nomination, for the office of Imperial Outer Guard, Moslem Temple's Past Illustrious Potentate Fred R. Morrison. Thank you. (Applause)

IMPERIAL POTENTATE SEAY: I now recognize Noble Roy T. Lord.

NOBLE ROY T. LORD: Imperial Sir, Imperial Sirs, Imperial Officers and fellow Representatives: I too am grateful for the opportunity of placing in nomination the name of a friend. All through our Shrine careers we have been hearing the word "friendship," the word "brotherly love," etc. This comes to us from association one with the other.

For three years this great Shriner and this great Mason has come to the Imperial Council seeking the support of the Representatives so that he might have the opportunity to give service to the Imperial Council and to give the Imperial Council the benefit of a world of experience, not only in fraternal life but in the business world.

I am happy to be the friend of Harvey W. Smith and have been his friend for a long, long time.

There is something about the friends that we make over the years that is binding with us and I can say that this friendship stays with you year after year.

Harvey Smith is one of the most modest men that I have ever known, a man who in no way uses the word "I" but, in turn, you just have to pry from him some of the things you want to know. I needed to know a little bit more about him when I was asked to nominate him and so I got a little background, not from him, but from his very lovely and gracious wife.

I found that as a boy Harvey had joined the Order of DeMolay and the one thing he remembered when he was initiated into that grand youth organization was a thing we were all concerned with — love for our parents. After his initiation, he went home and put his arm around his old mother and said, "Mother, I've started a career that I have thought about for a long time. I hope it leads me into Masonry and the Shrine."

This is exactly what happened because, following his years in the DeMolay and service in the various offices there, he became of age and joined Masonry. He was Master of his Blue Lodge. He was a District Deputy for the Grand Lodge of North Carolina and later its Grand Master. His life is imbued with the spirit of fraternalism and when we imbue within ourselves the spirit of the fraternity we, in turn, have a heart full of compassion for our fellow men. This is the biggest asset that Harvey Smith has, his big heart.

He is a successful businessman and has been for many years.

A native of the State of Indiana, he was educated in the New York area and then graduated from Washington and Lee University at Lexington, Virginia.

We are able, as in the case of these other candidates offered you today, to offer you a man of experience, a man with desire and a man that has an understanding of the principles that we all boast of so much as we come up through our Masonic Shrine circles. What more can we give to the Shrine than those people who are capable of carrying on year after year.

Harvey Smith will give to this very excellent Imperial Line additional experience and, of course, in the times in which we are living today, we need all the experience that God can give us. We are dependent upon one another in a critical era.

Therefore, Nobles, I hope that today you will cast your ballot for Harvey Smith. I love him as a man. You know, it is possible for one man to love another and I am doing this to him because I love Harvey Smith and, further, if you knew him as

well as I did, you would be standing here repeating the same words over and over again:

Therefore, it is with a heart full of friendship, one for another, that I place in nomination the name of my friend and yours, Harvey W. Smith, for the grand office of Imperial Outer Guard — a man from the great State of North Carolina. Now, as we saw in that beautiful pageant just a short while ago, "Look to the West," I ask you today to look to the south so that we can have some representation in this very fine Imperial Council.

It is my pleasure to place his name in nomination, the name of Harvey W. Smith, Past Potentate of Sudan Temple. (Applause)

IMPERIAL POTENTATE SEAY: Nobles, you have heard the nomination of four great dedicated Nobles. Are there other nominations?

Hearing no other nominations, I declare the nominations closed and I will ask Clyde Oliver to approach the stage and give you instructions as to how to vote.

Clyde, I think we should use ballot number one, the yellow ballot, in relation to the first ballot.

NOBLE CLYDE OLIVER: Imperial Sir and Representatives: I am sorry, I cannot tell you how to vote. However, I will be glad to tell you where to vote and in a few moments we will be casting our ballot for Imperial Outer Guard. Inasmuch as we are going to recess immediately following the voting, the members of my Committee will be waiting for you at the exit doors on the main floor where the Representatives are seated.

I would like to tell you just one thing, Nobles, and that is should we need a second ballot, then the first order of business this afternoon will be a report on this ballot. Therefore, I can only urge that you be in your seats at the time the report is given.

Now, as indicated by your Imperial Potentate, ballot number one will be used and any other ballots found in the ballot boxes will not be considered. Use ballot number one. Thank you.

IMPERIAL POTENTATE SEAY: Nobles, after you have voted, we will recess until two o'clock. The buses are at the side door. We will reconvene in the Grand Ballroom of the Palmer House for a continuation of our business session at two o'clock. Therefore, we urge you to be on time. Have all voted who wished? Then I declare the ballot closed.

We are now recessed.

(Whereupon, at 12:00 o'clock noon the session was recessed to reconvene at 2:00 o'clock p.m., in the Grand Ballroom of the Palmer House.)

AFTERNOON SESSION

WEDNESDAY, JULY 10, 1968

TWO O'CLOCK P.M.

The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom, Palmer House, Chicago, Illinois, Wednesday, July 10, 1968 at two o'clock p.m., Imperial Potentate Thomas F. Seay presiding.

IMPERIAL POTENTATE SEAY: I would like to ask the Representatives to be seated. Our first order of business will be a report from the Tellers Committee with regard to our first ballot on the office of Imperial Outer Guard. I will recognize Clyde Oliver.

NOBLE CLYDE OLIVER: Imperial Sir, Imperial Sirs and Representatives: It is with pleasure that I give you these results in relation to ballot number one for the office of Imperial Outer Guard.

There were a possible 708 votes. 682 actually voted. There were no spoiled ballots. Necessary for choice was 342. The votes were distributed as follows:

Noble Stith	21 votes
Noble Weck	152 votes
Noble Morrison	193 votes
Noble Smith	316 votes

(Cheers and applause)

IMPERIAL POTENTATE SEAY: As you all know, there is not a sufficient number to declare an election and so we will have to have another ballot. I now recognize Noble Harry Stith.

NOBLE HARRY STITH: Imperial Sir, Imperial Sirs and fellow Representatives and members of the Ninety-Fourth Imperial Council Session: I would like to at this time yield my votes to Harvey W. Smith. (Cheers and applause) I will be back and see you next year.

IMPERIAL POTENTATE SEAY: Nobles, I know you understand that no candidate can yield his votes.

I will now ask that you prepare your ballot on ballot number two, the blue ballot. I will now again turn the microphone over to Clyde Oliver for further instructions.

NOBLE CLYDE OLIVER: The Imperial Potentate has indicated that ballot number two will be used for the second ballot. If the members of my Committee will take their stations we will proceed to vote.

Nobles, may I also indicate this to you — that the voting will be done in the position in which you are seated. The ballot boxes will be passed between the rows and there will be no ballots cast in the rear or front of the room or out in the front. You must be seated in your position if you are to have your vote cast.

As indicated, we will use ballot number two, the blue ballot. Should there be any other than that ballot in the boxes, they will be declared void.

(Whereupon, the voting, collection of ballots and counting ensued.)

IMPERIAL POTENTATE SEAY: Have all voted who wished? Then I declare the ballot closed. Now, Nobles, I am sure that all of you are interested in our Burns Institutes. We have with us Dr. Larson of Galveston, Texas, who is going to speak to you and show you some slides which will enlighten you, I am sure, because it did me, as to just what is happening in our Burns Institutes and what they are doing for humanity, as well as the many things that have been going on with regard to improving technique in relation to burns. I am having this done because I feel every Representative in North America should know more about what is being done in connection with our Burns institutions, what the Burns Centers are doing. Therefore, I ask that you be patient. We will try to push this along as fast as possible after you have heard Dr. Larson give his presentation.

Also, this will give the Tellers an opportunity to count the votes and then we hope that by the time Dr. Larson has completed his presentation that we will also be able to report to you on the election.

I am now happy to present to you Dr. Duane Larson from Galveston, Texas.

DR. DUANE LARSON: Imperial Sir, Imperial Sirs, Illustrious Sirs, fellow Nobles and team members all: The reason that I say "team members all" is the fact that each one of us is on a team. It is one of the finest teams I have ever played with. All of you throughout the country have been helpful in bringing these young children to us so that they can have the finest care we hope to give. For this I thank you for your fine cooperation.

I would now like to show you some slides.

First of all, let me say that fire is one of our greatest enemies, especially in relation to children. I am sure all of you can understand what havoc it wroughts in relation to family life. When, for instance, you hear a father tell of his child flying a kite and then, as a result of a wind or something, the kite becomes enmeshed in high-tension wires and then a ball of fire goes along that wire and hits the child and the child likewise goes up in flames like an airplane, then you know what some of these horrors can mean. There are many horrible stories such as this that we hear about almost daily. However, fortunately, we can do something about it.

There are many doctors and many hospitals that do not like to take care of burns and, of course, this is understandable. Burned patients are very difficult patients to take care of. They require real teamwork by many individuals in order to give them the best chance for survival and the best chance for rehabilitation.

That is why you have built these Burns Institutes, why you have three of them — two of them operating and the other one to be operating in the Fall.

Let me say that physiologically a burn is a horrible injury to the body. It is an extremely complicated type of injury and this is why we require keen efforts to look into this.

Further, the physiological trauma involved occurs throughout the entire body, even though the skin may be the only thing that has been damaged. We know, on the other hand, that though on superficial examination the skin may be the only feature of the body damaged, that, nevertheless, liver functions, kidney functions and other organ functions as a rule are also abnormal in performance.

Psychologically, these children likewise believe every bit of emotional trauma as you or I. Many a night I have held a child in my arms quivering with frightening fear, with horrible nightmares of the burning going on again. Many times I have lived from minute to minute with a mother and father while they were hoping that their child would live.

Burns are different from other forms of injury. Life here is not related to but a moment or two but, on the contrary, to many months. A child may be alive and doing well today and may be dead within a minute from now. Therefore, we live with them and help them until finally one happy day that child can walk out of the hospital and return to his or her loved ones and to their own family and, of course, the family cost here is tremendous.

As a matter of fact, it takes anywhere from 10 to \$15,000 to care for an acute burn and then, when you add reconstructive surgery, some of these costs have added up to as high as \$80,000.

The greatest cause of burns is gasoline burns. The next most common is open fire burns. This accounts for, let us say, some twenty-one per cent of our burns cases.

We find, from our statistics, that eighty per cent of the children burned by open fire are girls but, on the other hand, the majority of boys are burnt by gasoline, such as in relation to cleaning paint brushes in a garage or pouring gasoline into the carburetor to get the car started.

Possibly the most common burn of all is the scald burn.

You know, many a day as I stand watching a plane with a patient in it circling over our Hospital I wonder how bad that case is. I wonder whether it is going to live and, if that child lives, what will be his life's function.

Now then, I would like to describe to you very briefly the procedure that takes place when a child is delivered to us.

(Whereupon, through the use of various 35-millimeter color slides, Dr. Larson explained in detail the admittance procedures, supervision procedures and general surgical procedures used on children admitted to the Burns Institute at Galveston with various degrees of burns.)

DR. LARSON: In conclusion, let me say that what I have endeavored to do in this very brief period of time, through the use of these colored slides, is to give you some idea of the types of cases we see, their appearance upon admission and also how they appear after leaving the hospital and after various surgical procedures have been performed upon them in order to rehabilitate them as much as possible.

I would like to emphasize to you one important point and that is that we have now cut our death rate from burns in half in connection with the establishment of these Burns Institutes. We have only had a fifteen per cent mortality for this year. Therefore, we say that if you can provide these children with the means of transportation to an area where they can be taken care of by one of our Units, regardless of where they may come from, that success, at least in many cases, is assured.

Let me also indicate that because of our specialty in relation to burns we have had surgeons from all over the country come and train with us. These surgeons have come from South Vietnam, Germany, Southeast Asia, Japan, Canada, Mexico and from other South American countries. They have been training with us in order to learn the technique of burns care.

I could go on, as I said before, and show you some reconstructive cases we have been doing in more detail but I think you understand what we are trying to do. In closing, let me thank you for your patience in listening to our story. I hope it has in some manner conveyed to you our efforts in relation to the treatment of burned

children and that this, in turn, will give you more insight for comments when you are talking to your friends about our work.

I just want to end with these words — again, thank you on behalf of the medical and scientific staff of the Burns Institute at Galveston, those in Cincinnati and those coming up. Thank you for giving us wonderful facilities so that for the first time in our lives we can really attack the problem and do something for these children and, lastly, on behalf of the many, many grateful hearts, in behalf of those children who have been in our Institutes, who are in there now and those to come. For all of these, thank you with all of our hearts. (Rising sustained applause ensued)

IMPERIAL POTENTATE SEAY: Nobles, after listening to Dr. Larson and seeing these slides, if you are not proud to be a Shriner, then your heart is in the wrong place. Now I believe you can see why I wanted Dr. Larson to come to this Imperial Council Session and present to you this story. This is also the reason for the request of some \$7 million to build two additional Units. Of course, however, we have to realize that we cannot let our hearts control our minds and our heads and that is the reason I explained to you that I did not come to you and ask for these funds to build two new hospitals because I felt, and I think most of the Divan felt, that we should wait another year, at least until we were completely through with Cincinnati.

I am very grateful to Dr. Larson for coming here this afternoon and spending these brief moments with us and showing you Representatives, as well as your Imperial Officers, just exactly where your money is going. Thank you very much, sir.

Now then, may we have the report from Noble Clyde Oliver with regard to the second ballot.

NOBLE CLYDE OLIVER: Imperial Sir, Imperial Sirs and Representatives all: First I would like to tell you that all ballots and ballot boxes have been accounted for. It is also a pleasure to give you the result of the second ballot for the office of Imperial Outer Guard.

Possible votes, 758; actually voting, 718. There were no spoiled ballots. Necessary for choice, 360. The votes were distributed as follows:

Noble Weck, Jr.	109
Noble Morrison	219
Noble Smith	390

(Cheers and applause)

IMPERIAL POTENTATE SEAY: Just a moment. The Chair recognizes Noble Fred Morrison.

NOBLE FRED MORRISON: Imperial Sir, Imperial Sirs, fellow Representatives: I want to thank you all for being so wonderful to me and for supporting my candidacy. If my Temple elects me a Representative next year I will be back, I assure you.

At this time I would like to make a motion that this assembly cast a unanimous ballot for a great Mason, Harvey Smith, for the office of Imperial Outer Guard.

NOBLE WARREN F. WECK: Imperial Sir, Imperial Sirs and fellow Representatives: I would like to second the motion that this be a unanimous ballot for Harvey W. Smith. I would also like to thank those of you who supported me and would like to tell you that I likewise shall be back again next year. (Applause)

IMPERIAL POTENTATE SEAY: You have heard the motion and the second. All those in favor indicate by saying "Aye," opposed? The motion is unanimously carried. (Applause)

I would like to have Harvey Smith approach the podium. Harvey, do you accept?

NOBLE HARVEY W. SMITH: Imperial Sir, I accept. (Laughter)

You know, this has been a long hard travel that I have made in the last three years and I thank everybody, especially those who have been dedicated to me and for having their faith in me. I know that when the pages of history are written all of you will know that your faith has been well-founded.

You know, I feel a little embarrassed up here because I have been trying so hard to get elected to the Imperial Divan that I did not realize I would have to make a little speech when I finally got here. (Cheers and applause) Therefore, as you can see, I do not have one with me and whatever I say is from the heart.

At any rate, again, I want to thank all of you and hope that you will be glad that you acted as you did, especially as I rise in the Imperial Divan Line.

Also, at this time I would like to extend thanks to my three competitors for trying to keep me off the bottom of the Line. (Laughter) It has been a fine campaign, really clean and very few rumors. At any rate, thanks again and, of course, I appreciate everything. (Applause)

IMPERIAL POTENTATE SEAY: Congratulations, Harvey.

(At this point, the election of Trustees, Directors and Officers for the Colorado corporation ensued. See Colorado Proceedings.)

IMPERIAL POTENTATE SEAY: Nobles, I believe that concludes our election. Also, as I look upon this agenda, it completes all of the agenda items scheduled for this afternoon. However, inasmuch as we do have many items coming up, perhaps we should spend the rest of the afternoon on Committee reports.

Therefore, at this time, I am going to call upon Imperial Sir Orville Rush to report as Chairman of the New Burns Center Committee.

NOBLE ORVILLE F. RUSH: Imperial Sir and fellow Representatives: After that wonderful presentation by Dr. Larson with regard to our Galveston Burns Unit, your Imperial Potentate and I thought that this would be an appropriate time in which to give the report of the New Burns Center Committee. Therefore, I am happy to present the following report:

REPORT OF THE NEW BURNS CENTER COMMITTEE

In the Fall of 1967, Imperial Potentate Thomas F. Seay appointed a committee to explore the feasibility of future possible expansion of the Shrine Burns program and to consider applications for proposed sites for additional Burns Institutes.

During the past few months, new and renewed applications have been received from the following Medical Schools:

Duke University Medical Center, Durham, N. C.—Research Triangle of N. C.

University of North Carolina Medical School, Chapel Hill, N. C. and Research Triangle of North Carolina.

The Medical College of Virginia, Richmond, Virginia.

University of California Medical School, Davis, California.

University of California Medical School, San Diego, California.

University of California, San Francisco Medical Center.

Stanford University Medical School, Palo Alto, California.

Pacific University Medical School, California.

University of California Medical School, Irvine, California.

University of Southern California School of Medicine, Los Angeles, California.

The University of California Los Angeles Medical School, Los Angeles, California.

University of Oregon Medical School, Portland, Oregon.

The Medical School of the University of Western Ontario, London, Ontario, Canada.

University of Florida Medical School, Gainesville, Florida.

University of Alabama Medical School, Birmingham, Alabama.

Emory University School of Medicine, Atlanta, Georgia.

Northwestern University Medical School, Chicago, Illinois.

University of Arizona Medical School, Tucson, Arizona.

University of Washington Medical School, Seattle, Washington.

University of British Columbia School of Medicine, Vancouver, B.C., Canada.

George Washington University Medical School, Washington, D. C.

University of Colorado Medical Center, Denver, Colorado.

University of Nebraska College of Medicine, Omaha, Nebraska.

The University of Rochester School of Medicine and Dentistry, Rochester, New York.

State University of New York Upstate Medical Center College of Medicine, Syracuse, New York.

The University of Tennessee College of Medicine, Memphis, Tennessee.

On instructions of Imperial Potentate Seay, your chairman or Committee members made site visitations to several of the above institutions, however, both the Imperial Potentate and the Committee feel that additional site visitations should be effected, all applications thoroughly considered, and results of the operations of the present Burns Institutes thoroughly evaluated before making any determinations.

Due to unexpected delays, the Cincinnati Unit was only recently put into full operation and the Boston Unit will not be opened until late this Summer.

It is recommended that the Committee be continued so that full consideration may be given to the above mentioned applications and any additional which may be received.

This report is signed by all members of the Committee.

Respectfully submitted,

Orville F. Rush, Chairman

I move the adoption of this report.

(The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried.)

NOBLE JOSEPH C. RARY (Potentate, Yaarab Temple): Imperial Sir, I would like to be heard on the point with regard to the Burns Institutes.

IMPERIAL POTENTATE SEAY: Will you come to the microphone, sir.

NOBLE JOSEPH C. RARY: Imperial Sir, my name is J. C. Rary and I am the Potentate of Yaarab Temple, Atlanta.

You will notice that we have on the list of hospitals proposed Emery University Hospital, Atlanta. I would like to say that we in Atlanta, Georgia are proud of the Scottish Rite Hospital in Decatur, Georgia. We are losing the Scottish Rite Hospital in Decatur, Georgia to the Georgia Baptist Hospital down in Atlanta. Some of you may not know it but this was the forerunner of all of our Orthopedic Hospitals throughout Shrinedom. This is the granddaddy of them all.

It is hard for us to keep the Scottish Rite Hospital at Decatur filled at this time, even in the area of Atlanta, with over a million population. However, I wonder how many Potentates here assembled have had the embarrassing situation which I have had in Atlanta and in relation to Yaarab Temple, calling Dr. MacMillan, Dr. Larson and these others and telling them to put it in writing so that I can come to you and present this information to the effect that they cannot take these burned children.

Fellows, I worked all night one night in order to get a child from the Georgia mountains burned in a house up there to a hospital.

Now, all that I am trying to say is that if we are going to ride this buggy, let's put a horse in front of it and run it. I have heard about this "poor mouth" business — to the effect we are going to go broke. Are we going broke? Can we afford it? Can we afford the hospitals we have? I am wondering.

We don't care whether you bring these patients to the Emery University Hospital or not but we believe we have enough first-class applications there that a decision can be made and that it should not be put off.

Imperial Sir Rush, I don't mean to throw cold water on your report but I think this is just delaying things. You can see how long it has taken to get the Boston Unit going. You can see how long it has taken to get the Galveston Unit going, also Cincinnati.

Let's do something now. The Georgia Baptist Hospital not only says they will take Scottish Rite Hospital into their complex but they are also going to build a burns institute in it. Therefore, I believe we are going to arrive too late.

You know, we have been doing all the spadework in relation to these units. We have done all of the expensive work and yet these other service organizations are bound to come in and pick up the spade and go to work and build some hospitals. This I know is something they are going to do.

Now, I know this report has already been adopted but this does not affect that. However, at the same time, if you have had children turned down because you could not get them into a Burns Institute, I know how embarrassed you likewise have been.

You know, this has happened to us and it has been real embarrassing. For example, we had one patient admitted to the Cincinnati Burns Institute which would not have lived twenty-four hours. Dr. MacMillan took this child as an emergency case and that child is living today as a result of his having taken this child as an emergency case. His little sister was not quite so severely burned but, on the other hand, two of the other children in that family lost their lives and, likewise, their mother and father were also burned.

In other words, let's quite trying to travel on sympathy in connection with these burn cases. Let's quit selling a product we cannot offer. This is exactly what we are doing unless we pick up here. In other words, let's get more hospitals established so that we can go ahead and treat these burns cases. I think we should not delay. I merely desired to say this with regard to the report just presented and adopted. (Applause)

IMPERIAL POTENTATE SEAY: Judge Wilson has asked for the floor.

NOBLE ROBERT GARDINER WILSON, JR.: Imperial Potentate and Nobles: I agree with many of the sentiments that have been expressed by the gentleman and Noble from Atlanta. We have, of course, already accepted the report of the Special Committee on Burns, which has been read by Imperial Sir Rush and which provides that further immediate study be made and further investigation be made.

I was a little disappointed to hear that we had been turning down burns cases because in the Boston Unit, where we have one of the interim units in operation, we were guaranteed five beds while we were completing the hospital and have had no occasion where we have yet to refuse a burns patient. I assure you that when that great hospital opens later this year there will be facilities in that section of the country.

I also agree that we will need more burns units. We are learning a lot from the construction of our first three.

I believe one is needed in the southeast and, in accordance with the earlier remarks of our Imperial Potentate, I believe one is needed in the northwest or the west. However, I strongly believe that we should stand by the report of Imperial Sir Rush's Committee, a report which has already been approved. (Applause)

IMPERIAL POTENTATE SEAY: What you say, Noble, is true. However, we are here to learn and we have to have time to learn. That is why I was very happy to let you speak on the subject.

(Business was transacted in the Colorado corporation at this time.)

IMPERIAL POTENTATE SEAY: The Chair now recognizes Noble Peter Val Preda.

NOBLE PETER VAL PREDA: Imperial Sir, Imperial Sirs and Representatives: This is not a very long report. This is the report of the Temple, Unit and Shrine Club Study Committee. We have made our recommendations to our Legal Counsel, which he will present later on I understand. It will be presented in relation to recommended changes in the By-Laws. Therefore, unless you request me to read the five-page report, I will just hand it in for the record. What is your wish?

(Cries of "Hand it in.")

NOBLE PETER VAL PREDA: Very well, I shall do so.

(There follows the report of the Temple, Unit and Shrine Club Study Committee as follows:)

REPORT OF TEMPLE, UNIT AND SHRINE CLUB STUDY COMMITTEE

During the past year your Committee has devoted its time, principally, to a study of the Internal Revenue Code and the applicability of the provisions thereof to

Shrine Temples, Units, Shrine Clubs, and their appendant and affiliated organizations and corporations, although other pertinent matters have received our attention also.

The Imperial Council and its subordinate Temples as a group, has been granted a letter of exemption from federal income tax under Section 501(c)(8) of the Code as a fraternal beneficiary society. It is not a charitable organization as many apparently believe. The regulations under that Section of the Code provide that "To be exempt a fraternal beneficiary society must be operated in furtherance of its fraternal purposes and may not engage in business activities of a kind carried on for profit, except that the carrying on of activities which raise revenue from members and their guests will not deprive the society of its exemption."

Temple and Shrine Club holding companies may apply for exemption under Section 501 (c)(2) of the Code, but if any such holding company engages in any business other than holding title to property, collecting the income therefrom and paying it over to an organization which is itself exempt from tax, it will not be granted such exemption.

Section 511(a) of the Code imposes a tax upon the unrelated taxable business income of certain organizations otherwise exempt from federal income tax. Those organizations may pay tax upon such unrelated taxable business income and maintain their exempt status as to other income. That Section does not apply to us, however, and if a Shrine Temple, a Shrine Club, or one of their holding companies is found to have business income it may lose its exemption, and if so all of its income, including that from dues and initiation fees will become subject to income tax.

Despite the foregoing, we believe that the climate now is better than it may be six months or a year from now for obtaining a tax exemption letter, and we recommend that each affiliated or appendant corporation of a Temple, including holding companies, and each Shrine Club holding company which does not now have a tax exemption letter from the Internal Revenue Service, prepare without delay the necessary application forms for such exemption letter; however, before filing such application with the District Director it should be submitted to the Imperial Recorder's office for the attention of the General Counsel. It is contemplated that the General Counsel will make recommendations in each individual case based upon the facts disclosed or found in each instance.

Early in our deliberations we were concerned that an Internal Revenue Service audit of the affairs and activities of one of our Temples, or of its appendant or affiliated organizations, might disclose facts which would result in the termination or revocation of the exempt status of the Imperial Council and all of its subordinate Temples. Revenue procedure 68-13, dated March 18, 1968, appears to have solved that problem. It provides that if the Service determines that a subordinate included in a group exemption letter no longer qualifies for exemption under Section 501(c) of the Code, the group exemption letter will no longer apply to such subordinate, but will otherwise remain in effect. The danger to individual Temples is still very much present, however, and if the Service should determine that one Temple no longer qualifies for exemption we may expect, at the very least, audits of our other Temples. We therefore further recommend that any Temple, or any affiliated corporation or Temple holding company, or Shrine Club or Shrine Club holding company, which now has or may hereafter have an income tax exemption letter, and which at any time has reason to suspect that its exempt status may be in jeopardy because of a change in its activities or operations, or otherwise, submit to the Imperial Recorder's office, without delay, for review by the General Counsel, a detailed statement of its present activities as compared to those existing at the time of its application for such exemption letter. Revenue procedures 67-3 provides that a revocation of an exemption ruling may be retroactive if the organization operated in a manner materially different from that originally represented. It is contemplated in each case that the Imperial Recorder shall have the right to request, require and obtain such information as he shall deem necessary, and we recommend that it be made the duty of each Potentate to see that any such request be complied with fully.

We further recommend that the Potentate and/or Recorder of any Temple receiving notice of an impending inquiry or audit with respect to the income tax status of such Temple or of any affiliated organization or corporation, immediately notify the Imperial Recorder's Office, by telephone if necessary.

Apparently the Internal Revenue Service draws a distinction with respect to fraternal organizations, between "active" production of income, such as engaging in business for profit, either directly or through an affiliated organization, and the "passive" production of income, such as through the receipt of income from investments. Many fraternal beneficiary societies have insurance programs for their members, and it is considered that the receipt of income from investments is to be expected and does not constitute engaging in business for profit. Likewise, the conducting for profit of an annual circus or athletic event will not jeopardize the exempt status of a Shrine Temple, particularly if the net income therefrom, or a substantial portion thereof, is earmarked for and paid to one or more charities, such as our Hospitals.

The activities of associations of Shrine Units, particularly at their meetings, has been brought to our attention. Since such associations may have some tort liability which may sift through to their member units, or to the individual Temples whose units are members of the association, we recommend that each of them submit to the Imperial Recorder's office copies of its Articles of Incorporation, if any, bylaws, and annual financial statements and record of insurance coverage. We further recommend that any group of Nobles contemplating a prospective association of Shrine Units notify the Imperial Recorder's office of an intention to organize as such, and submit such information in connection therewith as may be required. We further recommend that the production of any such documents or information regarding such present or prospective associations be required by general orders of the reigning Imperial Potentate, if necessary.

We recommend that Shrine associations, both regional and state, keep member Temples advised as to proposed tax and other legislation which may affect such member Temples.

Respectfully submitted,

Peter Val Preda, Chairman

NOBLE PETER VAL PREDA: Imperial Sir, I move that this report be received as printed.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report be received as printed. Is there any discussion?

(The question was called for, the motion to receive the report as printed was voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE SEAY: I would now like to recognize Brother John L. Crofts, Sr., Most Eminent Grand Master, Grand Encampment of Knights Templar of the USA, for a few remarks.

BROTHER JOHN L. CROFT, SR.: Imperial Potentate, Imperial Sirs, distinguished guests, Nobles and Brothers: I am happy to have the privilege of coming here and doing the usual thing — that is, bringing to you Nobles the sincere fraternal greetings of the Knights Templar of the United States of America. Of course, I realize this is a little bit like bringing your wife's greetings to her children in her presence.

Let me say that if there are any of you who are eligible and who are not Knights Templar or who are not in the Thirty-Third Degree Scottish Rite, I don't want you to tell me about it and spoil my dream — just go home and correct the error of your ways. (Laughter)

I say to you that it is my conviction that Free Masonry is composed of all its parts and those who have the responsibility of leadership should behave like partners. Therefore, I offer on behalf of the Knights Templar of the United States, every cooperation and support to the Shrine so that during the coming year you might build a greater and stronger Shrine than we have ever had. Also, I expect the support of the Shrine so that we, in turn, may build a greater and stronger Templar during the coming year and then, between us and with the help of that great Scottish

Rite, which, I observe, takes good care of itself, we will project to the community an image which will convince perhaps more of the individuals in the community that Free Masonry has the answer to today's questions.

It has been a pleasure to be in your company and, in conclusion, may I offer Noble Hogan every cooperation and all good wishes during the coming year.

Thank you very much. (Applause)

IMPERIAL POTENTATE SEAY: We have a very distinguished guest with us, an individual who is a friend of all Masons, Brother George A. Newbury, Head of the Northern Jurisdiction of Scottish Rite. Would you like to say a few words to the Nobles?

BROTHER GEORGE A. NEWBURY: Illustrious Sir, Illustrious Sirs and Nobles all: It is a real pleasure to bring you warm, fraternal greetings from the Scottish Rite of Free Masonry and in view of the absence of our much beloved Sovereign Grand Commander from the Southern Jurisdiction, who could not be with us, I am also going to tender you greetings from him as well. As many of you know, his wife is very seriously ill and has been for some time and, therefore, he doesn't feel that he can leave her and, of course, properly so. I am sure that under similar circumstances he also would bring my greetings if the situation were in reverse.

It is wonderful to stand here and look at this great assembly of Shriners and Masons. I was delighted with the presentation this morning, which certainly centered around the family. We certainly have a wonderful family to lead the Shrine during the coming year.

Masonry is very definitely a family organization, a family organization in many senses, because, certainly, our wives, children, grandchildren, great-grandchildren, in some instances, are very much a part of Free Masonry.

We are also a family in another sense—in that we are a family of Masonic organizations. We start with the Symbolic Lodge, the members of the York Rite, the Scottish Rite and the Shrine, one of the brightest stars in the family of Free Masonry.

It is a great joy to be with you and bring you these greetings and wish you every success for this meeting and in the coming year and the years to come.

It has been wonderful to be with you. Thank you very, very much. (Applause)

IMPERIAL POTENTATE SEAY: I wish to thank our last two speakers for their presence here and for their remarks.

Now, Nobles, we do have some business here. There are a lot of things we can get in yet this afternoon which are scheduled for tomorrow. Therefore, I hope you will excuse me for bringing them in at this time.

I would now like to call on our Imperial Recorder, George M. Saunders, for a report of the Shrine Rooms Committee.

(At this point several members of the assembly expressed a desire to merely have the report filed.)

IMPERIAL POTENTATE SEAY: In accordance with your wishes, I will entertain a motion that we receive and file the report and that it later become a part of the Proceedings. Is there such a motion?

(It was severally moved and seconded that the report be received, filed and made a part of the printed Proceedings.)

IMPERIAL POTENTATE SEAY: You have heard the motion and the second, is there discussion?

(The question was called for, the motion to receive and file the report was then voted upon and declared to be unanimously carried. The report therefore appears as a part of this record below.)

REPORT OF THE SHRINE ROOMS COMMITTEE

To the Representatives of the 94th Annual Imperial Council Session, A.A.O.N.M.S.:

The George Washington Masonic National Memorial in Alexandria, Virginia, is the pride of every Mason in this country. The Imperial Shrine Rooms, located on the ground floor of the Memorial, are the pride of every Shriner, and rightly they should be for every year thousands of visitors, Shriners and non-Shriners alike, visit the three

Shrine Rooms and enjoy the magnificent exhibits presented by the Imperial Council. During the present year 77,221 persons including 2,104 from 30 countries signed our register. No other place is the Shrine so much on display.

The Shrine Rooms Committee met twice during the past year, both meetings were held in the Memorial itself and both meetings were well attended. At the meeting of August 18, 1967, the following recommendation was unanimously endorsed by all present:

It is recommended that no Noble be employed to work in the Shrine Rooms after his 65th birthday and no Noble be allowed to work after his 70th birthday.

The Imperial Potentate concurred in the recommendation and ordered the same put into effect.

Effective February 5, 1968, Noble Herbert H. McMurray of Arlington, Virginia, was appointed Chief Custodian of the Shrine Rooms. Effective February 17, 1968, Nobles William C. Plaughter of Alexandria, Virginia, Glen W. Jones of Hyattsville, Maryland, and James R. Turner of Bowie, Maryland, were appointed Custodians. The committee's observations of these four Nobles subsequent to their employment show them to be most satisfactory in every way.

At the meeting of April 5, 1968, the following recommendation was unanimously endorsed by the members present:

It was recommended that Noble Fred M. Hoffman, age 78, who was employed in Shrine Rooms for 15 years and was retired on March 2, 1968, in accordance with the policy heretofore adopted, be paid a pension of \$100 a month by the Imperial Council. It was likewise agreed that Noble Andrew H. Schwarzman, age 83, who was employed in Shrine Rooms for 11 years and was retired on February 17, 1968, for the reasons previously stated, be paid a pension of \$75 a month by the Imperial Council.

This recommendation was presented to the Imperial Council for their consideration. The following additions and changes were made during the past year:

The rent paid by the Imperial Council to the George Washington Memorial Association, heretofore paid in arrears, was brought current with the understanding that it be paid currently hereafter.

The oriental rug in the Imperial Room was treated and moth-proofed. The Fez Case and the Parade were professionally cleaned which added greatly to their appearance.

A new diorama of the Winnipeg Unit has been sent and the one of the Cincinnati Center is now being built. Request has been made for a replacement for the Houston Unit as well as a new one of the new Boston Center.

During the period of June 1, 1967 to May 31, 1968, \$17,684.76 were spent on the rooms. The greater portion of this money covered salaries, rent, telephone and incidentals. No major expenditures are anticipated during the coming year.

Your committee feels that the Shrine Rooms are in excellent condition and will continue to be a major attraction in the Greater Metropolitan Washington, D. C. area.

Respectfully submitted,

IMPERIAL POTENTATE SEAY: I would like to take just a moment here and have Harvey Smith approach the podium. Your Imperial Recorder wants to present you

with something that is going to take many hours of your time for the rest of your life. (Applause)

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Nobles: Harvey, these stars that you see on the Fezes of these Imperial Officers are supposed to exude brilliance. It is a genuine pleasure for me to present to you three stars in the name of this Imperial Council so that you might properly decorate your Fez this evening. You are now one of the Imperial Family and I sincerely congratulate you and the Imperial Council.

(Presentation of stars and applause ensued.)

NOBLE PETER VAL PRED: Imperial Sir, Imperial Sirs and Nobles all: I have been given the pleasure of presenting Harvey with his new Fez, which was given to me to present to him by his Temple, the people from Sudan Temple. Therefore, Harvey, it gives me a great deal of pride and joy, in behalf of the membership of your Temple, to present you with your new Fez at this time.

(Presentation of Fez and applause)

IMPERIAL POTENTATE SEAY: Harvey, let me say to you that you will be involved in many, many hours of work but, at the same time, you are going to meet some of the finest people in the world, the Nobles throughout North America. Therefore, congratulations and best wishes to you.

(Business was transacted in the Colorado corporation at this time.)

IMPERIAL POTENTATE SEAY: Nobles, we are now ready to recess until tomorrow morning at nine-thirty. We want to leave this room with a prayer and, therefore, we will now stand while our Imperial Chaplain offers a closing prayer.

REVEREND TIMOTHY B. REEVES: Shall we stand. Let us pray.

REVEREND TIMOTHY B. REEVES: Eternal God, our Father, and the Father of all mankind, we Thy children come tonight to say thank you for many things — for the world in which we live, for the Nation that is ours as a heritage, for the Shrine that has meant so much and that cable tow uniting men in service to mankind. Tonight we honor the highest of all the leadership that has been ours this year, that through the years, in preparation for this, Tom Seay gave of himself and who, during this year, expressed the concern for children whose bodies have been burned, whose legs were crippled, whose bodies were maimed. Thank you, Lord, for his consecration, for his labors, his service. As we honor him tonight, bless this food to the use of our bodies and our bodies in a new commitment of service, in Thy name we pray. Amen.

IMPERIAL POTENTATE SEAY: Please be seated and enjoy your dinner.

(The serving of the banquet dinner ensued.)

NOBLE JAMES D. GREEN: Imperial Sir, Imperial Sirs, distinguished Masons all, Nobles and gentlemen: Because of the deadline of our newspapers and outside publicity, we are now going to call our meeting to order. At this time it gives me extreme pleasure to present to you our Imperial Potentate, Thomas F. Seay.

IMPERIAL POTENTATE SEAY: Imperial Sirs, distinguished guests, Nobles and ladies: Our newly-elected Imperial Potentate has a deadline press and so we will have to endeavor to go right along on schedule here during the evening.

Now, first of all, let me say that I have a pleasant duty to perform.

I wonder if Noble William Coffman is in the house? If he is in the audience, I would like to have him stand.

I would like to have my Aide, Phil Sheridan, escort Noble Coffman to the podium.

(Whereupon, Noble William Coffman was escorted to the podium.)

IMPERIAL POTENTATE SEAY: Nobles, I am about to engage in one of the greatest acts that I have had the good fortune to perform this year.

Now, we had decided that during this year we would include an Annual Shriner of the Year Award. This was to recognize one Noble who, in every respect, has made the most outstanding contribution to the cause of our great Fraternity and the world's greatest philanthropy during the year.

There is no question but that there isn't any other organization which has such a great variety and depth of talent as this organization has. We have within the Shrine many men who are eager to work industriously to contribute to the growth and welfare of the Order. However, on the other hand, there must, of necessity, have to be one man who stands taller in the crowd and whose achievements have no peer. Such a man is the winner this year of the Shriner of the Year Award.

The Award this year is being presented to William Coffman, Past Potentate of Islam Temple and Managing Director Emeritus of the Shriner's East-West Game. (Applause) Noble Coffman has been named "Shriner of the Year" and is accordingly presented this Award in testimony of our affection and regard.

Since its inception in 1929, Bill Coffman has been the guiding light behind the Shrine All-Star East-West Game and for all of those years the \$4,772,668 that have been collected from the game receipts were handed over to the Shriners Crippled Children's Hospitals. Also, hundreds of thousands of dollars more in contributions are creditable to the popularity of this great game.

Therefore, it is with a great deal of pleasure and honor that I am privileged at this time to present Noble William Coffman with this plaque in honor of his achievements for all of Shrinedom.

(Presentation of Plaque and rising applause ensued.)

NOBLE WILLIAM COFFMAN: Imperial Sir, ladies and gentlemen: I thank you for this recognition on my part in conducting of the East-West Game and my hope is, of course, that it will continue to contribute to the success that has already been engendered. Thank you very, very much from a very humble heart. (Applause)

IMPERIAL POTENTATE SEAY: It is with a great deal of pride that I do present this Award to you, Bill. I am so grateful to you, Bill. I have known you for many,

many years and Shrinedom is indeed proud of you as one of its outstanding citizens. May God bless you and keep up the good work. (Applause)

Ladies and gentlemen, there are so many distinguished guests here tonight, so many people who should be introduced, that it is impossible, because of the time element, to introduce them all. However, there is in the audience Grand Masters of various States and I would like to have the privilege of taking your time to introduce them. These are all friends of mine, individuals whom I have known for many years.

One of them is Brother William P. Jacobs, Most Worshipful Grand Master of the District of Columbia. Will you stand. (Applause)

Brother Laurel Pancake, Most Worshipful Grand Master of the State of New Jersey. Will you stand. (Applause)

Brother R. N. Bass, Most Worshipful Grand Master of the State of North Carolina. Will you please stand. (Applause)

The next Most Worshipful Grand Master is an individual that I have worked with for over fifteen years. I am happy to present Brother Jesse A. White, Most Worshipful Grand Master of the great State of Virginia. (Applause)

Also Brother Clyde S. MacLaren, Most Worshipful Grand Master of the great State of Florida. (Applause)

Also, over at the table in the front of the room here, I have my Aides of Medinah Temple during the year 1956. Will you please stand. I am so happy to be able to introduce you because, after all, these fellows did all the work that year. (Laughter and applause)

I also have my family with me. I wish, however, that I had my grandchildren here because it would be a little bit different. At any rate, I have my daughter and my son-in-law, Sandra and Charles Dodge. Will you please stand. (Applause)

And, of course, my immediate family — my brother, brother-in-law and my mother-in-law. Will you all stand. (Applause)

Ladies and gentlemen, while I said I was not going to introduce everybody, I do want to say that I have a gentleman here tonight who is a great Christian. I have invited him here this evening as living proof of our goal of taking children into our Hospitals and restoring them to their rightful place in society and to useful citizenship.

This man was born in Evansville, Indiana, was born with severely crippled legs. His parents could not afford the necessary surgery. His case was brought to the attention of the Shriners and after nine operations over an 11-year period at the St. Louis Unit of the Shriners Hospitals for Crippled Children, he walked for the first time in his life. This illustrates the point that once again the world's greatest philanthropy made it possible for a young person to realize his life-long desire. It was through the efforts of the Shrine that Father Joseph Stickler was able to walk again and go on and become a priest.

Father Stickler is the Pastor of St. Peter's Roman Catholic Church in Lintan, Indiana. I would like to introduce him to you at this time. He is a great man. Father, will you please come to the podium. (Applause)

FATHER JOSEPH STICKLER: Imperial Potentate, Imperial Divan, distinguished guests, ladies and gentlemen: It is needless for me to say that tonight is one of the greatest nights in my life because it has given me the privilege to personally thank the elite of Shrinedom and their ladies not only for what the Shriners Crippled Children's Hospital has done for me but for what it has done for over 150,000 children during the past forty-five years who likewise suffered the plight of Joe Stickler. For as long as I live I will be eternally grateful to the man who wears the Scimitar on the lapel of his coat and the red Fez which he wears proudly at the top of his head.

May I digress here a little bit. This gentleman is not here and so I think I can tell you this story. Several months ago, my friend, George Florey, Director of Public Relations of this great Convention, called me and said, "Father, can you give me a hand in assisting me to help my good friend Tom Seay make this forthcoming Shrine Convention one of the biggest and the best in history." He then went on to add that he wanted to do things differently this time, even to the extent, he said, of appealing to the Catholic Church. (Laughter) Well, I indicated to him that he really did want to do it differently this year. (Laughter) However, he said to me, "Father, I would like to have you appear on radio and television shows attesting to the non-

sectarian aspect of Shrinedom." Well, when I arrived in Chicago, George had me on more radio and television shows than I ever knew existed in one town, including a half-hour television special. I told the audience at each of these shows about the Imperial Potentate, Thomas Seay. I also informed them of the non-sectarian aspects of your Shrine Hospitals.

I also told them why, as a Catholic priest, I revere, I love and I respect the Shrine.

Now, in addition to meeting your great Imperial Potentate, Tom Seay, here, I have met that great Norwegian who is the Director General of this great Shrine spectacular, Yngvar Brynildssen. (Applause)

Now, I would like to make mention of one more thing as I leave you and that is tonight, with your friends, we all have many things in common and the principal thing among them is that each and every one of us assembled here have dedicated ourselves to God, perhaps in different ways, but still each one of us carries the symbol of God as the spirit which guides us, loves us and encourages us. I do want to point out now that I know from first-hand knowledge in many instances the high regard that millions of members of my Church have for the Shrine in helping little children who cannot help themselves. I know it may come as a shock but it certainly comes as news that in many of my Churches across the continent that Masses are said, candles are lit, prayers are offered to the Shrine in behalf of their children, kinfolk or friends who have been completely rehabilitated or materially aided through the efforts of Shriners Hospitals for Crippled Children.

Let us not forget that before we are Catholics, Protestants, Jews, Shriners or Masons, first of all we are human beings, men and women dedicated to God. All of you, I think, will realize that I am a Catholic for the basic reason that you are dedicated to your particular religion. My mother carried me through Church and your mother led you through your Sunday School and they all took us there for one reason and one reason alone, and that was to dedicate ourselves to God — God as a Pastor, God as a King. How you serve him is your privilege.

Now, as a final thought, I would like to leave with you a thought that really puts me squarely on record about how I personally feel about your magnificent organization. That thought is this — that it is my hope that the progress of ecumenism is stepped up, speeded up if you will, so that someday I too can wear the proud red Fez of Shrinedom. (Rising cheers and applause.) I promise you, gentlemen, that I will wear it always with dignity and dedication among my fellow men and always in the all-seeing eyes of God Almighty.

Thank you and God bless you. (Rising applause)

IMPERIAL POTENTATE SEAY: Wasn't that wonderful? Father, I am so grateful to you.

And now, Nobles and ladies, it becomes my pleasure to introduce to you a man who has just recently assumed the top executive office of this great State of ours, the State of Illinois.

Samuel Shapiro was inaugurated Governor just last May. He took the place of a great Shriner, and I don't have to tell you his name. His stature and his leadership abilities have already been felt as he has taken over his office.

Here at Illinois, Governor Samuel Shapiro honors this banquet of our Ninety-Fourth Imperial Council Session with his presence and I now proudly present to you the Governor of our great State of Illinois, His Excellency, Governor Samuel Shapiro. (Rising applause)

HIS EXCELLENCY, SAMUEL SHAPIRO (Governor of the State of Illinois): Imperial Potentate Seay, Mrs. Seay, honorable Clement Stone, Secretary of State Paul Powell, Imperial Sirs, Illustrious Sirs, Nobles and Ladies: As your chairman just told you, I did assume the office of Governor succeeding a great Governor, a great Shriner, the Honorable and present Judge, Otto Kerner.

It is my pleasure to extend a belated welcome to Illinois to each of you. However, I am sure that many of you are already aware of the fine attributes of our State and the attributes and efforts of one who carries the Illinois story wherever he goes, your Imperial Potentate, Tom Seay.

We are proud of Illinois and our role as the center of transportation in the heartland of this, our great Nation. We are the leading export state in the Union, both in

agriculture and industrial products. We are proud of Illinois' role as a leader in education and, most important, for the pride of the people in Illinois — the same pride that we have in the citizens of all of our States.

At this time when many question the course of our country, we must not let people forget the overwhelming good in our Nation; the good work of the average American as exemplified by your work with the children's hospitals. May I take just a moment to pay my respects to your Harold Lloyd, who I understand is National Chairman of the Hospital Board.

I am convinced that America's strength transcends its weakness. Also, admitting the need to correct those weaknesses, even though the pace at times be slow, enables this great Nation to go forward. This is why we at times of great tragedy such as we recently experienced do not lose heart in America. After all, only one man pulled the trigger — two hundred million Americans did not — and my faith is based on those two hundred million Americans. (Applause)

I am pleased that during the sesquicentennial of our State that the Ninety-Fourth Imperial Council Session should be held here in Illinois. In the Summer issue of the Journal of the Illinois State Historical Society is an article entitled "Free Masonry Comes to Illinois." It is an article, I believe, which would be of great interest to all of you.

Now, in order to commemorate the 150 years of the good life in Illinois, the Sesquicentennial Commission had a silver medallion struck in a limited issue and, therefore, Imperial Potentate Seay, at this time I would like to have you approach the podium and I would like to present to you, Tom, not only for your efforts in behalf of the good works of the Shrine but also to express the appreciation of all Illinoisans for your efforts in carrying forth the Illinois story, this silver medallion.

(Presentation of silver medallion and applause ensued.)

Now, may I also express my appreciation to you for letting me be with you this evening. I have already expressed my apologies to the Honorable Clement Stone because I do have to fly back to Springfield and will have to leave in just a few moments. However, I promise you, Clement, that I will read your books and that I will think of you when I do that.

Thank you very much for your generosity, also for your courtesy this evening. (Applause)

IMPERIAL POTENTATE SEAY: Honorable Sir, throughout my year I have also given a coin to the Nobles of North America. On this coin are the words "From the Land of Lincoln." I am proud to be from Illinois, I am proud to be a Chicagoan and I am proud to have had you here tonight with us and also for those kind words. May God bless you as you perform the duties of your official office. (Applause)

Now, "gentlemen, start your engines." Those, to me, are four of the strongest words that can be used. When you are at Indianapolis at the 500 Race, you can see young men in some thirty-odd cars all ready to go with steam, energy and determination and will-power to win the 500 Race.

The speaker this evening, whom I am about to introduce, is just that type of man.

We come now to our principal speaker of the evening — an individual and a Shriner, a prominent and successful man. I will not take time to tell you about the many, many organizations he is the head of and of the schedule that this man keeps. He flew in from San Francisco today just to be with you this evening mainly because of his love for Shrinedom and the crippled child.

The books that you have on your tables were presented to you by him.

I first met Clement Stone in a boy's club. He was Chairman of the Chicago Boys Club at the time. However, he is the head of many other charitable organizations on the North American Continent, so many that it would take me too long to mention them. However, I do know he has spent millions of dollars on mental health, which is one of our greatest needs in this country.

As I indicated before, he is a member of the National Executive Committee for the Boys Clubs of America and is doing a lot of work in their behalf. He is doing many other varied things. Therefore, I am very happy to be able to present him to you tonight in order to give you an opportunity to listen to his inspiring message. He has

written many books. He is a great American, a great Shriner, a man who does things and yet does not talk about them.

I am therefore happy to present to you at this time Noble W. Clement Stone. (Applause)

NOBLE W. CLEMENT STONE: Thank you, Imperial Sir.

First may I suggest that if you are uncomfortable that you turn your chairs around because it is a little difficult looking at the opposite wall rather than the speaker at the podium.

Next may I say in all humbleness may I always be worthy of the esteem that the Imperial Potentate has expressed here tonight.

You know, in the year 1952, I made a resolution — a resolution from which I have not deviated — namely that I would not give a speech on radio or television, or write an article, a manuscript, without endeavoring to motivate the audience to action, at least those who are ready and those who are willing to listen. You know, to hear does not necessarily imply attention and application but to listen always does and that means that you as an individual follow through with action.

The essence of my discussion tonight is to "Meet the Challenge of Change." It is time for action. You have before you two books and if anyone has not received a book, I am sure you can obtain one at the Registration Desk and if for any reason they are out of them or you have not received one or the other, I will be glad to see that you receive another inspirational self-help book.

America has been very fortunate during the centuries and has been blessed in so many ways. For example, in the realm of literature we have what I feel is the greatest of all literature, modern literature. It is peculiarly American. These eastern writers, the European writers, can motivate the reader to meditate but the writers that I am talking about, the American writers in the field I term "inspirational action books" motivate the reader to action. Instead of trying to purify one's soul through constant prayer, these writers motivate the reader to pray for guidance and also to follow through with action in their daily lives and to purify their souls by making this world a better world in which to live by helping those less fortunate.

This type of book is easy to read because the writer is constricted to keep them reading on the theory that if a person once starts, obviously the message will not come through unless the reader is going to continue.

Now, it is amazing, it is truly amazing that over the centuries in our educational system we have not kept pace with the changes of time.

In the educational institutions we have, over the centuries, taught the humanities. In this day and age of technology we will send men to learn how to use a computer but in our school systems we don't train the individual, you and I, on how to use that all-awesome machine from which the computer was designed, namely the brain and nervous system. Now, regardless of who the individual is, regardless of whether he is an African, an Asian or whether he comes from South America or North America or Australia, every so-called normal person, and here I am using the word "normal" in its broadest sense — only owns that machine and it has been my good experience and good fortune to have spoken to large groups and small throughout the world and up until this meeting there hasn't been a single instance, not one, but what the lives of individuals were changed among those who were ready and who were willing to listen.

Therefore, it is my great privilege tonight to have an opportunity to share with you some of the works to which I am dedicated. This is also an important day for me because should I do what I intend to do, it is conceivable that thousands, perhaps tens of thousands might be reached which possibly I may not otherwise reach, particularly in this great Order of ours, this great Fraternity that thinks in terms of meeting the challenges of change and getting into action.

Now, what are some of the works to which I am dedicated? Well, I mentioned one of them — inspirational self-help literature, which has not found its way into our school systems except in those instances where I and others have played a part.

Secondly, in our educational system the individual gets a high mark if he uses his memory — if in an examination he can give the correct information regarding the facts. He is taught facts and not principles and how to apply them.

You know, it is truly amazing that we have not taught ourselves how to recognize simple principles. Abraham Lincoln, according to one of his biographers, developed a unique skill — whether he would read his newspaper, whether he would greet friends on the street or discuss philosophy or whether he read his Bible, he would recognize the principle and ask himself whether or not he could use the principle. He was then, in turn, able to apply those principles which he felt would be helpful to him.

Next, it is truly amazing that in this day and age the most important principle or skill a person should learn is not taught and yet it is easy to learn specifically how to motivate yourself as well as others. Ask any educator if he knows the art of motivation per se and he will tell you that if we only knew the art of motivation he could make good scholars out of poor students and, yes, it can be done.

Now, I am not going to motivate you and you are not going to motivate anyone else unless one believes it is both desirable and attainable.

Next of all, in this day and age it is amazing that we do not train our youth on how to develop a positive mental attitude — the right mental attitude in a given environment — and eliminate the negative. Yet, on the other hand, it is easy to teach and easy to learn and the type of book we are speaking about tonight will motivate you and others so that you can, if you wish, learn how to develop a positive mental attitude and why that is necessary.

You do have experts in many firms but, unfortunately, people are disagreeable, they do not get along with their neighbors, they do not get along with their fellow workers, their own families, they have a psychosomatic illness. This, in turn, causes needless disturbances and yet, on the other hand, it is easy how to teach one to develop a positive mental attitude and eliminate the negatives.

Next of all, it is again amazing that the greatest of all illnesses can be prevented in so many cases if we only train our youth and adults on how to avoid mental illness and unnecessary emotional disturbances and maintain good mental health.

Next of all, it has been taboo, in an educational or church environment, to talk about the acquisition of wealth as if wealth were evil. Wealth is good, wealth is power and it is Nature's law that all power but one, Divine Power, is both positive and negative. The poorest pauper can be the most equal of men or the poorest pauper can be a saint and yet there isn't a person in this audience, not one, who cannot acquire great love within the next ten-year period if he merely takes the time to read a few books on the acquisition of love. Now, I know this from experience and especially in relation to the fact that a positive mental attitude never leads to failure.

Next of all, because of our way of living in America, it becomes imperative that we have the courage to teach our boys and girls how to develop good character, how to have the courage to develop the truth, how to avoid deception and, when they get into that jungle which we call the "high school," on how to have the guts to say "No." Yet it is easy to teach and easy to learn.

Next of all, because of our way of life, it becomes imperative that through our educational system, at the very earliest phase, we teach our boys and girls on how to become good parents, how to become a good father, how to become a good mother.

Now, can this be done? Well, it not only can be done but it is being done. First of all, within a very short period of time, within a half-hour, it is easy to train a person on how to recognize and relate certain principles; it is easy how to teach a person to use that which is used anyway — simple psychological principles — but to use them in a way where he can direct his thoughts, control his emotions, etc.

I was in an unfortunate position when I went to high school because, at that time, I had problems. At that time the books indicated there were certain mental attitudes but there were no books in the library that told me how to solve these problems. In other words, they told me what was to be done but not how to do it. Fortunately, however, I ran across the book called "The Power of Will" and this started me into the reading of inspirational self-help action books.

I started selling insurance at the age of sixteen. Our company called on banks, offices, stores, and other places of business during business hours and without any letter of introduction, a telephone call or what have you.

Now, I found that when I started out selling that I was afraid, as you would be afraid. Now, I found that when I started out that I did have a machine called a

"mind" and also a nervous system and I also recognized that all of us, regardless of where we were born, have inherited from the vast reservoir of the past, through our subconscious mind, the power and the capacity to do everything anyone else has done or anyone else might now be doing and, therefore, I decided to learn. In so doing, the first thing I did was to recognize principles. Secondly, I read a book on conscious auto-suggestion. Now, the principle in this book was to get patients to repeat fifty times a night, fifty times in the morning, what we call a self-motivator — a platitude that is memorized when we are talking about verbal self, something that affects the subconscious mind and comes to the conscious mind in terms of need and these words were, "Day by day, in every way, I am getting better and better." Now, the book that I have left with you, "Success that never Fails," suggests that you use that formula. You might even change it to read, "Day by day, by the Grace of God, I am getting better and better."

Now, if it is true that you can cure psychosomatic and other illnesses in this manner, then why cannot you use the same technique in developing character — to effect one's inner status, his emotions, his feelings — to form new habits and eliminate undesirable ones. I also found this to be true.

Now, to overcome fear in relation to selling on a cold call, I memorized several self-motivators — There is nothing to lose by trying, a great deal is gained by success, by all means try and do it now.

Now, one of the first factors that we have to be concerned with here is the formation of a habit. Now, how do you form a habit while overcoming inertia? Well, as I say, it is done by the use of universal principles, such as I have already indicated to you.

In my book, for example, I give you an illustration on how I acquired a company with \$1,600,000 in liquid assets and how I acquired it with the seller's own money, all through the use of self-motivators.

(At this point, the speaker went into a lengthy detail as to the acquiring of the assets of the above-mentioned insurance company, all of which information is contained in his book.)

Now, how does this apply to the work that we are doing in the Shrine? Well, here again let me give you one illustration. It has been mentioned that I am the President of the Chicago Boys Clubs. In these Clubs, we don't care about what crime these kids have committed, we don't care who they are, what they are before they come to us. In fact, Judge Hopkins turns over many boys to us because he knows that under our methods we can motivate them to correct their thoughts, control their emotions and obtain their destiny. We know that we can make scholars out of mundane students.

Now, as a means of doing this, I formed a club within the Boys Club called "The Junior Success Club." I asked these boys what they would like to do in the club. Most of them indicated that there were two things they desired, better schooling and the opportunity to earn an honest dollar. Well, to make a long story short, within ninety days every one of these boys had earned some money. Also, through the use of some of the principles I have already given you and which are also contained in my book, within ninety days, regardless of their schoolwork, some of the boys had already jumped ahead two grades. In other words, what was done here was to motivate them to study. In the one book that I have given you entitled, "The Success System that Never Fails," I point out that there are three ingredients that are absolutely imperative for success. One of these has to do with motivation for action. A motive is that inner urge which determines a choice or moves the individual to action. The second is to "know how" and the third is to actually do it.

Now, this has been a long day for you and so I am going to cut this short. After all, I assume you are going to read the book anyway.

Now, as I say, what has all of this got to do with the Shrine, what has this got to do with Masonry? Well, all I can do is to speak for myself. I believe that as an organization if you wish to think in terms of making this world a better place in which to live, in which we can meet the problems of the Inner City, in which we can help our youth, then this can be done by teaching them how to use the functioning of their minds. We can do this by exposing them to this type of self-help literature. Now, one short story and that will be the end.

(Whereupon, the speaker reiterated a short success story on how he helped one of his former salesmen with his selling problems after he had been faced with lack of success, mainly through the use of motivational principles.)

Now, with that, I will close. Thank you for your attention. (Cheers and applause)

(At this point, the planned program of entertainment, starring Ford and Hines, produced and staged by the Medinah Entertainment Committee, Jerry A. Divisek, Chairman, concluded the banquet session.)

MORNING SESSION

THURSDAY, JULY 11, 1968
NINE-THIRTY O'CLOCK A.M.

The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom, Palmer House, Chicago, Illinois, Thursday, July 11, 1968 at 9:30 o'clock a.m., Imperial Potentate Thomas F. Seay presiding.

IMPERIAL POTENTATE SEAY: The meeting will now come to order.

I would now like to call on our Imperial Chaplain, the Reverend Reeves, for the Invocation. Will you all please rise.

REVEREND TIMOTHY B. REEVES: Let us pray.

Lord, we thank you for a new day and with it the obligations that we know will be ours throughout the day. Give us the vision to see the opportunities and the times when we can travel an extra mile in achieving that which is in keeping with your will.

Help us to know that as we hear the reports of the day that they represent hours of work of people who have vision, people who have been committed with responsibilities and accepted them, people who have ideas for the future and dare to suggest. So as we hear them, Lord, give to us the kind of a response so that we may be the kind of folk that will move out into a world of need and confusion. Give us something within for courage, within for assurance, something within for love for all mankind.

In Thy name we pray. Amen.

IMPERIAL POTENTATE SEAY: I will now recognize our Imperial Treasurer, Imperial Sir Melham, for the Treasurer's report.

NOBLE THOMAS W. MELHAM: Imperial Sir and Representatives of this Session: The report of the Treasurer for 1967 is set forth in detail in the Book of Reports. This is the blue book which has been sent to you prior to your arrival in Chicago.

You will, later on at this Session, receive a report of the Finance Committee. The Book of Reports has, of course, been examined and approved by our corporate accountant.

I shall comment briefly on just a few of the items therein.

With respect to the operations of the Imperial Council, the Iowa corporation, I am happy to report that our actual receipts of income were \$1,080,416. We spent some \$826,462, leaving \$253,954 which will be added to our surplus.

I might add that the addition to our surplus will just about cover the additional mileage and per diem necessary for the next Session at Seattle.

With respect to the operations of the Colorado corporation, we received \$28,151,000, which was credited to our capital account. Revenue from operations was \$17,828,000-odd, a total of \$45,979,000. All of our expenditures amounted to \$20,226,000. Now, all of those were charged to revenue for operations and it did result in approximately a deficit of \$2,400,000. However, don't let that concern you too much because, due to the wisdom of the Trustees many years ago, this item of contributions last year was \$3,800,000 and has always been placed as a capital account. It is permissible, of course, to use that for current operations but the economies affected were, of course, to contribute again to building up our endowment fund.

Likewise, we expended a total of \$6 million in property and equipment additions. We charged that to capital expenditures. We have not done so. However, either one of these two accounts would have more than wiped out the deficit if you had a more accepted system of accounts.

To those of you who may examine this Blue Book, you might find here and there a bank overdraft in relation to a certain account. Don't be disturbed by that. Most corporations have consistently invested in temporary investments, Treasury Bills or Certificates of Deposit. This is for the purpose of keeping our money at work until we actually have to pay it out. It may here and there bring about an overdraft in our checking account but no bank as yet has ever charged us for that kind of thing.

We have in our Iowa corporation picked up \$38,840 in interest on these temporary investments. In Colorado we have picked up roughly \$314,000 in temporary investment income. I am sure all of you approve of that.

One last request. If upon examining any part of this book it does not appear to be clear, we would appreciate your dropping a line to the Treasurer's Department and we will give you the answers.

Imperial Sir, I move that the report of the financial transactions and the report of the Imperial Council, Iowa corporation and Colorado corporation be received and made a part of the Minutes, together with the brief comments that I have made.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report of the financial transactions, together with the reports in relation to both the Iowa and Colorado corporations, be received and made a part of the minutes. Is there any discussion?

(The question was called for, the motion was voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE SEAY: I will now recognize our Imperial Recorder, George M. Saunders, for his report.

NOBLE GEORGE M. SAUNDERS: The report of the Imperial Recorder-Secretary is published in the Book of Reports. It has been mailed to each Representative. It will be published in the Proceedings for this meeting. You have had the detail on it.

I would move for the adoption of the report.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report of the Imperial Recorder-Secretary as published be adopted. Is there discussion?

(The question was called for, the motion was voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: I will now recognize Imperial Sir Rennie Arnold to report on the Nomination of Emeriti Members.

NOBLE RENNIE L. ARNOLD: Imperial Sir, Imperial Sirs and members of the Imperial Council: Before I present my report, I would like to have the following Nobles come to the stage—Thomas F. Seay; J. Edgar Bowron; Harry A. Taylor; James A. McKnight; Herbert N. Holland and Barney W. Collins.

Imperial Sir, Imperial Sirs and all Representatives: As Chairman of the Committee on Nomination of Emeriti Members, it is a very great honor to be able to present to you a very distinguished group of Nobles who have been called and have not been found wanting, to serve their Temples and the Imperial Council for fifteen years.

I am sure they have labored long and hard to be honored by their Temples and sent here for fifteen years, and I know they deserve this honor. We have checked the records and are satisfied that these Nobles have fulfilled the requirements of the By-Laws and are entitled to receive the honorable distinction of being declared Emeriti Members. We are also satisfied that their records of service to Masonry, their Temples, their country and their communities entitle them to these honors.

Now, I have written to each one of them and ask them to tell me something about themselves, to send me a biography. They have told me a whole lot about themselves because they have been in service for a long time. Now, the Imperial Potentate informs me that he just cannot give me enough time to read all of the information they have furnished me. Therefore, I have merely had to sketch out as much as I could and, therefore, if I don't read you everything that they have done, where they were born, etc., please understand the circumstances.

I would like to read and present you with some facts regarding our first Noble here, Herbert N. Holland. I will ask him to step forward at this time.

He has indicated in his information to me that while in high school he was a DeMolay and while in university became a member of Acacia Lodge Number 9, Lawrence, Kansas, later transferring to Russell Lodge Number 177. He served as Master of his Blue Lodge in 1943. While at Lawrence, Kansas he became a member of the "Square and Compass," an honorary Masonic organization. He is likewise a member of Salina Consistory and was initiated into the Shrine in 1949. He served in the capacity of Secretary of Russell Chapter Number 64 up to and including the year 1954. He is also a member of Aleppo Commandry Number 31 and Ellsworth Council Number 9, RSM. He is also in good standing with the Cabiri. He served as a member of the Committee on Trials and Punishment, Grand Lodge AF&AM of Kansas and as Chairman of that Committee for the year 1965. He has been a member of the Board of Governors, St. Louis Unit, Shriners Hospitals for Crippled Children since 1953. He belongs to the American Bar Association and the Kansas Bar Association and was also a Past President of the Russell County Bar Association.

I am sure you will agree that we are all proud of this fine gentleman. (Applause)

Now then, I would like to ask Harry Taylor to please step forward. He did not do too much because he only wrote me a very little bit.

Harry is a Life Member of his Blue Lodge. He is a member of the York Rite, also a member of the Scottish Rite. He is a member and Past Impresario of Pueblo Court Number 110, Royal Order of Jesters. He was elected Recorder of Al Kalya Temple in January of 1954 and served as Recorder for fifteen years. He is a member of the First Presbyterian Church; is happily married and has two sons, four grandsons and one granddaughter.

We are very proud of you, Harry. (Applause)

I would now like to have Noble James A. McKnight step forward.

In the material submitted to me he indicates that he was raised in Shenango Lodge Number 668 AF&AM of Sharon, Pennsylvania in March of 1928. He was exalted in Temple Chapter Number 215, RAM. He was Knighted in Mount Olivet Commandry Number 30 and, in relation with his Scottish Rite activity, received the degrees from the Fourth to the Thirty-Second inclusive in the Valley of Newcastle, Pennsylvania, in May, 1928. He was created a member of Zem Zem Temple of the Shrine on January 13, 1948. He is a Past President of the Oriental Band and served as Illustrious Potentate of Zem Zem Temple in 1954. He has continued active within his Shrine, serving on many committees. He was a Director and member of the Ritualistic Cast and served as Chairman of the Shrine Circus for nineteen years. He was likewise and still is Regional Director of the Wills, Bequests and Gifts Committee, Region Number 20, which comprises fifteen Temples. He was a member of the Board of Incorporators, Shriners Hospitals for Crippled Children, Erie Unit and a member of the Board of Directors of Shriners Hospitals for Crippled Children, Philadelphia Unit. He has served on many committees for the Imperial Council, serving as Chairman of the Finance and Accounts Committee in 1964 and 1965 and is still a member of that Committee. He was first elected a Representative to the Imperial Council in 1953.

Thank you for furnishing us with that information, Noble McKnight. (Applause)

I would now like to have Noble J. Edgar Bowron please step forward.

Ed, in his brief biographical information, indicates that he was born in 1893 at Nashville, Tennessee and reared and educated in the public schools of Birmingham, Alabama. He attended the University of Alabama, receiving a BS Degree in 1914 and an LLB Degree in 1916. After twelve years of practice in the law, he was elected and served as Circuit Judge for thirty-three years, until his recent retirement.

He joined Birmingham Fraternal Lodge No. 384 in 1960 and has been a member of Zamora Temple since 1942. He is likewise a member of Birmingham Consistory, Scottish Rite, of Woodlawn Commandry Number 31 and is a Past Director, Royal Order of Jesters, Birmingham Court Number 127.

He served on the Jurisprudence and Laws Committee of the Imperial Council for four or five times and served as Chairman in 1961. He has also served as Chairman of the Grievances and Appeals Committee and also the Jurisdictional Lines Committee.

He is a member and Elder of the South Highlands Presbyterian Church and a member of the Phi Delta Theta Fraternity.

He has two sons and seven grandchildren.

Congratulations, Ed (Applause)

Now, the next fellow sent me a five-page booklet but I am only going to read to you one page. Will you please step forward, Barney Collins.

Barney's Masonic activity in Mexico includes membership in the Blue Lodge; Past Illustrious Master of the City of Mexico, R&SM; Past Eminent Commander of Ivanhoe Commandry, Knights Templar; Past Venerable Master of Consistory Number 1; Past Potentate of Anezeh Temple.

A Past Director of the Royal Order of Jesters; a member of the Royal Order of Scotland; Grand Fourth Preceptor of the International Supreme Council, Order of DeMolay and this interest in DeMolay has prompted him in recent years to sponsor an annual DeMolay oratorical and essay contest.

You have been very active in Masonry, Barney. Our congratulations to you. (Applause)

I will now ask our Imperial Potentate, Thomas F. Seay, to step forward. Now, here is a fellow you don't know too much about and so perhaps I should read all of his Masonic background.

This distinguished Noble, who has now completed fifteen consecutive years as a Representative to the Imperial Council, was born in the little town of Mayfield, Kentucky. In the best traditions of our American way of life, working on the assumption that any man in this Nation with the will to work hard and tirelessly can achieve any goal he sets for himself, he has risen from those humble beginnings in the hills of Kentucky to the pinnacle of success in the world of business and finance he enjoys today. Never in these long years of struggle did he forget, however, his proud Masonic heritage that traces back through at least four generations of Master Masons. Never did he lose the sound of a proud mother's voice echoing in his ear the teachings of a love for God and the principles of Masonry that were so much a part of their family life.

This Noble is a member of Cuba Lodge in Cuba, Kentucky; the Scottish Rite, Valley of Chicago; Logan Chapter, RAM; Chicago Commandry, Knights Templar; a Past Potentate of Medinah Temple and has been elected to membership in the Royal Order of Jesters; the Red Cross of Constantine; the Royal Order of Scotland; the Cabiri; and was also coronated a Thirty-Third Degree Mason, Northern Jurisdiction, in 1966. He was elected Imperial Outer Guard in 1958.

For the past twelve months, this dedicated Mason and Shriner has traveled some 250,000 miles telling the people of this Continent and those abroad the wonders and joys of Masonry and of our great Fraternal Order, the Ancient Arabic Order, Nobles of the Mystic Shrine.

It is my sincere pleasure to likewise present to you for election as an Emeritus Representative to the Imperial Council, the Imperial Potentate of the Shrine of North America, Imperial Sir Thomas F. Seay of Medinah Temple, Chicago, Illinois. (Applause)

Nobles, those are all of the members to be presented. Your Committee has considered the qualifications of these Representatives who have been certified by the Imperial Council as having been duly elected Representatives and attending fifteen Council Sessions and now declare them as being eligible and entitled to Emeritus Membership in the Imperial Council. This report is signed by every member of the Committee.

Imperial Sir, I move the adoption of this report.

(At this point the gavel was turned over to the newly-elected Deputy Imperial Potentate, Noble Baker.)

NOBLE J. WORTH BAKER: Nobles, the motion is in order — that the recommendation of the Committee as indicated to you be adopted. Is there a second?

(The motion was severally seconded.)

NOBLE J. WORTH BAKER: It has been moved and seconded that this report as presented be adopted. Is there discussion?

(The question was called for, the motion to adopt the report as rendered was voted upon and declared to be unanimously carried.)

NOBLE REMMIE ARNOLD: At this time, I would like to present these Nobles with their Emeritus Certificates.

(Whereupon, the Nobles elected were presented with their Emeritus Certificates and the gavel then returned to the Imperial Potentate.) (Applause)

IMPERIAL POTENTATE SEAY: Now, we do have some distinguished guests within our midst.

At this time I would like to recognize Lloyd A. Landgren, Illustrious Grand Sovereign, Red Cross of Constantine. Sir, would you like to say a few words to this body of Brother Masons?

BROTHER LLOYD A. LANDGREN: Imperial Potentate, distinguished guests all, Nobles of the Mystic Shrine: I am most happy to be here and enjoy the kind hospitality of this fine Grand Imperial Council.

I represent the Red Cross of Constantine for the United States, Mexico and the Philippines. We are, of course, a part of Masonry.

I can tell you a little bit about the Red Cross of Constantine. It was founded by Constantine the Great. He was a Roman emperor and during the war he discovered a divine miracle which brought about his conversion to the Christian faith. The Constantine Orders of Knighthood are probably the oldest of the surviving orders and degrees that we presently have.

As a Noble and as a Mason I am reminded of the little story they tell of Robert Louis Stevenson who, as a small boy, was watching the lamplighters one evening from the front window of his home when his mother called to him from the kitchen. She asked him what he had been doing. He replied, "Mother, I was watching the men pass by the house punching holes in the darkness. You know, mother, I never see where they are going but I always know where they have been by the light they've left behind them."

Nobles, we as Shriners and as Masons should continue to punch those lights in the darkness. We may let the world know where we have been. We perhaps don't know where we are going but we are pretty sure but, on the other hand, by punching these holes in the darkness we are making a beginning and leaving a trail.

Thank you, and God bless you. (Applause)

IMPERIAL POTENTATE SEAY: We have another distinguished guest in our midst, Albert P. Ruerat, Grand Master, International Supreme Council, Order of DeMolay. Sir, would you like to say a few words.

BROTHER ALBERT P. RUERAT: Imperial Sir, Imperial Sirs and members of the Nobility: May I say at the very outset that Mrs. Ruerat and I are deeply grateful for all the kindnesses and courtesies and the acts of hospitality that you and the Imperial Council have accorded us.

We wish to offer to you, Imperial Sir, and to your immediate successor, our sincere congratulations and best wishes. Also, may I say, on behalf of the International Supreme Council, Order of DeMolay, that we are with you one thousand per cent and offer to you every cooperation that is within our physical power to give to this great organization.

I wish I could say to you this morning, on behalf of the some three million Senior DeMolays, on behalf of some of the 165,000 members of this great youth organization, that they are all members of the Nobility. However, I cannot say that and, of course, I am sure you don't expect me to say that. However, I can say in these very few moments that I have, how very grateful I am to have the opportunity to say to you that we do have in the Order of DeMolay young men who believe in the very democratic processes of the dignity of men, of law, of government, of parental devotion.

I can also tell you this morning that I represent, together with these young men and the former members of our DeMolay, men who do not represent the long-haired, the uncouth, the lack of dignity of the young men who are presently receiving altogether too much of the publicity in relation to what they can offer to humanity and to this Nation and to the world in general.

May I also say, in conclusion, that it is a great honor for any person to represent this great organization of youth who are going to be the bankers of tomorrow, the leaders of our Nation, the fathers of the children of tomorrow. I have every reason to make a prediction that they are the ones who are going to be heard from and they are the ones that are going to be the salvation of everything we hold dear.

Thank you very much for this courtesy. (Applause)

IMPERIAL POTENTATE SEAY: Thank you very much, sir.

I wonder if it would be asking too much of you Nobles and Representatives to stand—those of you who are past DeMolay members. Would you do that so we can see how many of you we have in the audience? Well, I can see that there are quite a few of you. (Applause) It is a pretty good representation. Thank you very much.

I would now like to recognize Noble J. H. Fox, Chairman, Committee on Jurisprudence and Laws of the Iowa corporation, for a committee report.

NOBLE J. H. Fox: This is a report on rulings and decisions, to the Imperial Council.

REPORT ON RULINGS AND DECISIONS TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws the orders and decisions of the Imperial Potentate made pursuant to Section 206.5(a)(13) of the Imperial By-Laws and the Temple By-Laws approved and those disapproved pursuant to Section 331.2. These are as follows:

OPINION NO. 2, DECEMBER 4, 1967, ABBA TEMPLE—A dedication plaque placed before the enactment of Section 335.15 of the Imperial Code, and which from its wording indicates the commemoration of the event, and not the memorializing of the persons so named, is not in violation of Section 335.15 of the Imperial By-Laws.

OPINION NO. 3, DECEMBER 26, 1967, MAHI TEMPLE—Any article in the Shrine Club meeting notice recommending the candidacy of a Noble for office in the Temple is a violation of Section 325.10 of the Imperial By-Laws.

OPINION NO. 4, DECEMBER 26, 1967, AL KORAN TEMPLE—The use of any vehicle or equipment in a Shrine parade, upon which vehicle or equipment is the name, address and other pertinent data disclosing the ownership of said vehicle or equipment is commercialism, and a violation of Section 335.2(a) of the Imperial By-Laws.

OPINION NO. 5, DECEMBER 27, 1967, IMPERIAL OFFICE INQUIRY—Shrine Club Holding Corporation must submit operating statements and balance sheets to the Imperial Recorder, said corporate bodies being closely allied with and seemingly the product of Imperial sanction. (Section 334.8(d))

OPINION NO. 6, JANUARY 22, 1968, AL SIHAH TEMPLE—The use of the name "auxiliary" for a women's group, in conjunction with a Shrine Club name is contrary to Shrine law, inasmuch as it is denoting recognition of that body. (Section 335.10 Imperial By-Laws)

OPINION NO. 7, JANUARY 22, 1968, IMPERIAL OFFICE INQUIRY—The issuance of a "Temple Directory," using the word "Noble," "Shriner" or variation thereof as well as terms, signs or symbols of our Order for a commercial or business use is contrary to Shrine Law. (Section 335.2 Imperial By-Laws)

OPINION NO. 8, JANUARY 29, 1968, IMPERIAL OFFICE INQUIRY—Every Temple officer, before entering upon the discharge of his duties must take the obligation under the Imperial Code. Such obligation is a personal act and cannot be taken for said officer by a proxy. (Section 326.1 and 326.2 Imperial By-Laws)

OPINION NO. 9, FEBRUARY 12, 1968, MOLAH TEMPLE—There is no objection to all Temples within the State of Missouri holding a ceremonial and

initiating novices from all parts of the state. Caution is directed to Section 328.7(d) of the Imperial By-Laws.

OPINION NO. 10, FEBRUARY 26, 1968, MAHI TEMPLE — The use of the name "Noblettes" or "Shrinerettes" as the title for a female auxiliary is contrary to Shrine law and contrary to the intent and purpose of Section 335.10 of the Imperial By-Laws.

OPINION NO. 11, MARCH 23, 1968, KHARTUM TEMPLE — Section 335.15 (Memorializing of individuals prohibited) prohibits the use of the *individual* name of any person living or dead on or about any building owned by any Temple. This section does not prohibit the use of plaques by Shrine Clubs or Units disclosing the name of said Club or Unit on gifts of equipment or other property.

OPINION NO. 12, MARCH 23, 1968, IMPERIAL OFFICE INQUIRY — Membership in a unit of a Temple should be restricted to Nobles in good standing in that Temple, and should not include members of another Temple, without permission of the Potentate of that Temple.

NOBLE J. H. Fox: Imperial Sir, Imperial Sirs and Representatives: A special committee was appointed some time ago to study Temples, Units and Clubs. The Chairman of this Committee was Imperial Sir Peter Val Preda. From this Committee came certain By-Laws amendments which have now been presented to the Jurisprudence and Laws Committee and I wish it understood that the Committee will merely present these as a matter of getting them before the assembly. The amendments are sponsored by the Committee and they will now be presented by each member of the Committee.

(Whereupon, Noble Elmer P. Bromley presented the following amendment regarding Section 334.5 of the Iowa corporation By-Laws:)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

There has been referred to your Committee on Jurisprudence and Laws a proposal amending Section 334.5 of Article 34, Part III of the By-Laws of the Iowa Corporation, relating to audits, to read as follows:

"334.5 Audit

Every Temple is required to have its accounts *and those of its affiliated corporations, including Shrine Club holding corporation*, audited at the close of each year by an Auditor or committee selected by the Temple. A copy of the audit report (*including a balance sheet and income and expense statements*) must be filed with the Imperial Recorder before March 1st, following the end of the year audited."

The amendment, if adopted, will add affiliated corporations, including Shrine Club holding corporations, to those required to have accounts audited, including balance sheets and income and expense statements.

Respectfully submitted,

**COMMITTEE ON JURISPRUDENCE
AND LAWS**

Elmer P. Bromley
Walter S. Jeffries, Jr.
Warren L. Jones
William H. Knowlton
J. Edgar Bowron
John D. Cochran
Jacques H. Fox, Chairman

NOBLE J. EDGAR BOWRON: In order to get the matter before the assembly, I move you, Imperial Sir, the adoption of the report and the amendment to Section 336.1. (The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report as presented to you, together with the proposed amendment, be adopted. Is there any discussion?

NOBLE THOMAS E. LUCAS (Al Chymia Temple): Imperial Sir and fellow Representatives, we already have a provision in the Imperial Code which provides that for a Noble to participate he must be a Noble in good standing with some Temple of the Order. There is no provision as to repealing that Section of the Code and, furthermore, I think it is an imposition on any Noble that might not want to move his membership but would like to participate. He is also under the jurisdictional authority of the Potentate in whatever Jurisdiction he may be at the time, which is the same thing as applies when you and I are here in Chicago, St. Louis or San Francisco, wherein we would be under the jurisdiction of that particular Potentate.

I think that you are taking away privileges from the Nobles of the Mystic Shrine to specifically say to them that they have to go back to San Francisco, for example, and ask if they can participate with the Nobles in Memphis, especially if those other Nobles want them to participate. That being the case, I would feel this is all the permission I would require. I know that I am in good standing and I would like to enjoy that privilege.

Therefore, I would like to see this body here kill that particular motion. (Cheers and applause.)

NOBLE RICHARD W. FARRIS (Ararat Temple): Imperial Sir, let me say that I proposed this particular amendment.

I think the Noble indicated that it was spelled out pretty well in the Laws at the moment and when we asked for a ruling under the present provisions, you came up with just about the same thing that I had put in there. I think it is a necessity that the Potentate have control of his Units. We have been told all the time that the Potentate is the ruler supreme under the Imperial Potentate and under the Imperial Council. However, when a Unit can come in and tell the Potentate that they do not want to participate in some function that the Temple may be having and then go twenty miles away or even ten miles away and participate with another Temple on the day you want them, then I don't think that is proper either.

(The question on the motion was severally called for.)

NOBLE ROBERT L. LEEDS (Oleika Temple): Imperial Sir, I have a question.

I just want to know how inclusive are the words "unit activity?" In other words, just what do they include? Do they include your marching in parades with a patrol; do they include going to the dinner with the Divan, to the baseball game? Just what do they include?

NOBLE JOHN VESEY: Imperial Sir and fellow Representatives, this thing all resolves itself down to just one thing — you are not all-powerful — you are subject to the Representatives here. A Potentate of a Temple is not all-powerful — he is subject to other individuals. Potentates do not have arbitrary powers. In other words, by this you are taking away my right as a Shriner to do what I please and go where I please and do what I please. Now, that bothers me. Therefore, to assume that the Potentate is all-powerful in his Temple, that simply isn't true. His actions are subject to the vote of the Temple, just like the actions here are subject to the vote of this representative body.

I think this is a useless, nonsensical thing, and I move it be tabled.

(Whereupon, the motion to table was seconded.)

IMPERIAL POTENTATE SEAY: Let me say to you, gentlemen, the motion has been withdrawn. Therefore, we don't have to vote on it — we don't have to table it. We had a motion which was made but which has now been withdrawn.

NOBLE GEORGE L. BAILES (Zamora Temple): I move you, sir, that this resolution be tabled. Also, I call for a vote.

(The motion to table was severally seconded.)

NOBLE GEORGE L. BAILES: Also, to my good friend John Vesey, I want to say to you that this is a body of men and they have a right to vote on these things and whatever their decisions are, I abide by them. Therefore, there isn't anybody who wants to take any power away from any Noble in North America.

IMPERIAL POTENTATE SEAY: We have a motion and a second, which is to table the report presented to you. I will put the motion to a vote.

(Whereupon, the motion to table was voted upon and declared to be carried.)
(Cheers and applause.)

NOBLE J. H. FOX: Imperial Sir, Imperial Sirs and Representatives: We only have a few more of these matters.

I would like to refer you to pages 15 and 16 of the Call, wherein we have the proposed amendments. I would like to bring to your attention the sponsors of certain amendments have come to the Jurisprudence and Laws Committee and have asked to have these amendments withdrawn so that they can receive further study and consideration.

The amendment with regard to Section 334.8, "Incorporation of Temples or Affiliates," has been withdrawn.

Section 337.6, "Incorporation of Shrine Club Holding Company" is likewise withdrawn.

Section 335.10, "Female Organizations," is withdrawn.

Section 337.1, "Use of the Emblem" is also withdrawn.

I would also bring to your attention the fact that on page 17 of the Call we have a resolution submitted by Al Kaly Temple requesting permission to transfer their location from Pueblo, Colorado to Colorado Springs, Colorado. This was pursuant to Section 322.5 of the By-Laws of the Iowa corporation. It did not pass at the local level and therefore it is not to be presented here, it is not in order. However, I would like to bring to your attention the second resolution on page 17, the one concerning Kismet Temple. This is the transfer, by your resolution, of the Temple from Garden City, New York to New Hyde Park, New York and also to have the Charter amended thereto.

This resolution is in proper and legal form and I move adoption of the resolution.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the adoption of the resolution regarding the transfer of location of Kismet Temple be approved. Is there discussion?

(The question was severally called for, the motion was then voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: We will next have the report of the Committee on Charters and Dispensations. This report will be presented by Noble Jesse C. Nichols, Chairman of the Committee.

(Whereupon, Noble Nichols read the following report:)

REPORT OF COMMITTEE ON DISPENSATIONS AND CHARTERS

To the Imperial Potentate and Representatives of the Ninety-Fourth Imperial Council:

Your Committee on Dispensations and Charters has had before it a petition for a Charter for Hadji Temple of Pensacola, Florida, operating as a Shrine Temple under dispensation since the last Imperial Council Session in Washington, D. C. in July 1967. Your Committee has heard the provisional officers of Hadji Temple, U.D. along with the learned Judge Warren L. Jones of the Jurisprudence and Laws Committee with his Potentate, Illustrious Randolph R. Thomas, each of whom made a brief but dynamic plea for granting a Charter to Hadji Temple. Illustrious Potentate L. H. Whan of Araba Temple, Fort Myers, Florida, also spoke in favor of granting the petition.

Hadji Temple has compiled a very impressive record the past year under dispensation, beginning with a membership on

July 13, 1967.....	1,048
Created under Dispensation	524
Affiliated under dispensation year.....	101
	1,673
Losses during dispensation year.....	35
Total Membership as of June 25, 1968.....	1,638

The financial progress has been equally commendable as their membership growth. All of its bills and obligations have been paid and it has a net worth of \$233,700 including approximately \$50,000 in cash.

It has all necessary paraphernalia and robes and has 25 Units with a membership of 379 men.

It has provided the membership with a proper meeting place, and has acquired land with the intention of erecting a new Mosque to replace the existing one, the former Pensacola Shrine Club.

Hadji Temple has been most active under dispensation and has achieved a most creditable reputation in this community, which we think will reflect to the credit of Hadji Temple in the future, and Shrinedom in general.

In conclusion, it should be stated your Committee, recognized from the remarks of Judge Jones and Potentate, Randy Thomas, that Morocco Temple would go to any extremes to secure the Charter for Hadji Temple U.D. as your Committee became aware of the fact that Illustrious Potentate J. B. Hopkins of Hadji Temple U.D. would have been the Potentate of Morocco Temple next year, and in the words of Judge Jones "the granting of this petition would prove beneficial to Hadji and Morocco as well."

Your Committee therefore believes that in the interest of Shrinedom, a Charter should be granted to Hadji Temple of Pensacola, Florida.

Accordingly your Committee recommends the granting of this Charter.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS
AND CHARTERS

Jesse C. Nichols, Ainad Temple, Chairman
Harvey B. Leggee, Aleppo Temple
Rober E. Murdock, Al Malaikah Temple
G. Wilbur Bell, Ansar Temple
Arthur E. Armitage, Jr., Crescent Temple
Roy T. Reynolds, El Bekal Temple
William H. Latimer, Syria Temple

I move the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that we adopt the report of the Committee on Dispensations and Charters as just presented to you. Is there discussion?

(The question was called for, the motion to adopt the report was then voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE SEAY: I wish to ask the Committee on Jurisprudence and Law whether they have anything to report on this?

(Whereupon, Noble W. S. Jeffries presented the following report of the Committee on Jurisprudence and Laws with regard to this matter:)

TO THE IMPERIAL COUNCIL, A.A.O.N.M.S.

As authorized by Section 101.5 (a) of the By-Laws of the Iowa Corporation, this Committee has submitted and now reports upon a proposed amendment to Section 454.6 of the By-Laws of the Iowa Corporation:

Amend Section 454.6 of the By-Laws of the Iowa Corporation thereof now reading "Hadji Temple U.D.," by deleting therefrom the letters "U.D."

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE
AND LAWS

Elmer P. Bromley
Walter S. Jeffries, Jr.
Warren L. Jones
William H. Knowlton
J. Edgar Bowron
John D. Cochran
Jacques H. Fox, *Chairman*

I move the adoption of the report.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report of the Committee on Jurisprudence and Laws as just rendered to you be adopted. Is there discussion?

(The question was severally called for, the motion to adopt the report was then voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: I would like to ask that the officers of Hadji Temple please approach the podium.

(The Representatives then arose and applauded as the Divan of Hadji Temple approached the podium.)

NOBLE WARREN L. JONES: Imperial Sir, Imperial Sirs and Representatives: You have adopted the motion of the Committee on Dispensations and Charters, on jurisdictional lines and on Jurisprudence and Laws and I now move you, Imperial Sir, that a Charter be granted and issued to Hadji Temple of Pensacola, Florida.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: You have heard the motion and the second. Is there discussion?

(The question was called for, the motion to grant a Charter to Hadji Temple was then voted upon and declared to be unanimously carried.) (Applause)

IMPERIAL POTENTATE SEAY: Nobles, we now have 170 Temples in North America. (Applause)

It is now my honor and pleasure to present to your new Illustrious Potentate your Charter for this new Temple. It does a lot more for Shrinedom than we realize

because all you have to do is just look at the record of what this Temple did last year and you will see what happens. Therefore, it is indeed with a great deal of pleasure and honor that I present to you your Charter and may God bless you and may you build a great Temple.

(Presentation of Charter to Noble Hopkins and applause ensued.)

IMPERIAL POTENTATE SEAY: I would now like to recognize the Illustrious Potentate of Hadji Temple, Brother and Noble J. B. Hopkins.

NOBLE J. B. HOPKINS (Potentate, Hadji Temple): Thank you very much, Imperial Sir. We have been waiting a long time for this moment.

I know you have a lot to do but I do want to take just a few moments to say something. I have prepared a fifteen-page report so that each of you may know how hard we have worked. Of course, I am joking but let me say that we have had the most wonderful cooperation, with all of our people working very hard for this day. However, there was one Temple without whose assistance we could not even have started.

I am sure that you did not quite get the significance of the report about Morocco Temple's assistance to us. It is true, I would have been Potentate there. I wish you would allow me, Imperial Sir, the pleasure of asking Randolph Thomas, through whose representative capacity as Illustrious Potentate of Morocco Temple we have obtained 897 of their fine Nobles, to please come up here for a moment and accept my public gratitude for all that has transpired. All joking and kidding aside, I would appreciate a round of applause for him because they are a poor little Temple. They have only been in existence since 1885. (Laughter and applause.)

NOBLE RANDOLPH THOMAS (Morocco Temple): Let me first say, Imperial Sir and Representatives, that Morocco Temple was chartered in 1888. I want to take this opportunity to thank the Committee on Charters and Dispensations.

NOBLE J. B. HOPKINS: May I interrupt and say to you that he really meant to say 1885. This is another example of the mistakes these older Temples sometimes make. (Laughter)

Let me also say that with great humility we are glad to join this Fraternity. We have tried to learn and learn quickly. We have a good Shrine Club in Morocco Temple. We have twelve counties in Northwest Florida. If you are ever down that way, we would be glad to have you visit us.

Also, I want to take this opportunity to publicly thank Judge Warren Jones because without his assistance we could not have begun with the various efforts necessary to obtain this Charter. He answered many of our letters and kept us in line. We have made some mistakes, of course, but we have worked very hard in order to deserve this honor that you have bestowed upon us.

I also want to thank Harvey Legee, who was the Chairman of the Dispensation and Charters Committee last year. I also want to thank our Chairman of this year. They had some seven or eight meetings and we really did not know until breakfast this morning because they did have one member on that Committee who was giving us a hard time. (Laughter)

Imperial Sir Woody Bennett has been in Hadji country twice and we are grateful for his assistance. He has been a great help to us. Imperial Sir Tom Seay was unable to make it but he did have good representation there for our ceremonies. We concluded our third ceremony on June 22nd.

I would like to call to your attention something said by the Chairman of the Nominating Committee at the Jesters meeting the other day — they saw their duty and did it. Likewise, I was so hopeful and proud of the fact that you saw your duty and did it in allowing us to become a Temple. We had so many fine things happen to us this year.

I also want to thank Imperial Sir Orville Rush because without his cooperation and the granting of our dispensation we could not have been where we are today.

There is one other person I would like to thank. Lawrence Jackson is the Recorder of Morocco Temple and he has helped us very much, as well as have many of the members of Morocco Temple. Therefore, with the permission of you, Imperial Sir, I would like to have the privilege of asking all the members from that fine Temple in attendance to please stand and receive applause from our Divan here.

Would the Morocco Temple members please stand. As you can see, there are not many here. (Laughter and applause.) Apparently there are not many here because we got most of them. (Laughter)

I would also like to have those present from Abba Temple also stand and receive the gratitude of our Divan here. (Applause)

Also, I must tell you, even though you are busy, that without the help of George Saunders, we could not be doing what we are presently doing. I don't know how many letters I have been privileged to receive from him. You know, I also called him many times on the telephone and did not find out until I arrived in Chicago that I did not really have to pay for all those telephone calls. (Laughter) I could have called collect but, as I say, nobody told me. (Laughter)

However, now that we are a full-fledged Temple, we are going to work hard to justify your confidence in us and, of course, we are the baby and frequently, almost in every instance, when a new baby is born, there are expressions of gratitude, usually in some material form. (Laughter)

We are also going to have a "One Hundred Club," which we have gotten approved by the J&L Committee. We will have bronze plaques. Therefore, if any of you want to be in on this, we will be proud and pleased to receive your money.

Finally, in the hope that we might join this illustrious body and have a Temple, we thought that one of the finest things we might be able to do and because we are really trying to work very hard and to have the very best right off, we are privileged to announce that we are going to have Imperial Sir Chester Hogan and his wife come to Hadji country, where they are going to be with us from Sunday through Tuesday. We are going to spoil the dickens out of them and so the rest of you Temples who are going to have the pleasure of having them visit with you this year had better get ready because when they leave Pensacola they are going to want to come back there.

I want to thank all of you very much. We appreciate all the fun we have had. (Cheers and applause.)

NOBLE HENRY B. STRUBY: Imperial Sir and Representatives: I have likewise had quite a bit of correspondence with the Honorable Judge with regard to the chartering of this new Temple. I can tell you, especially after having actually been Membership Chairman for some three years, that I am most happy to have this new Temple with us. We of our Temple are glad to welcome them and are happy to have them with us. (Applause)

(Business was transacted in the Colorado corporation at this time.)

IMPERIAL POTENTATE SEAY: Nobles, we have thirty minutes yet. I would now like to recognize Noble Cecil B. Walrath, Chairman, Committee on Jurisdictional Lines.

(Whereupon, Noble Walrath presented the report of the Committee as indicated below:)

Imperial Sir Tom — Imperial Sirs Past and Present and Representatives to this 94th Imperial Session:

Reporting for the Jurisdictional Lines Committee, I wish to report that within the last hour the Potentates of Aloha Temple, Islam Temple, Afifi Temple and Nile Temple have requested the withdrawal of their respective proposed amendments to certain Sections of Articles 49 and 92 of Part IV of the By-Laws of the Imperial Code.

Your Committee however, would like to bring to the attention of this assembled body that these four Temples are performing a fabulous service for the general good of Masonry and Shrinedom throughout the Orient.

Respectfully submitted,

COMMITTEE ON JURISDICTIONAL LINES

Cecil B. Walrath, Afifi Temple, *Chairman*
Edward C. Brohl, Al Koran Temple
Charles Q. Oldham, Ararat Temple
J. D. Hill, Bahia Temple
Arthur E. Armitage, Sr., Crescent Temple

Ford Q. Elvidge, Nile Temple
Erward J. Hosch, Yaarab Temple

NOBLE CECIL B. WALRATH: Imperial Sir, I move the adoption of this report.
(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report of the Committee on Jurisdictional Lines, as just read, be adopted. Is there discussion?

(The question was called for, the motion to adopt the report was voted upon and declared to be carried.)

COMMENTS BY FORD Q. ELVIDGE*

PAST POTENTATE - NILE TEMPLE

RE:

FOREIGN CEREMONIALS IN THE ORIENT

(Supplemental to the Jurisdictional Lines Committee Report)

The Jurisdictional Lines Committee has submitted a very brief Report to this Imperial Session touching the matter of Foreign Ceremonials in the Orient, as provoked by the three proposed amendments offered by Island, Affi and Nile Temples, and the proposed amendment by Aloha Temple, appearing on pages 16 and 17 of the Call.

The brevity of the Report does not do justice to the work of the Committee on Jurisdictional Lines. The Committee spent one whole day interviewing the four Temples separately and jointly, and much time in Executive Session considering the matter from all angles. The matter became moot from a legislative point of view because after preparation of the Committee's complete preliminary report all four Temples withdrew their respective Petitions for Amendments.

It is to be hoped that this matter of Foreign Ceremonials in the Orient will not disturb the Imperial Session again for some time. It is because these Temples have for some years repeatedly presented proposals or amendments to the Session on this subject, each of which became moot before reaching the floor, and because some of the members of the Jurisdictional Lines Committee have become very familiar with the subject and are virtually unanimous in their view, it is felt that a comment for the record would be informative and of help to the Nobility generally.

Aloha Temple has been given coded exclusive jurisdiction of the Islands of the West Pacific (meaning principally Guam and Okinawa) and has for some years conducted pilgrimages to Guam and Okinawa and performed ceremonials and initiated candidates. It has worked satisfactorily.

On the other hand, by mutually satisfactory arrangement and agreement and under dispensation of an Imperial Potentate, Nile, Affi and Islam have been making pilgrimages to the Orient (meaning principally Japan, Hong Kong, Taiwan and the Philippines) for many years on a three-year rotational basis and initiating candidates. Nile Temple pioneered the Orient. Its first pilgrimage to the Orient was in 1914, when it conducted a ceremonial and initiated candidates. Nile's pilgrimages were interrupted during the First World War and during the Second World War. In the meantime, Affi and Islam joined with Nile on a rotational basis so that alternately each for many years has gone out to the Orient and conducted ceremonials and initiated candidates. The three Temples have built up a great acceptance in the Orient among sojourning Masons and Western-minded Orientals. Much international goodwill has been nurtured. Many prominent Orientals are members of the three Pacific Coast Temples. Dr. Sibura L. Kitamura, Grand Master of Masons in Japan three years ago, is a member of Affi and an honorary member of Nile. Three years ago he rode in the parade in Washington, D. C., in a car assigned to the representative of the Grand Master of Masons in Washington. The present Grand Master of Masons in Japan, a Japanese, is a member of Nile Temple and was honored by the Imperial Shrine at this Session. He is President of International Rotary. Islam and Affi have many distinguished Orientals among their membership. Shriners in the Orient (both Oriental and sojourning) look to the officers of the three Coast Temples for guidance.

It would be most unfortunate to disturb or disrupt the present three Temple rotational arrangement.

The three Temples have an investment in regalia and paraphernalia stored at strategic places and commonly shared by each during their pilgrimages in the Orient. Nothing in Shrine history transcends the fraternal cooperation that exists among these three Temples in their joint work in the Orient.

The Jurisdictional Lines Committee has been unanimous in its hope that succeeding Potentates will continue to recognize and support the three Coast Temple arrangement for rotational service in the Orient.

Ford Q. Elvidge

*Noble Elvidge is a former Governor of Guam and has travelled extensively throughout the West Pacific and in the Orient. He has visited many Masonic organizations in that part of the world and is very familiar with Freemasonry in the West Pacific and in the Orient.

He has served a number of times on the Jurisdictional Lines Committee.

IMPERIAL POTENTATE SEAY: I now recognize Imperial Sir Aubrey G. Graham, for the report of the Special Events and Circus Advisory Committee.

NOBLE AUBREY G. GRAHAM: Thank you, Illustrious Sir, Tom Seay.

I would like to call on Noble Jack Chapman of Tripoli Temple, the Vice Chairman, to make the report.

NOBLE HENRY C. ANDERSON (Assistant Rabban, Tripoli Temple): Imperial Sir, Imperial Sirs and Representatives to the Ninety-Fourth Imperial Council: I am Henry C. Anderson, Assistant Rabban of Tripoli Temple and with your permission I would like to give this report for our Potentate, Noble A. Jack Chapman.

At a meeting of the Imperial "Special Events and Circus Advisory Committee" at ten o'clock a.m., July 8, 1968, the following recommendation was unanimously adopted for presentation of this illustrious body:

Whereas, circus and special events activities provide a major source of income for a great number of Temples; and

Whereas, some Temples have had excellent experience in connection with such activities while others have met with embarrassing, frustrating and sometimes disastrous incidents; and

Whereas, information both good and bad is desired by Temples to assist them in negotiating with circuses or acts, evaluating equipment, insurance, contracts, promotions, sales and other items;

Your Committee Recommends:

(1) That a circus and special events clearing house be installed in the Imperial Office.

(2) That the Office send questionnaires to all Temples requesting information, past and present, concerning such activities.

(3) That the Special Events and Circus Advisory Committee assist in drafting the questionnaire.

(4) That files and sub-files be developed containing the information furnished on return questionnaires.

(5) That such information be made available to Temples upon request.

Further, that in the future each Temple Recorder, and where known, each Temple Circus or Special Events Chairman, be advised in advance by letter the time and place of the meeting of the Special Events and Circus Advisory Committee at each Imperial Session. It is understood that the committee appointed by the Imperial Potentate will control the meeting and that the other Circus and Special Events Chairmen would be invited to contribute experiences, questions, and suggestions for evaluation and action by the Committee.

Further, that Shrine Association meetings of the Special Events and Circus Advisory Committee be encouraged.

This concludes the report of the Special Events and Circus Advisory Committee.

Imperial Sir, I move the adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report of the Special Events and Circus Advisory Committee be adopted. Is there discussion?

(The question was called for, the motion to adopt the report was voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: I would now like to recognize Bob Turley, Chairman, Committee on Grievances and Appeals, for his report.

(Whereupon, Noble Robert A. Turley presented the following report:)

REPORT OF GRIEVANCES AND APPEALS COMMITTEE

IMPERIAL POTENTATE SEAY: Nobles, it being near the lunch hour, we will now recess until two o'clock this afternoon.

(The Ninety-Fourth Annual Session of the Imperial Council, AAONMS, recessed at 11:40 o'clock a.m. to reconvene at 2:00 o'clock p.m., Thursday, July 11, 1968 in the Grand Ballroom of the Palmer House, Chicago, Illinois.)

AFTERNOON SESSION

THURSDAY, JULY 11, 1968

TWO O'CLOCK P.M.

The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom of the Palmer House, Chicago, Illinois, July 11, 1968 at 2:00 o'clock p.m., Imperial Sir Aubrey G. Graham, Imperial Assistant Rabban, presiding.

IMPERIAL SIR AUBREY G. GRAHAM: Nobles, if you will please take your seats, we want to continue with our Session. We will proceed with the report of the Necrology Committee just as soon as you become quiet.

Let me say that our Imperial Potentate, Thomas F. Seay, has been delayed; our Deputy Imperial Potentate, Chester A. Hogan, has likewise been delayed and our Imperial Chief Rabban, J. Worth Baker is not here. Therefore, that is why I am opening this Session.

As I have indicated, the next order of business is the report of the Necrology Committee. I happen to be the Chairman of that Committee and, therefore, with your permission, I would like to proceed with the report of the Necrology Committee.

We are gathered here to pay sincere tribute of respect and affection to the passing of our distinguished dead since the last session.

The service will be opened with the assistance of the Medinah Temple Chanters, under the direction of Noble E. Arnold Alenius singing "Beautiful Savior."

(Whereupon, the Medinah Temple Chanters sang "Beautiful Savior.")

IMPERIAL SIR AUBREY G. GRAHAM: It is with deep sorrow and regret that I place the names of the following Illustrious Nobles on our record:

LOUIS CHACKES

Ainad Temple, East St. Louis; Illinois.

Louis Chackes, Secretary-Treasurer of the Shrine Directors Association, passed away on February 6, 1968.

Lou, as he was affectionately called by his many friends, was one of the founders of the Shrine Directors Association who, through their interest and cooperation, were able to upgrade the second section work in Shrine Ceremonials, make them safe for candidates and eliminate unfavorable practices in our Ceremonial work in Temples. He was also Editor of the Imperial Council Shrine News, a most interesting news media for the dissemination of Shrine news. Lou served as Potentate of Ainad Temple in 1928 and was an emeritus member of this Imperial Council, having served on many top committees. He personified the highest ideals of a Mason and Shriner and received many honors, including the honorary DeMolay Legion of Honor. He rendered long and distinguished service to this Imperial Council and will be sincerely missed.

I also wish to announce that Illustrious Noble Lincoln Kelly, Past Potentate of El Kalah Temple, Salt Lake City, Utah; Chairman, Board of Governors of Shriners Hospitals for Crippled Children, Intermountain Unit, died in his sleep here at the Palmer House while in attendance at this Imperial Session. He has served many years on the major committees of this Imperial Council.

I will now call upon our Imperial Chaplain, the Reverend Timothy B. Reeves, to offer prayer.

THE REVEREND TIMOTHY B. REEVES: Almighty God, our Father, from whom we come and unto whom our spirits return, we pray that in this tender moment of memory that you will make us most sensitive to the beauties of life and the forget-me-nots of love, labor and vision that bloom and cushion on the remembrance of those who contributed so much to the fellowship, the rich heritage and the continuing service of the Shrine on behalf of unfortunate children.

Thank you, Lord, for their lives and for the privilege that has been granted to us in walking a little bit of the road of life with men of their caliber, of their character and of their concern. Tenderly nurture their loved ones in their lonely moments.

Grant to us divine guidance as we continue to so build upon the foundation of their construction through service in the Shrine that all children may be fully blessed with healthy bodies, free from pain, always remembering:

That when earth's last picture is painted,
And the tubes are twisted and dried;
When the oldest color is faded,
And the youngest critic has died;
We too shall sleep and, faith, we will need it,
We will lie down for an age or two;
Until the Master of all good workmen,
Shall put us to work anew.
Those that were good shall be happy,
And splash at a ten leaf canvas,
With brushes of comet's hair.
They shall have real saints to draw from,
Magdaline, Peter and Paul,
They shall work for an age at a sitting,
And never grow tired at all.
And none but the Master shall praise us,
And none but the Master will blame;
No one will work for money, no one for fame,
But each in the joy of his working,
And each in his separate star,
Will draw life as he sees it,
The things of God as they are.

AMEN

(The Medinah Temple Chanters sang "The Lord's Prayer," following the rendition of which Buglers from Medinah Temple sounded "Taps.")

IMPERIAL SIR AUBREY G. GRAHAM: Nobles, I would like to thank the Reverend Timothy B. Reeves and the Medinah Temple Chanters and Buglers for the excellent services they have rendered us on this occasion.

Imperial Sir, this concludes the report of the Necrology Committee. I move the adoption of this report.

(Whereupon, Imperial Sir C. Victor Thornton was tendered the gavel.)

IMPERIAL SIR C. VICTOR THORNTON: You have heard the motion, which is for the adoption of the report of the Necrology Committee. Is there a second?

(The motion was severally seconded, voted upon and was declared to be unanimously carried.)

(The gavel was then tendered to Imperial Sir Chester A. Hogan.)

IMPERIAL SIR CHESTER A. HOGAN: Nobles, if I can have your attention, we will have the report of the Time and Place Committee. At this time I would like to call upon Past Potentate Aurie Thompson, Director General of the Seattle Convention. Noble Thompson, are you in the audience?

NOBLE AURIE THOMPSON: Imperial Sir, Imperial Sirs, Representatives and Nobles all: The 1969 Imperial Council Session will be held (as you probably know) in Seattle, Washington, June 29-July 5, 1969. There will be three Temples involved in this Convention. They will combine activities in order to make this a big, fine Convention.

You saw a tremendous presentation during the Imperial Sir's Pageant and to try to elaborate on this would be just terribly foolish at this time. However, I do want to say that the northwest is really and truly proud to have been selected. We want you to come to the northwest. We will make your stay there as pleasant as we possibly can. We want you to feel the difference, if you know what I mean. To come there, I am sure, is going to be for at least some of you a truly fine, tremendous and happy experience.

We have our various committees working. We have not, however, been able to do much prior to this Convention but we are geared to start our work as soon as we all return home. We want you to know that each of our people have dedicated themselves to do a good job for you. We also want your help in order to do that job well.

All of the events and various activities will be designed to please you.

I am sure there are a lot of people in this room who would like to know where we are going to have you stay in Seattle. So much has been said about that that I sometimes wonder about just how to answer that question properly. However, I can say to you that we are putting together a package and I am sure that with your cooperation and tolerance in some cases that we will make you happy with what we can afford to give you. By this I mean that we will have to spread ourselves a little thin at times.

We have thus far set up ourselves for good housing from Olympia, Washington, which is our Capitol and not too far away, through Tacoma, its environs, etc. As you know, Afifi Temple is located in Tacoma and this is the Temple of your Imperial Sir.

Therefore, this package will come out in the not too distant future. We have had to make some changes in relation to some of our committees and so we are sorry for the delays. However, I am sure the delay will not prove unpopular, especially when we are able to give you some tangible answers.

I believe we are going to send out some more questionnaires and in relation to the Temples who have not yet answered the ones we mailed you on February 13th, we wish you would answer them. It would help us adjust our inventory.

As I say, we are running a good program. We are going to have entertainment for you. We are going to have proper housing. We would like to have you in the Northwest. We want you to enjoy your stay in the Northwest and, as I have indicated, we will do everything we can to make you happy.

Housing, as you know, is somewhat of a problem but we are beginning to work that out. We need your support and we really want to see you out there and we want you to come to Hogan's country.

Thank you very much. (Applause)

IMPERIAL SIR CHESTER A. HOGAN: He is a great Director General and I hope you will all come to the great northwest. We will be waiting for your arrival and can assure you you will have a good time while you are in that area.

At this time we will hear from our Imperial Sir, J. Worth Baker.

IMPERIAL SIR J. WORTH BAKER: Imperial Sir, Imperial Sirs and Nobles all: I would like to present our Junior Past Potentate, who is our Director General, and who has some announcements to make regarding Indianapolis, Bill Lantz.

NOBLE WILLIAM LANTZ: Thank you, Imperial Sir.

Imperial Sirs and Representatives all: As I told you last year, gentlemen, "Start your engines," because you are coming to Indianapolis in 1970 and we are going to have a real fine show for you at Indianapolis, the home of the "500." We want all of you to plan to come.

We, like Seattle, are having a little room problem but we are getting it solved real fast. The Assistant Rabban there will be the Potentate in 1970 and you should have a preliminary questionnaire furnished you at this Convention. If you do not have it here, you will have it when you get home, because we are going to work real fast. We are not going to contract for any rooms until the first of this year and so we will let you know more about that later.

We are planning a lot of things for you. We cannot be like "Hogan's Heroes," but we are going to try our best to show you some of the fine hospitality of Hoosierland. Therefore, we all want you to come. We are going to plan a lot of fun for you. It is going to be a great year.

We will see you in Indianapolis in 1970. Thank you very much. (Applause)

IMPERIAL SIR CHESTER A. HOGAN: We will now hear from Imperial Sir Aubrey Graham. Before I call on him, I would like to say that the dates for the Indianapolis Convention are July 12-17, 1970.

IMPERIAL SIR AUBREY G. GRAHAM: Imperial Sir, Imperial Sirs and Representatives: The Assistant Rabbans have been bugging me for the last year as to where I am going for my year as Imperial Potentate. Now, with regard to this matter, I would like to place the following before you:

Our Time and Place Committee anticipates that a definite site selection for holding the 1971 Imperial Council Session will be made within the next six months. I therefore move that the Time and Place Committee for the 1971 Imperial Council Session be given authority before the next Imperial Council Session at Seattle to select an agreeable site for the 1971 Imperial Council Session and to make such arrangements and agreements as are necessary to accomplish this purpose.

Now then, in making this motion, Nobles, I am going to assure each and every one of you that you will receive a first-class hotel room, that you will have every advantage that goes with a good convention. I am at the present time negotiating with four convention cities for the site in 1971. At this time I believe that your interest would not be served if I attempted to announce the site. Therefore, I think that within the next six months we can come up with a convention site that all of you will be proud of.

Imperial Sir, I move the adoption of this report and this motion.

(The motion was severally seconded.)

IMPERIAL SIR CHESTER A. HOGAN: It has been moved and seconded that this report, together with the motion be adopted. Is there any discussion?

(The question was called for, the motion was voted upon and declared to be carried.)

IMPERIAL SIR CHESTER A. HOGAN: We will now hear from Imperial Sir, Chick MacGregor.

IMPERIAL SIR C. P. MACGREGOR: Imperial Sir and Representatives and guests: I will give you one guess where we will have our Convention in 1972.

However, it will be the centennial year, the one hundredth year of Shrinedom, and it is my pleasure to present the Potentate of Al Malaikah Temple to give you an invitation at this time, Noble Leo Anderson.

NOBLE LEO ANDERSON: Imperial Sir, Imperial Sirs, Representatives and Nobles: It is my pleasure to extend an invitation, on behalf of Al Malaikah Temple, to our Imperial Sir Chick MacGregor to hold the 1972 Convention in Los Angeles. If we have any trouble with housing, and we do not expect any, then our Imperial Sir

has arranged to put tents in his front and back yard. (Laughter) We should, however, have no problems.

We want you to come out to Los Angeles, to enjoy Disneyland and Marineland, the beaches of our Pacific Ocean, snow on our mountains and, above all, of course, Hollywood. As you know, Hollywood used to be covered by groves of fruits and walnuts and it is often said that Hollywood is the land of the fruits and nuts and sometimes even the weather is queer. (Laughter)

However, we do want you to come out, enjoy yourselves and have a good time. I know that we will be able to give you a great convention. Therefore, all of you please plan to attend. (Applause)

I move that the 1972 Session of the Imperial Council be held at Los Angeles, California. It will be the first week in July.

(The motion was severally seconded, voted upon and declared to be unanimously carried.)

IMPERIAL SIR CHESTER A. HOGAN: I would now like to have the report of the Special Committee on Shrine Tours and Cruises, Illustrious Sir Bob Turley.

(Whereupon, Noble Robert Turley presented the following report:)

REPORT OF SPÉCIAL COMMITTEE ON SHRINE TOURS AND CRUISES

To The Imperial Council, A.A.O.N.M.S.:

At the 93rd Session in Washington last year, your Committee filed a report which consisted in large part of information concerning supplemental air carriers, tour operators and charters. We shall not repeat what we then said; but, in some specifics, we shall refer to that report in order that this one may be more intelligible.

First, with regard to the recommendations made at the last session and adopted by the Imperial Council, we are pleased to report the progress made since then.

The Insurance Committee was asked to investigate the myriad problems of providing sufficient insurance coverage for tours and cruises. The Insurance Committee, through its able and esteemed Chairman, Illustrious Sir Carl A. Rahn, furnished us with the following advice and recommendations which we are pleased to pass on to this body:

"This question is very complicated, to say the least, because of the wide spread of groups involved, the variety of trips, and the multiplicity of insurance agencies and companies the various organizations may be dealing with. Recognizing all of these variables, our recommendation would be as follows:

"1. Any organization sponsoring or involved in any cruise, the sponsor should advise their insurance agent and ask that cruise be specifically endorsed to General Liability policy carried by sponsoring temple, club, or association, to provide non-ownership Watercraft Liability.

"2. If the trip is to be made by air, the sponsor's insurance agent should check this with the General Liability insurance carrier to determine if aircraft exposure is covered under basic Liability policy. If no coverage is available, non-ownership Aircraft Liability insurance should be provided through an aircraft specialty insurance company, clearly stating the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property.

"3. If the trip or cruise is to be beyond continental United States, its possessions or Canada, the sponsoring organization should have their insurance agent arrange the necessary insurance needed for those countries.

"4. By all means, the fine print in any policy should be read very carefully.

"I realize that this recommendation is on a broad general scope because of the many variables mentioned, and to try to get it more concise without having knowledge of the coverage of the Temples as well as the coverages of the carriers, is extremely difficult."

Pursuant to our second recommendation, the Imperial Recorder sent to each Potentate, Chief Rabban and Recorder information concerning tours and cruises, including

a copy of our report, a summary prepared by the office of the General Counsel, and an excerpt of pertinent C.A.B. Regulations relating to charters.

In accordance with our third recommendation, the Imperial Potentate issued General Order No. 2, Series of 1967-1968, a copy of which was sent to each Temple and to each Representative.

Last year we expressed concern about impairment of the reputation of the Shrine and of our North American countries by unthinking Shrine tourists abroad. Since then the Imperial Potentate has received reports of specific cases of ill-mannered behavior of some Shriners on foreign tours. This has been not only a source of much embarrassment to the Imperial Potentate and to the Temples involved; it has reflected upon all of us. All of our efforts to promote good public relations for the Shrine go for naught to those who judge us by the misbehavior of some few who abuse the privilege of wearing a fez. We here express the hope that every Potentate will recognize his responsibility for the actions of all members of his Temple when engaged in Shrine activities; and we suggest that he indoctrinate those members of his Temple who plan to tour abroad upon their individual responsibilities to promote — not damage — friendly international relations. We also repeat our suggestion that fezzes be not worn outside the North American continent and Hawaii, except in official meetings held in connection with Shrine tours.

You were told last year of the three types of charters. The inclusive tour charter has become even more popular than before. For example, in 1967, 25,000 people traveled to Hawaii on inclusive tours; and estimates for 1968 indicate that there will be 136,000 passengers on inclusive tours to Hawaii. The status of inclusive tours, and especially those to foreign countries, has been clouded by a recent decision of the United States Court of Appeals for the 2nd Circuit, which was handed down shortly after the conclusion of our Imperial Council Session in Washington last year. The clouded condition became dark indeed when on May 27, 1968 the Supreme Court of the United States affirmed that decision by a four-to-four vote.

Recently some of you have been made aware of efforts to clear the confusion concerning inclusive tour charters by legislation now pending before Congress. The effect of the legislation, if enacted, will be to legitimize inclusive tour charters. Both the Committee on Commerce of the Senate and the Committee on Interstate and Foreign Commerce of the House of Representatives have reported favorably on the pending legislation. There is a difference between the Senate bill and the House bill but we foresee no difficulties in resolving the difference. Both bills have the blessing of the C.A.B., the Department of Commerce and other interested governmental authorities. The Senate Bill may be passed this week.

We have the following recommendations:

1. Temples sponsoring air tours cannot be too strongly urged to consult with their legal advisors concerning contracts for the tours in order that they not unwittingly become parties to the violation of C.A.B. regulations, which have the force and effect of federal law with attendant civil and criminal penalties for their violation.
2. Neither can we urge too strongly that Temples sponsoring tours consult with their insurance advisors with reference both to liability coverage for the Temple's protection and accident coverage for the protection of its members.
3. We recommend that the Potentates of Temples sponsoring tours into the territorial jurisdiction of other Temples be courteous enough to the Potentates of the latter Temples to advise them of the impending friendly invasion.
4. We recommend the issuance by the Imperial Potentate of a General Order similar to General Order No. 2, 1967-1968 Series; not with the idea of asserting any degree of control over Temple-sponsored tours but for the two purposes of avoiding conflicts in dates and of accumulating information for the use of this Committee or its successor.

Respectfully submitted,

Robert J. Turley, *Chairman*
George B. Rowell
C. P. MacGregor
J. Worth Baker
William H. Knowlton

NOBLE ROBERT J. TURLEY: Imperial Sir, we have the temerity to suggest that we try to answer any questions in relation to this report, if there be any. However, in order to bring the report before this body for action, I move the adoption of the report.

(The motion was severally seconded.)

IMPERIAL SIR CHESTER A. HOGAN: It has been moved and seconded that this report be adopted. Is there any discussion?

NOBLE HAROLD R. MANNLE (Ainad Temple): Imperial Sir, the Chairman in reading his report referred to chartered tours. How does he feel about regular flights?

NOBLE ROBERT J. TURLEY: Well, the Committee has, and I think I can speak for the Committee, felt, both last year and this year, that the Imperial Council itself should undertake to control tours and cruises and thereby perhaps accept some responsibility for Temple-sponsored tours and cruises. On the other hand, we have believed and still believe that your committee should offer you information and advice.

Now, insofar as I know, the Committee has expressed no preference as between charters or trips on a regularly scheduled airline.

NOBLE HAROLD R. MANNLE: I assume that it would be better in relation to insurance to go on regular flights, such as TWA. I have a flight going to Europe in September. I supplied the information quickly to the Imperial Recorder and it came back approved. I was concerned when you made your announcement that there might be a difference between charter and regular flights.

NOBLE TURLEY: I think that you will find, as we did in investigating this matter last year, as well as this year, that the supplemental air carriers which are carrying most of the charter traffic are subject to varying stringent regulations by the Civil Aeronautics Board under an Act of Congress adopted in 1962. Therefore, the supplemental air carrier industry is a very strong segment of the aviation industry at this time and is no longer a collection of non-scheduled airlines flying airplanes put together with chicken-wire.

NOBLE MANNLE: I have another question. In these Temple-sponsored tours of this type can the Potentate of the Temple throw it open to the public and, if so, where is the liability limited insofar as the Temple itself is concerned?

NOBLE ROBERT TURLEY: Of course, it depends upon the type of charter. Most of the charters are either group affinity charters or inclusive tour charters. A group affinity charter may include as its participants only members of the group and members of the immediate families, people residing in the same household—dependent children, wives or parents. On the other hand, inclusive tour charters which, under the present regulations, must include stops at at least three places which must be at least fifty miles apart, are not restricted to groups. They are, however, often sold to groups and many of the tours taken by Shrine Temples are inclusive tours. However, if any member of the public requests an opportunity to purchase a ticket on an inclusive tour charter of either the airline or the supplemental air carrier or the agent, both of whom are subject to C.A.B. regulations in that case, that person from the public is entitled to have a ticket.

Also, I think that liability in this case depends in some measure upon the state in which the transaction is made and also upon the degree of control exercised by the Temple sponsoring the tour. We received advice from General Legal Counsel before the Washington session that the liability of the Imperial Council in relation to these Temple-sponsored tours was not existent so long as the Imperial Council did not attempt to exercise control. Now then, it would follow, of course, that the liability of the Temple would stem from the control it exercised over the tour.

Now, I might also say this, that in an inclusive tour charter, under present C.A.B. regulations, they must have the approval of the C.A.B. before any space is sold and then be operated by a tour operator authorized by the C.A.B. In turn, the tour operator must make a post-tour report to the C.A.B. Therefore, in that connection, the tour operator would exercise much more control over the tour than in a group affinity charter.

Also, let me say one more thing about that. This points up what your Committee advises you to do. Before you sign any contract for a tour, whether it is an inclusive tour charter or whether it is a group affinity charter, see the lawyer that advises your

Temple. He knows the laws of your State and he has access to the C.A.B. regulations in order to see that you are protected.

I have also been asked a question as to what happens when a Shrine Association sponsors a trip — whether or not the Temple will be liable.

Well, the answer here is that the Association should seek legal advice before signing a contract in order to determine what kind of charters will be involved and in order to see that neither the Temple nor the Association asserts sufficient control as to establish a chain of liability.

IMPERIAL SIR HOGAN: Is there further discussion? If not, we are on the motion to adopt the report as submitted. I will put the question.

(Whereupon, the motion to adopt the report was voted upon and declared to be carried.)

(At this point, the gavel was tendered to Imperial Potentate Thomas F. Seay.)

IMPERIAL POTENTATE SEAY: The Chair now recognizes Imperial Sir Henry B. Struby, Chairman of the Committee on Mileage and Per Diem, for his report.

(Whereupon, Imperial Sir Struby presented the following report:)

IMPERIAL POTENTATE SEAY: I will now recognize Bob Vetter, Chairman of the Finance and Accounts Committee.

NOBLE VETTER: Imperial Sir, Imperial Sirs and Representatives: We propose giving you several reports. However, they will be short.

I would also like to make this observation at this time—that the Committee met and all members approved the information that has been assembled. We were also all to sign the reports the following morning. All of the reports were signed by all Committee members with the exception of one individual and this, of course, was Noble Lincoln G. Kelly, who you heard a report on a few moments ago.

Your Committee on Finance and Accounts now reports to you regarding departures from the Revised Budget for 1967, for the Iowa Corporation.

Revised income was budgeted at \$1,076,900; actual income was \$1,080,416, an increase of \$3,516. All items of income were under the budget with the exception of Interest on Investments, which was \$16,965 over.

The proposed budget for 1967 for the Iowa Corporation was approved at the Annual Session in 1966. Prior to the Annual Session in 1967 certain revisions had been made and these were presented to you at that session and received your approval. Since that time certain adjustments have been made in the Revised Budget and they are herewith submitted for your approval:

NOBLE VETTER: Imperial Sir, I move that the proposed Budget for 1969 for the Iowa Corporation be approved and adopted as submitted.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the proposed Budget for 1969 pertaining to the Iowa Corporation be approved and adopted as submitted. Is there discussion?

(The question was called for, the motion was voted upon and declared to be carried.)

(Business was transacted in the Colorado Corporation at this time.)

NOBLE JOHN VESEY: Imperial Sir, the Chairman of the Finance and Accounts Committee has been reading to all of us Nobles some very large figures which run into many millions of dollars and, of course, we have been rubber-stamping these without actually knowing what we were doing, any of us.

I would like to make a simple suggestion — that hereafter, when he makes such a report, that he mimeograph those figures in advance and pass them out to us the day before his report is made so that we can follow his presentation and try to understand what is going on. We have approved a budget of some \$27 million and we do not have the least idea as to what this involves. Of course, we are all for the Crippled Children's Hospitals and we all have confidence in our officers. At any rate, we would like to know about some of these things and not merely sit here and not really understand what we are doing. I can vote upon the things I understand but there are things that I do not understand which came up here. Of course, I may be stupid but then I do the best I can.

I hope that is a progressive suggestion. I don't see how it could cause any trouble or inconvenience. (Applause)

IMPERIAL POTENTATE SEAY: Well, I will agree with you. I believe the Representatives sitting out there on the floor should know what is going on. This has been one of my complaints this year, that many of them do not know what is going on.

At this time I would like to turn the gavel over to our Deputy Imperial Potentate. (Whereupon, Imperial Sir Hogan was tendered the gavel.)

IMPERIAL POTENTATE SEAY: I move you, Imperial Sir, that we do make copies of these budget figures as read and that they be presented to the Representatives before the report is given next year.

NOBLE JOHN VESEY: Imperial Sir, I will be happy to second the motion. (Applause)

IMPERIAL SIR HOGAN: You have heard the motion and the second. Is there further discussion? If not, I will put the question.

(Whereupon, the motion to provide the information as indicated above was voted upon and declared to be unanimously carried, following which the gavel was again returned to Imperial Potentate Seay.)

IMPERIAL POTENTATE SEAY: Is Herman Engelhardt, Chairman, European Foreign Ceremonies, in the room? I would now like to call upon him for a brief report.

NOBLE HERMAN L. ENGELHARDT: Imperial Sir, Imperial Sirs and Representatives: I will make a brief report in relation to the European Shrine Ceremonials.

On August 8, 1953, Aahmes Temple conducted the first Shrine Ceremonial in Weisbaden, Germany. Subsequent to that, there have been Ceremonials by other Temples, one to three Ceremonials a year. They have all been very successful.

Unfortunately, however, during 1967, the German Supreme Council of the Scottish Rite of Freemasonry became irregular. As soon as this situation was known to George A. Newbury, Sovereign Grand Commander of the Supreme Council Thirty-Third Degree for the Northern Jurisdiction of the Scottish Rite, he issued a letter dated November 1, 1967. This letter was forwarded to the Sovereign Grand Commanders and Grand Secretaries General of all regular Supreme Councils, Thirty-Third Degree, of the world. They were advised that fraternal relations with the Supreme Council of Germany were suspended pending assurance of its adherence to the Grand Constitution of 1786 requiring a profession of a belief in God for initiation or affiliation into the Rite.

On December 27, 1967, Luther A. Smith, Sovereign Grand Commander, Thirty-Third Degree, of the Southern Jurisdiction of the Supreme Council of Scottish Rite of Masonry, sent a similar letter severing friendly relations with the Supreme Council of Germany. Now, this then had the effect of bringing the German group right to their knees. I was later informed that the three officers in the Grand Supreme Council of Germany immediately came to see George Newbury and he told them, "Well, fellows, get your organization to put the Bible back and we will recognize you." They assured George they would.

In the meantime, Luther Smith sent over the Deputy Grand Commander, Henry Clausen of San Francisco, to go over there and look into the situation. He created another Scottish Rite body called the American Military Scottish Rite body, to take care of some two thousand Americans who had been with no Scottish Rite body because they had belonged to the German group. Now then, we have resolved that matter and I am happy to say, from George Newbury's report, that the German group assured him time and again that they will have their house in order.

Now then, we don't have to worry about those Shriners over there because they still belong to your Temple. I might also say that there are over 17,000 Americans permanently living in Paris. This, of course, includes both Paris and the suburbs. Therefore, we have quite a number of those boys over there. Further, we are looking forward to a continued relationship with the boys over there.

As I say, there have been several letters written with regard to this matter, which I will not bore you with reading at this time. However, I have reason to believe that the officers of the German Supreme Council will realize their mistake and again resume amity with the Supreme Councils.

Imperial Sir, I move the receipt of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the report be received. Is there discussion?

(The question was called for, the motion was voted upon and declared to be carried.)

(At this point, the gavel again was tendered to Imperial Sir Chester A. Hogan.)

IMPERIAL SIR CHESTER A. HOGAN: We next come to the report of your Committee on Special Resolutions. In the absence of the Chairman, this report will be presented by Noble Squire T. Mair of Syria Temple.

NOBLE SQUIRE T. MAIR: Imperial Sir, Illustrious Sirs and Representatives: The Chairman of this Committee had to return to Pittsburgh and, therefore, he has given me the very pleasant duty of presenting to you the report of the Special Resolutions Committee. Thank you very much.

IMPERIAL POTENTATE SEAY: Are there any questions you would like to ask of our Director General?

You know, you have been such a grand group of Representatives that I think it would be a good idea if we let you off early today because we are pretty well caught up. MORNING SESSION

FRIDAY, JULY 12, 1968

NINE-THIRTY O'CLOCK A.M.

The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., reconvened in the Grand Ballroom, Palmer House, Chicago, Illinois, Friday, July 12, 1968 at 9:30 o'clock a.m., Imperial Potentate, Thomas F. Seay, presiding.

IMPERIAL POTENTATE SEAY: I would like to call the meeting to order.

I would now like to call on our Imperial Chaplain, Timothy B. Reeves, to give us the Invocation.

REVEREND TIMOTHY B. REEVES: Let us pray

Thank you, Lord, for the morning, and yet it is a very beautiful thing to come to the closing session of this national meeting and let our minds look back over the things that we have done and also recognize that we have left some things undone, and now look forward to the future with the responsibility that is ours and the opportunities that can be ours. We need Thy help, O God. Forgive us wherein we failed, where we have been short of vision, where we are a little bit hesitant, where we fail to see and to recognize your will, and if within this closing session we can correct some of these faults, give us the grace and the courage and guidance to do so.

Sincerely we have appreciated the strength and guidance that you have given to Tom Seay and we ask you to be very close to Chester Hogan in the future. All of this we ask in Christ's name. Amen.

IMPERIAL POTENTATE SEAY: Nobles, I now recognize our Imperial Potentate-Elect, Chester A. Hogan, for his report. Are you ready, Imperial Sir.

IMPERIAL POTENTATE-ELECT HOGAN: Good Morning.

Imperial Sir, Imperial Sirs and my fellow Representatives of this Ninety-Fourth Imperial Council Session: Again I thank you, as I have in past years, for the honor bestowed upon me by electing me your eighty-first Imperial Potentate. It is a very

great privilege to serve you in this high office and I promise you that I shall pledge my heart and time to the great Fraternity of Shrinedom.

Over the years, as a member of the Imperial Divan, I have observed the need for certain committees to help both Masonry and Shrinedom. Let me outline these important committees which will be working hard during 1968 and 1969 and, we hope, for many years to come.

First, there is greater need for closer public relations between Shrinedom and the several Masonic Lodges.

The most important means of meeting this need is the formation of a Past Masters' Organization in every Temple. The purpose of this organization would be better public relations between the Shrine Temples and the Masonic Lodges. I want you to understand this is voluntary. Most Past Masters attend their own Blue Lodges. Therefore, they would be most qualified to obtain members for the Shrine.

The Past Masters Committee could work as a membership committee to benefit Shrinedom and, as you know, in many states, most Past Masters have a vote at the Grand Lodge, where they can be helpful to Masonic legislation.

The qualifications for being a member of the Past Masters' Organization will be that you must be a Past Master of your Masonic Lodge or the present Potentate and the Recorder.

As the Chairman of this Committee I have chosen Noble E. J. "Chick" Hosch of Yaarab Temple. My reason for making him Chairman is that for more than ten years there has been a Past Masters' Organization in Yaarab Temple and they are known as the Knights of Mecca. Chick Hosch has been very active in this organization and so at this time I will call upon Noble Chick Hosch to give you in more detail the fine points of this new Past Masters' group.

NOBLE E. J. HOSCH: Imperial Sir, Imperial Sirs, Representatives: I am honored and grateful for the opportunity to implement such an important program to be made a part of our Order and I hope that in so doing we will have the backing and the assistance of all the Temples. At this time at least sixty Temples already have such an organization or have pledged to organize one.

The Imperial Sir has given you some of the salient features of the organization and rather than to repeat some of it, I have tried to skip over the features that he did mention and get into a very simple set of by-laws. Of course, I would not undertake to read these in detail or to emphasize any particular point in relation to them.

The name of the organization shall be "Yaarab Temple Knights of Mecca." At least this is what ours is. It could be other names such as "Sons of Hiram" or whatever other name you may designate. In other words, if your Temple already has such a functioning organization it will not be necessary for you to change the name of it in order to be identified precisely with the national organization.

In our Temple we have a tie clasp which is the symbol of office. I know that you cannot see this particular one from way out there but this is in the form of a gavel which, in and of itself, of course, emphasizes that you have been a presiding officer. Superimposed upon this particular one are the letters "K.M.," which stand for "Knights of Mecca." You can purchase this from a firm here in Chicago for \$12 a dozen. I don't know how they make them that cheap but I hope the Japanese do not find out. (Laughter)

Any Past Master of a Blue Lodge in good standing in any Temple of the A.A.O.N.M.S. is eligible for membership in this organization.

I would like to give you a little bit more detail in connection with our Temple organization. Of course, this can be varied to suit your needs. In our case, we have dues of \$3 a year. Our meetings are held quarterly and we always try to hold them on a fifth night of the month — in other words, the fifth Wednesday, the fifth Thursday, the fifth Friday, and in that way we are not in contention or conflict with any other Masonic organization that may be holding a meeting.

We hold a banquet once a year at which time each member is permitted to bring his lady as a guest. The dues being \$3 and meals running in the vicinity of \$45., it is always amazing to me that we have money left over at the end of the year, especially when we have collected \$3 in dues from a man and have given him \$9 worth of food at the end of the year.

Further, there is nothing in these by-laws that would conflict with the by-laws, rules and regulations of the Grand Lodge of this State, meaning, of course, your State.

As indicated previously, the Potentate and Recorder shall be offered membership in this organization, with all rights and privileges as the other members, with the exception that they may not hold office unless otherwise qualified. If he were a Past Potentate, he would be eligible to hold office.

The uniform of this organization shall be the tuxedo, with appropriate accessories to be worn when mutually agreed upon.

The emblem, of course, at least in our case, is the tie clasp. We prefer the tie clasp to a medal or any kind of medallion you might have around your neck because the tie clasp can be worn at all times and likewise excites a certain amount of curiosity. People ask you what it is and this in turn gives you an opportunity to tell them and give them a little information about the organization.

In my Temple we also have a part on the application that each Noble must fill out which says, "Are you a Past Master?" By the answer of "Yes" or "No," we pick up from the application the possible candidates for our organization.

We have over three hundred members belonging to our particular organization in our Temple. It is very closely allied and connected with the Temple and we meet at the Temple and just by coincidence, the Chief Rabban will be President of the Knights of Mecca of our Temple next year.

We have also found that while in some states it is not necessarily in direct conflict with the Grand Lodge, on the other hand, it is not exactly welcomed with open arms. We leave this to the individual state, with the idea that perhaps we can break down this implied opposition, not to the Shrine but perhaps to this type of an organization. In other states this type of organization is enthusiastically received. We have all had all kinds of nice things said about it because people are open-minded enough to understand the facets and the various functions of an organization of this type.

Primarily we want to keep in mind at all times that the image of the Shrine is the thing in which we are most interested.

For example, I tell each class that comes through our Temple that the first thing we want to do is to break down this improper image whereby it is thought that Shriners are a bunch of great drunks. Of course, many of these people have already started drinking long before they reach the Shrine but, on the other hand, nobody seems to pay any attention to this until they actually reach there.

Please understand again that we are not trying to force ourselves upon any Temple, upon any State, upon any Grand Lodge or Jurisdiction. We are just trying to impress upon you the fact we are going to do such an outstanding job for the Fraternity, for the Order, that those Temples or those States which do not exactly look with favor upon this organization at this time will apply for membership.

I will be glad to discuss more in detail the regulations, rules and other factors connected with this organization if you are interested. If you will contact me or write me, I will be glad to do so.

Also, as soon as I get back to Atlanta, I am going to contact every Recorder with a questionnaire in order to ascertain what your status is at the present time, whether you are already in, etc. At least our Imperial Potentate has asked me to canvass all of the Temples to ascertain the present status and feeling toward an organization of this nature.

I would like to tell you again that I am delighted to have had the opportunity of addressing you. I hope that perhaps I may have sold some of you on the idea that the Past Masters' Organization is what you need.

IMPERIAL POTENTATE-ELECT HOGAN: Thank you, Noble Hosch.

The next phase of my program touches upon a great need by many Temples. Over the years, the Imperial Office has been receiving various requests for information as to how to raise funds for a new Temple Mosque. These requests also sought information on costs, on size of the Mosques or Temple that would fit the need for their Nobility. It also asked what does a new Temple or Mosque do for the Nobility. Well, it creates new interest, brings in new members and gives birth to new activities. A busy Temple is a productive and creative Temple.

This new Mosque could be used for bringing Shrinedom and Masonry closer together through a sharing of the facilities designed for common interests.

I would like at this time to call upon our new Building Committee Chairman to give you a little more insight and information on it. Therefore, at this time I will call on Noble J. Lewis Coffelt of Arab Temple.

NOBLE J. LEWIS COFFELT: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles: This is the first time that there has been any time devoted to fund-raising for Shrine Temples or other information pertinent to the building of a new Mosque. I am sure you will be interested in successful methods used in relation to the solicitation of funds and the recognition given to donors for various funds.

We have arranged for three Nobles from different Temples to give you these methods used in their particular Temple.

First I would like to say that a Temple is a fundamental necessity of all the Nobility. All activities radiate from the Mosque, where Nobles meet and enjoy fellowship and plan all of their activities.

We all know that membership is the lifeblood of a Temple and to grow in membership a Mosque aids in selling our product.

Now, I would like to tell you of the plans of Arab Temple for their new Mosque.

Early in 1966, the City Building Inspector condemned the elevator in our old Mosque and by this action the Executive Committee and Building Trustees of our Temple realized that our Mosque was falling into ruin, as it had been built in 1881 and was in need of many repairs.

This Committee and our Trustees immediately began a study of ideas for a new Temple, considering rebuilding at the present location or relocating at a suburbia.

In formulating plans for a new Temple, they evaluated what was needed. Some of the items covered in the evaluation were location, land needed and availability, property zoning, market value, easements, adjoining properties (are they improving or disintegrating), space available for expansion, adequate parking, accessibility to members and their transportation, insurance rates, type of construction, fire protection, utility systems, type of ventilation, air conditioning, cost of utilities, demand for building, cost of building, cost of operation, proposed floor plan, analysis of future income compared with over-all cost of operation and financing (mortgage-assessment on fund-raising).

After evaluating what was necessary in a new Mosque an architect was employed to design a new structure on our present site and an alternate at a new location.

Plans were progressing for the presentation to our Nobility when, on April 1, 1967, a fire completely destroyed our old Mosque along with the contents and most of the Temple records. Temporary quarters were rented.

During negotiations for the funds from our fire insurance, our Committee brought before the members the plans to rebuild on our present site. However, this proposal was presented and defeated on the floor of the Temple as it appeared that most of the Nobility felt that the insurance claim must be settled before we entered into a new building plan.

Providence was on our team because a realtor in Topeka advised us that a supermarket near the center of town was going to relocate in another part of town. Immediately option money for purchase of said structure and land was put up. The asking price of this building was \$199,000 and after considerable negotiations, a price of \$159,000 was presented to the owners and they agreed to sell at this figure.

This supermarket is only six blocks from the center of the downtown business district. It is of concrete block and brick-faced construction and contains 16,000 square feet on the ground level, a paved parking lot for over 120 cars and, further, the building is completely air conditioned and contains a fire sprinkler system. Several top contractors and engineers were consulted and all found it feasible for remodeling for a new Shrine Mosque in conjunction with our architects.

Needless to say, when the proposal to purchase the new building and parking area was presented to the Nobility, it carried by an overwhelming vote. It was immediately decided that with the building funds available no fund-raising project was needed.

The Temple, on the last day of April, 1968, purchased the new location and the architects now have the plans ready for release to the contractors for bids.

I would now like to show you our architects' concept of how a supermarket will appear after remodeling for use of our Shrine Mosque.

(Drawing was shown to the assembled Representatives.)

Now, I might add that these supermarkets, especially for the smaller Temples, are very feasible for remodeling and for using as a Shrine Mosque.

At this point I would like to call on the Chief Rabban of our Temple, who will give you a little more information regarding our plans for the construction.

NOBLE ARCHIE C. SWAN: Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles: I am before you today to describe for you Arab Temple's plan to raise money for a new Mosque.

As was indicated to you, we had our building condemned and it was necessary for us to make some new plans.

A Committee was formed, with myself as Chairman, to formulate plans for a fund-raising drive. Noble Coffelt, our Recorder, and I had just recently served on such a drive for St. Francis Hospital, which had just completed raising its goal of \$1 million. This was done in ninety days. This was a Catholic-owned Hospital, one of two hospitals serving our town of 130,000 people and a large rural area surrounding the City.

We were building our solicitation on the same broad base they used. Theirs was a hospital to be owned and operated by an order of Catholic nuns, but serving the whole community. We wished to get some of this same spirit into our own campaign. True, our building was to be owned and operated by our local Temple, but it was also to be something of pride to the whole community. It would have facilities that we needed, but some were needed and could be used by the rest of the community.

While our appeal would first be to Shriners, we certainly needed the backing of the whole Masonic community and, hopefully, business leaders who were not of our Masonic family.

With this thought in mind, we decided to set up our organization in very much the same manner as that so recently used so successfully. I am happy to report, however, it wasn't necessary to go into this fund-raising activity but I have no doubt as to its eventual success had we undertaken it.

I might say in passing that I have been accused of realizing that it would be a big undertaking to raise \$300,000 for a Temple of less than 2,000 members. As you may or may not have gathered from the remarks of our Recorder, we did have a fire on April 1st, 1967 which destroyed our Temple. It was a terrible and frightening fire but then we had also been progressive enough to keep our insurance on a replacement cost basis and, as a result, were fairly treated by our insurers.

We were in the midst of plans for a new building when we were able to buy a Safeway grocery building less than twenty years old, a building in excellent condition, with side off-street parking for 120 cars. This building of 14,000 square feet had on one floor almost as much space as we previously had on three floors. Our insurance money was more than adequate to purchase the building and grounds and our very recent sale of the ground on which our old Temple sat should furnish us ample funds to remodel the new building into an adequate and attractive Mosque.

Of course, I am glad it wasn't necessary to enter this fund-raising activity but, on the other hand, had we undertaken it, I am sure it would have been carried to a successful conclusion. I can also tell you that just the knowledge we are going to have this new Mosque has created an enthusiasm in getting us new members we had not previously thought possible. All of us feel a great resurgence of interest we had not thought possible and we are thrilled.

Now, Noble Coffelt has assigned me the job of telling you about our plan. Let me say it is quite elaborate but I will endeavor to condense it for you.

Let me first say that we set up a sales procedure designed to obtain a maximum 36-month pledge from each prospect, with the idea we wanted to raise \$300,000 for a new building program for our Temple.

(At this point, the speaker went into a detailed explanation pertaining to how the solicitation was to actually proceed, a detailed copy of which is on file with the Imperial Recorder.)

NOBLE J. LEWIS COFFELT: Thank you very much.

We have two more speakers who have some very short presentations to make.
(Cries of "No.")

NOBLE COFFELT: Well, if you do not want to hear them, we will call them off. What is your desire?

(At this time several of the Representatives indicated their desire that any other information pertinent to this matter be filed with the Imperial Recorder.)

NOBLE COFFELT: Thank you, Nobles, for your attention. We will file any additional information we have. (Applause)

NOBLE GEORGE M. SAUNDERS: Imperial Sirs and Representatives: You would all be interested, I am sure, in this information.

As indicated, the fire destroyed the records of Arab Temple completely. However, it also happened that Arab Temple had already sent in to us their membership records and they had been put on our computer and, therefore, within twenty-four hours we were able to supply Arab Temple with a complete membership record so that they could continue in business.

IMPERIAL POTENTATE-ELECT HOGAN: Now, the third phase of my program has to do with the recruiting of patients for our several Orthopedic Hospitals. There are only a few Temples that have programs for the recruitment of patients. I am hopeful that these Temples that do not have hospital committees will establish them.

I am requesting that each Potentate of a Temple that does not have such a committee appoint one at the earliest possible date. The membership of this committee will become active Temple members, Shrine Clubs and information units. We request that the Temple committee report each month to the National Committee on their progress in recruiting patients.

The Chairman of this Temple Hospital Patients Committee will receive patient admission blanks from the Recorder of their Temple and explain each meeting how recruitment is to be carried out. Our Imperial Council Study Committee reports that several of the Hospitals are in great need of patients. We have millions of dollars invested in hospital buildings and equipment, the finest and the most up-to-date that money can buy. We have paid Hospital Staffs, doctors on the payroll. Let's keep these Hospitals filled up. Our waiting lists are diminishing. We were pioneers in this field of orthopedic work. Today we have tremendous competition.

Therefore, we are hopeful that this Committee will remedy our problem. Let's all put our shoulders to the wheel.

I have chosen as Chairman of this Recruiting Committee Noble Walter Woodburn of Nile Temple of Seattle. His Vice Chairman will be Noble Rollins of Gizeh Temple, Vancouver, British Columbia. Noble Rollins has done an outstanding job in Gizeh Temple. Each year he recruits anywhere from 400 to 700 patients for our Hospital.

Therefore, at this time, for a very, very short report, I want to call on one of the members of this Recruiting Committee, Imperial Sir Jake Wingerter.

IMPERIAL SIR WINGERTER: Thank you, Imperial Sir. I will be quite short. However, I think the message I have is most important.

You have heard the Imperial Potentate speak concerning the need of patients for our Hospitals and knowing of the great work that has been done by the Study Committee, which has come back with the fact that we have a declining census in our Hospital, we need your help and cooperation. As the Imperial Potentate-Elect said, we have the buildings, we have the staff, we have paid all expenses and all we need is patients. I have talked with the Cabiri. We hear the statement made many times that the Past Potentates are a forgotten group of men. In the United States or in the Shrine of North America, there are some twenty-nine hundred Past Potentates, many of whom are sitting in this audience today. It would seem to me that if these Past Potentates would take on this project that this would help.

I have here something that I would like to read and which I think is self-explanatory:

"The International Officers of Cabiri were requested to meet and consider a plan to encourage Temples to form committees in their local Cabiri for the recruitment of patients for the Shriners Hospitals for Crippled Children and Burns Institutes. We have unanimously accepted as our major project the promotion of this important seg-

ment of your program. You have every assurance of the complete cooperation of this International Cabiri."

This statement is signed by its President, Carl R. Mitchell, the First Vice President, James A. McKnight and the Secretary, Herman L. Engelhardt.

You know, when I talked to Imperial Sir Hogan about this particular matter I was ashamed to admit I had never even secured a candidate as a patient for one of our Hospitals. I wonder how many of you here are in the same position as I am. just think of this—that if we had the patients that we needed to keep these Hospitals full, you would be doing several things. First of all, you would be advertising to the world that we were working; you would be telling the folks through the service you were rendering these patients that we are doing a great job and, further, encouraging wills and bequests to our association.

I should like to request of each member of this great audience here that they go out and do a positive job. For instance, go to your Public Health Board, go to your State Crippled Children's Association, go to your PTA, go to any group that you know has a record of crippled children in your community. Call upon the parents, tell them what we have to offer. Let us, before the year is over, make Imperial Sir Hogan go over the top so that we just cannot take any more children in our Hospitals this year.

You know, I heard a man say something about positive thinking. Well, I am for positive thinking also but let's do it now, let's not talk about it. Gentlemen, I sincerely request that each and every one of you individuals in this audience, instead of worrying about not having our Hospitals filled, go out and secure candidates or patients for the Hospitals and, when you do this, we will be off and running in this great year that I know we are going to have with Imperial Sir Hogan.

IMPERIAL POTENTATE-ELECT HOGAN: Now, in connection with the DeMolay Committee, the National Chairman of this Committee will be Imperial Sir Henry Struby. As you know, this is the Fiftieth Anniversary of the DeMolay, one of the most fertile fields for us to cultivate. Here again we hope that each Temple will have a Committee on DeMolay. Those Temples who do not now sponsor DeMolay chapters are urged to undertake such sponsorship at the earliest opportunity.

Our National Chairman and his Committee will have a program to present to you and so, at this time, I would like to call upon Imperial Sir Henry Struby to make a very, very brief report to you.

IMPERIAL SIR HENRY STRUBY: Imperial Sir, Imperial Sirs and fellow Representatives: We do have quite a full program and I know that you want to get away like the rest of us. Therefore, I will only repeat what probably is the most important part of the program.

Imperial Sir Hogan desires each Temple's help and I use the word "help" because you will have to do it yourselves—sponsoring and taking an interest in starting at least one DeMolay Chapter in your Jurisdiction. We have done this in our Temple. Therefore, I urge that you help in this program. Thank you very kindly. (Cheers and applause.)

IMPERIAL POTENTATE-ELECT HOGAN: Finally, the last stage of our program is that of the Wills, Bequests and Gifts Committee, of which Imperial Sir Walter Guy, Past Imperial Potentate, is Chairman.

This program is well under way and it can be enlarged upon. Our Chairman is hopeful that all Temples will have a hard-working committee on Wills, Bequests and Gifts.

We hope that we can count on your continued efforts in behalf of Wills, Bequests and Gifts so that our Fraternity and its philanthropic work will not deteriorate.

Fellow Nobles, I just toss this out in closing—that my program is broad in scope and important to Shrinedom. There should be inspiration here for all Nobles to feel that there is a job to be done by each and every one. We cannot afford the luxury of complacency in our Fraternity. We cannot stand aloof from the needs of Shrinedom, our communities and our countries. My program spells involvement for everyone in the Temple, in our Hospitals, in our Churches, in our communities. It is my fervent hope that the program will bring to bear the special talents of every single Noble.

Thank you very much. (Applause)

IMPERIAL POTENTATE SEAY: Imperial Sir Hogan, congratulations on your wonderful report.

I now would like to recognize our Imperial Recorder, George Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Imperial Sirs, this has to do with a note, I guess you would call it that, had to do with the Parade last night. We have had some criticism this morning. There was a bathtub float in the Parade that had a Giant on it. I want to clear the name of Hadji Temple because Hadji Temple had absolutely nothing to do with that float. I don't know what Temple had it in the Parade but according to General Orders, they were not supposed to have any floats in the Parade until they were presented to the Director General and had his approval. The Director General advises me he did not grant such approval. Therefore, the float, according to the information we have received, did not reflect dignity on the Shrine as an organization and would not have been permitted in the Parade had it been known ahead of time. At any rate, I want to clear the name of our new Temple, Hadji Temple, because they had nothing to do with it.

Now, there is also one other point here. There is a Temple that uses the name "Hadji" in relation to their Temple publication. It is suggested they change the name of their Temple publication, especially inasmuch as we now have, by vote of this Imperial Council, a Temple granted such a name.

IMPERIAL POTENTATE SEAY: Nobles, it is unfortunate that something like this had to happen. I will assure you that I have known our Director General for many years and that he knew nothing about it. This float possibly slipped in somewhere along the line in relation to some Temple. Of course, there was some embarrassment but, on the other hand, we do want to uphold the dignity of Shrinedom. Therefore, I am very sorry to say it happened but it did. Further, in a convention of this size, if there isn't some mistake made, then we just are not human. This happens to be just one of them.

Now, Nobles, at this time it is my pleasure to continue an annual awards program instituted by Past Imperial Potentate Orville Rush during his year.

As you are all aware, the Temple publication is the only direct link that we have with the individual Noble. With this thought in mind, this "Best Temple Publication" Award was established to encourage better publications from each of the Temples that would be more widely read by the Nobility. We now have some 150 of the 170 Temples with such a publication.

Before I make the Award for the Temples, I would like to quickly review the criteria for judging and the judging methods used.

First of all, Temples were asked to submit their entries. An impartial panel of professionals in the field of journalism volunteered their time to do the judging for us. To insure complete and absolute fairness, judges were chosen who were neither Master Masons nor Shriners. Entries were judged on over-all layout; pertinent area Shrine news; pertinent national Shrine news; picture arrangement; general attractiveness and extra material, such as special features. Extra bonus points were awarded for particularly outstanding features and points were subtracted for obvious flaws.

Grading was done by the individual judges based on a maximum of 5 points in each category and the grade scores were then totalled and the highest average score determined the winner and then, ultimately, the Honorable Mentions.

I want to thank all the Temples and the Temple Publication Editors who participated in this year's Contest. This spirit of competition is desirable and will improve this vital activity of every Temple to reach their membership.

I would like to point out now that it is obvious that the competitive atmosphere generated by this Contest, now in its second year, was apparent because of the difficult task of judging the many excellent publications entered this year.

And now, it is my pleasure to announce that the Best Temple Publication Award in the Class A competition — that is, Temples with memberships over 7,000, goes to Ben Ali Temple, Sacramento, California, and to J. Richard Butler, Editor.

I do not believe the Editor is here and so I will call on the Potentate to accept the Award for both the Editor and the Temple.

(Whereupon, the Potentate of Ben Ali Temple, Noble C. Edward Best, was presented with both the Editor's plaque and the Temple's plaque.) (Applause)

IMPERIAL POTENTATE SEAY: In Class B competition, Temples with a membership from 4,000 to 7,000, the Best Temple Publication Award goes to El Bekal of Long Beach, California, Jack Horner, Editor.

(At this point, Noble Roy Reynolds, accepted both of these Awards on behalf of the Temple and the Editor.) (Applause)

NOBLE EDWIN F. BAERTSCHI (Zenobia Temple): While we are on the subject of publications, I would like to say that since before 1927 our National Publication has been known as "The Hadji." This has been indicated repeatedly to the National Officers and, of course, I am sure they recognize this as a fact. Further, we have no conflict with Hadji Temple. We would like to commend them on the wonderful job that they have done but we would not like to give up the name of our publication of "The Hadji" because this great name has been accepted since around 1927. Further, we would not like to give it up merely because this new Temple has accepted this great name and has been successful to a marvelous extent. I believe that a name does go a long way and, therefore, I again say that we would like to maintain the name of "The Hadji" for our Temple publication. We congratulate the Nobles of Hadji Temple but we just want to maintain our name in relation to our publication.

(Cries of "No.")

IMPERIAL POTENTATE SEAY: You know, that is a difficult matter. I have never had anything like this happen to me before. I think I am going to have to call on our Legal Counsel in relation to that one.

NOBLE JOHN VESEY: Imperial Sir, may I suggest that the Hadji name their periodical "Zenobia." (Laughter and applause.)

IMPERIAL POTENTATE SEAY: Is the Hadji Temple Potentate and Divan here? Do you have any objections to this? Do you have any objections to Zenobia Temple using the name of "Hadji" on their publication? If you do, now is the time to say so.

IMPERIAL SIR BENNETT: Imperial Sir, Noble Hopkins left this morning and gave me that change and asked me to call it to the incoming Potentate's attention.

IMPERIAL POTENTATE SEAY: Well, I guess I will have to refer that matter to our incoming Imperial Potentate.

NOBLE BAERTSCHI: May I say one more word on this? Zenobia Temple has no objection to them using the name "Hadji" but we would not like to have them use the name of Hadji on their official publication because that is a name we have been using since 1927. I think we are entitled to it.

(Cries of "No" and "Take a vote.")

IMPERIAL POTENTATE SEAY: I think this matter should be referred to our Jurisprudence and Laws Committee.

(Cries of "Right.")

IMPERIAL POTENTATE SEAY: I will let them report to you just a little bit later, after I finish the balance of these Awards.

Now, in relation to the Class C competition, Temples with memberships under 4,000, it was the decision of the judges that the Best Temple Publication Award for this category go to Sesostris Temple of Lincoln, Nebraska and Jesse G. Faes, Editor.

(Whereupon, Noble Robert C. McCracken, Potentate, accepted the Award in behalf of both the Temple and the Publications Editor.) (Applause)

Now, the Honorable Mention Award in Class A goes to Syria Temple, Medinah Temple, Al Koran Temple and Ainad Temple.

In Class B competition, Honorable Mention Awards go to Hejaz Temple, Osman Temple, Kerbela Temple and to Affi Temple.

In Class C Honorable Mentions are awarded to Anezeh Temple, Kem Temple, Al Kaly Temple and to Arabia Temple.

Again, sincere congratulations to the winners and to the Honorable Mention recipients for a job well done. I hope you will keep up the good work.

Now, I believe we have one or two more criticisms and so at this time I will again recognize our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: A criticism has been offered at my own Temple, Ararat Temple, in connection with a float they had and on which they had a chamber.

I am not sure what it was but in the name of my own Temple I want to apologize to this Imperial Council for that float being in the Parade. I suggest that Ararat take the chamber out of their float so that the float does not reflect lack of dignity to the organization.

I am also informed of another criticism, that Antioch Temple had a float in which, during the line of march, a whiskey jug or whiskey jar or something reflected continual dipping into the jar, pouring whiskey out of the jar and that this, in turn, produced a lack of dignity in the name of the Shrine.

NOBLE CHARLES J. CLAYPOOL (Potentate, Antioch Temple): Imperial Sir, Antioch Temple has no such float. There is not one piece of junk in the equipment of Antioch Temple. I think that what you are talking about is that we have a merry-go-round and a ferris wheel. Now, the ferris wheel does not go into water — it just goes around and around. There is no jug in connection with our float.

I would like to say that our Temple won seven trophies. Our Horse Patrol won first place, our Foot Patrol won three awards and our Motor Patrol also had a first, second and a third place. As Potentate of Antioch Temple, I deny we had anything offensive in that Parade. I would not permit it.

NOBLE GEORGE M. SAUNDERS: Well, whoever reported that, may have been mistaken in the Temple name.

NOBLE CLAYPOOL: I would like to say that we did not have such a thing.

NOBLE GEORGE M. SAUNDERS: Was there such a float?

NOBLE CLAYPOOL: Not for Antioch Temple. It might be some other Temple. However, in defense of Antioch Temple, I would like to say we do not have anything such as that in our Unit or in our Parade. (Cheers and applause.)

IMPERIAL POTENTATE SEAY: Well, sir, we realize that a Parade of this size will involve some mistakes. Therefore, don't worry about it. I am sure that your Temple did nothing because I have known you for many years.

NOBLE CLAYPOOL: Illustrious Sir, Imperial Sir, during the Parades, I was the proudest man in Chicago. Our Temple performed excellently. Further, Antioch Temple takes a back seat to no other Temple in Shrinedom and I mean it. Thank you very much. (Applause)

IMPERIAL POTENTATE SEAY: Of course, we are happy to have you here and, needless to say, you do have a wonderful Temple. Therefore, I want you to know that we are happy that you did come to this Council Session. You have a great Temple.

Nobles, I think the Parade speaks for itself. I know there were a million people there. (Applause)

Thank you, Nobles. I now recognize my good friend, Imperial Sir Woody Bennett.

NOBLE W. W. BENNETT: Thank you.

Imperial Sir, Imperial Sirs and Representatives: I wish to discuss with you the Headquarters Building in Chicago, where the National Headquarters are located, the General Offices. I wish to present to you some facts, figures and history.

The building was purchased in 1959 at a cost of approximately \$481,000. Since that time, including up to the end of the year of 1967, there has been spent \$324,000 on improvements, making a total investment of approximately \$805,000. On the books, counting depreciation, the property now stands at \$637,000.

The size of the building is approximately 80 feet on Michigan Avenue and 62 feet in depth.

There is an alley on the back side, which is the east side, about twelve feet in width.

To the north of us stands a 25-story building. To the south of us stands a 24-story building.

Three floors are above Michigan Avenue, two floors are below, which is our basement area. Each floor represents approximately 5,000 feet, making a total of almost 25,000 square feet of building area.

The type of construction is mill construction.

In April and May we had the first offer I know of and the only offer of a captive buyer who wishes to purchase the property. He made us a verbal offer for \$600,000 cash, with two or three years occupancy, stating he felt that this was somewhat in

the ballpark and was subject to negotiation. They will give us a written proposal providing we put ourselves in position that we wish to talk to them.

From this we received two MIA appraisals. One appraisal stated the land was worth approximately \$500,000 with the building on it at \$250,000, thereby making a total appraisal of around \$800,000. The other MIA appraisal stated the ground was worth \$500,000, no value for the building for a captive buyer, but assuming he would look at it from that point, it would be worth an additional \$300,000. By studying the two appraisals, we are of the opinion that it is worth between \$800,000 and \$1 million.

If we should desire to sell it they have stated we should ask a million and a half.

In the MIA appraisals they state that the building is in excess of sixty years of age. Should we enter into a negotiation of any kind, it would take two or three years probably to close it. We have made no intensive study of the present structure. There are no parking facilities. We purchase the utilities, inasmuch as we do not have an air-conditioning plant of our own, or a heating plant. The floor space has been well utilized.

We probably have two positions to take. We can forget it in its entirety or we can act as an agent to get into it.

I would like to make these comments of my own, as a representative. Many times when companies are after a project of this type and a purchase, and as they have a complex building back of us which has been established at \$350 million, it is desired that they buy this property to make an egress and ingress into Michigan Avenue. Now, whether they would want to negotiate to give us adequate space in a new building, whether they would want to go a block or two away or buy a building for us, I don't know, because we are not in any position to accept an offer or to discuss an offer. Now, as we are your employees, you must instruct us as to your desires.

I have tried to present this on a fair and equitable basis and not be biased in my opinion. I have tried to give you some figures that are factual.

I will be glad to try to answer any questions.

I am going to call upon the Imperial Treasurer to add what he desires to this. Thank you very kindly.

IMPERIAL POTENTATE SEAY: The Chair now recognizes the Imperial Treasurer, Tom Melham.

NOBLE THOMAS MELHAM: Gentlemen, I shall try to discuss this very briefly, not from an impersonal standpoint, but to give you what I believe are certain things that are important.

Imperial Sir Bennett mentioned the fact that we have the present building. We can go into some construction or go further in that direction. I have been around the office quite a bit since I was elected Treasurer and I have had the experience of being in the building and wondering what we can do four or five years from now when, in relation to the way we are going, we will need more space. I have been advised that because of the square footage of our property and the building codes in the City of Chicago, it is definitely limited. In other words, we cannot go any higher. Further, we have a building of quite some years of age. I don't know exactly how old. We have not checked all the way back but we presently know it is in excess of sixty years of age. As to whether or not we could ever put on another storey, I just don't know what the building codes in Chicago would permit.

Its use to anyone else would present the same kind of problem. These people, of course, if they were to purchase the property, would destroy the building in its entirety and their price is, therefore, measured by the fact of the cost of the demolition. I regret that we have the limitations of adding more space there.

We were told there was another building, the Lions International Building which I am sure some of you know about, which is about a block south of our present structure, that was sold for \$2 million. This, it seemed to those of us who were in on the initial discussion, was an outlet for them, depending whether they were getting ours. This is pure conjecture but I did learn just yesterday that the Lions International, at a national meeting, have just announced the sale of the building, which has twice the footage of ours. I think they have 167 feet frontage on Michigan Avenue. We don't know as yet, however, who purchased it. We may suspect but I don't think you want suspicion.

One of our initial actions, and I speak for the several men who were called in to discuss this, is that this is one way to sell the building if we wish. In fact, this is the logical purchaser for our building, if we want to let it go.

I think you should also know we have been spending approximately \$20,000 a year on a five-year average in order to maintain this present structure. When we get through plastering, get through painting and so on, we are ready to start over again. If any of you have been in the office during periods of just one bus going down Michigan Avenue and standing on the floor there, you will feel the vibration that this makes.

I am not a builder, I don't know the extent to which we can shore-up the building. We purchased some \$12,000 in filing equipment which was most necessary for the Legal Department and there was a serious question as to whether these wooden floors, and they are all wooden floors on the three top floors, would ever support this additional weight. Well, I suppose you can shore down below but I wonder what you can do on the floors above in relation to the present structure? To find this out would cost quite a bit of additional money.

As I say, this is the logical buyer. We have arranged, of course, to bring this to you with the understanding that we could not be forced, would not sell under those conditions. However, we might be given a period of two or three years, as we would negotiate if you so wished, so that we could find other suitable quarters in the downtown area or elsewhere, perhaps out near the Airport, which some people have felt was a place to be because the business carried on by your various committees on the Council today involves them flying in and out rather quickly. As it is now, they have to pay almost a seven-dollar taxi bill to get downtown.

Now, in relation to our present preliminary discussions, we did ask for time until this Session. I think morally you are entitled to answers to some of these questions or at least to talk it over. Imperial Sir Bennett asked for questions and I am sure you have some. Therefore, let's have your questions.

NOBLE THOMAS E. LUCAS (Al Chymia Temple): I sat through this session when this body was purchasing a home some years back. We had quite a battle for about three years in relation to purchasing a home, and I am sure the committee did work hard and did the best they possibly could under the circumstances. Now, we came to this Session here as Representatives with a Call of some seven items on our Agenda. I think that a proposition like this, with regard to selling our office home, cannot be acted upon intelligently at this time.

I have been in the building business for nineteen years and so I know something about buildings. Further, from the explanation, it seems that our particular piece of property is the key to their front door. After all, you don't build without a front door. Our Committee is studying this matter now and getting more information which can later be given to us.

You know, you and I sitting on this floor and with nothing in hand to follow except a lot of words coming from the Committee, this is something that I personally at least cannot digest that fast. I would like to see something in my hand in the way of figures so that I have a means of making comparisons.

Therefore, Imperial Sir, rather than get into a big hassle I would move you that this matter be referred back to the Committee so that they might give the Representatives at the 1969 Session something in writing as to what they propose to do so that, in turn, we might study it before the Imperial Session. In other words, I move that we be furnished with detailed information before the 1969 Session and that it be presented at that time for any action we desire to take.

IMPERIAL SIR BENNETT: Let me speak to you on that just a moment. I happen to have been asked to serve on the Building Committee. You are a builder and so am I. However, we are in no position to negotiate because we cannot receive any kind of negotiation unless you empower us to do so.

NOBLE LUCAS: Of course, I would like to give you power to negotiate and inform us in writing as to what you propose to do at the next Session.

IMPERIAL SIR BENNETT: If somebody desires to purchase a piece of property, he would not want to wait one year for an answer. This is the reason they have not put the proposal in writing, because they are willing to provide us with information providing, on the other hand, we could act on this. Now, if you have confidence in your Imperial Officers and desire us to act in your behalf as agents, we will be glad to do

so or, on the other hand, we can likewise table this whole matter in its entirety. I have only tried to present you with the facts as I see them as a builder.

NOBLE LUCAS: Of course, we love all of you, but I know what they did to Jerry Cray on the stage in Chicago in 1958. That group that worked on it then was hashed right over the coals, wrung out real hard. At that time, as I remember it, we were talking about \$1 per man, \$850,000.

Therefore, I believe, in relation to this body here, rather than get into a long discussion here today that we empower this Committee to negotiate. One year is not a long time for consideration and reporting back of this matter.

NOBLE CLAYPOOL (Antioch Temple): I likewise am a builder. I was privileged of having the Imperial Potentate come to my office building at Dayton, Ohio and I am very proud of it. The architects inform me that this year alone they are facing an increase in cost of approximately twenty per cent in relation to building. I think you know what Union wages are going up to. I don't think we can afford to sit and wait.

NOBLE LUCAS: Every year you wait you are going to jump from twenty to twenty-five per cent in construction cost. This is also true if you build a new building.

After all, we have elected here an Imperial Divan and I think that body could be entrusted to do the best they can for Shrinedom. They are giving ten years of their lives on that Divan and I am sure they are not going to make any bad mistakes. (Cheers and applause.)

NOBLE JOHN Y. JORDAN (Oasis Temple): I suffered all through the years when we acquired our present building. I think at that time it was a wise move, adequately considered and soundly advised. Now this, at least as I see it, is a matter of considerable magnitude. I do not think that one year for negotiation and report is unreasonable, especially in relation to a price of somewhere between \$850,000 and a million dollars.

Please understand me now, I have the utmost confidence in the Imperial Divan and their actions. I am sure this feeling is embraced by every Representative in this Assembly. However, I do believe, Imperial Sir, that this is a matter that should not be forced upon us at this time without adequate information. It would seem to me that the reasonable and orderly procedure would be for the Divan, if it so desires, to constitute itself as a committee of the whole, to enter negotiations, explore every phase of this matter, prepare a report and then let it be circulated to every Representative who will be in attendance at the 1969 Imperial Session so that we, in turn, can have adequate notice of everything connected with it and, following this, we can then vote upon the matter in an orderly and sensible manner.

If I am not out of order, I would like to offer that as a substitute motion to the motion I understand is presently on the floor.

NOBLE CLAYPOOL: Imperial Sir, as the maker of the original motion now before the assembly, let me say that when I yielded to the Noble over there that I did not give away my privilege of the floor. I had not finished my motion at that time.

NOBLE JORDAN: I beg the pardon of the Representative because I misunderstood. I will gladly wait until you are finished, sir.

NOBLE CLAYPOOL: Imperial Sir, I move that the Imperial Board be empowered to negotiate for this body the best deal that they can make. After all, we have some of the finest men on that Divan. In fact, we even have builders on it. We have our good friend from Murat Temple who is in the business. Therefore, I move, Imperial Sir, that the Board be empowered to make the best deal for Shrinedom that they can in relation to this particular matter.

(The motion was severally seconded, followed by cheers and applause.)

IMPERIAL POTENTATE SEAY: With regard to the first motion, perhaps I should get a second on that.

NOBLE LUCAS: I would like to rise to a point of order on that matter. There was discussion following the motion. I was not shown the courtesy of being asked for a second.

(The first motion was then severally seconded.)

IMPERIAL POTENTATE SEAY: The first motion made has been regularly moved and seconded. Perhaps we can have that motion restated again so that everybody will understand it.

NOBLE JORDAN: May I ask a question? Is there now a motion before the House?

IMPERIAL POTENTATE SEAY: There is, sir.

NOBLE JORDAN: Then will the Chair please state the motion?

NOBLE LUCAS: I believe I made the motion that this be referred back to the Committee and they be given power to negotiate and to report their findings and recommendations in writing to the Representatives of the 1969 Imperial Council Session.

NOBLE JORDAN: I will second that motion, with the amendment that the report be furnished the Representatives prior to the 1969 Imperial Council Session.

IMPERIAL POTENTATE SEAY: We now have the motion and the second on the floor. I believe everybody understands it.

Now then, I want to speak on this and, therefore, I want to turn the gavel over to the Deputy Imperial Potentate.

(Whereupon, the gavel was tendered to Imperial Sir Hogan.)

IMPERIAL POTENTATE SEAY: First of all, let me say that I did not want this to come on the floor of this Session but it was decided, by our Imperial Officers, that it should come on this floor. Therefore, I definitely do want to speak on this. However, before so doing, perhaps Imperial Sir Wingerter ought to be recognized.

IMPERIAL SIR WINGERTER: Nobles, I will not take any longer than necessary.

I likewise am connected with the construction industry. I know this building. I flew to Chicago several months ago at my own expense to review this building from top to bottom. I have discussed the building with our Imperial Recorder, who has lived there all through the years since we purchased it. He tells me that this building is adequate for our use. We have spent in that building, within the last year and a half, some \$50,000 to build a computer room, an air-conditioned room and which is one of the finest rooms you could ever see. It is doing the job for which it was intended.

As to the structure being sixty years old and as to the fact that we are loading more load on it, let me say it is a mill-type construction and, therefore, it is better than the average building type of construction. It has a load-carrying capacity of some 250 pounds per square foot, which most buildings do not have.

I have also discussed the building with the head of the Real Estate Department of the Great Northern Bank here, who, in my opinion, is one of the great authorities on this matter in this particular part of the country. He told me of a \$400 million proposition that was going to be built in the immediate vicinity of our building. Think about that for a moment. In other words, suppose that costs do go up twenty per cent a year. Then, in turn, the value of the building might likewise go up from a million to \$2 million. I believe this is quite likely, especially in relation to a City who can see a future of spending \$400 million within a radius of which we are a part. Therefore, in view of this, I am sure we should not be in any hurry to sell the building.

I am in favor of selling the building at the right price. I don't know what the right price is presently but I am certain it is not going to be \$800,000. (Applause)

As far as you being shut out is concerned, this group of people who want to build this building need that space on Michigan Avenue. In fact, it is their only outlet to Michigan Avenue. I am sure that if they do not have that outlet that, in turn, they will lose some of their rental area. Therefore, I say that we are in a great position to negotiate and why should we give away our building?

I say, give the Committee the right to negotiate and bring the matter back here and you will not lose anything in one year's time. Thank you. (Cheers and applause.)

IMPERIAL SIR HOGAN: At this time I would like to recognize our Imperial Potentate.

IMPERIAL POTENTATE SEAY: Nobles, as I said before, I did not want this to come up on the floor of this meeting but our Imperial Officers seemed to think that it should.

I took all the humiliation that any man could take when that building was purchased. I was against the purchase of it but through the Committee I was convinced that I should vote for the purchase of this building and the only one that voted against

it from that day on is a gentleman for whom I have the greatest respect. He was Orville Rush.

Just this week, at this particular meeting, there was a conversation between two Representatives and I would like to quote those statements.

"I understand there is going to be a proposition for the sale of National Shrine Headquarters on Michigan Avenue. Let us do what we can to defeat this issue as I suppose Tom Seay is responsible for this so that he can make a big profit out of it."

Now, Imperial Sirs, let me say that I have never made a dime out of Shrinedom. I worked two years on this matter for nothing. When we purchased the property for Medinah Temple the Potentate had completed negotiations for a square block and I can tell you then that I turned that commission over. I have a sworn affidavit to this effect. There has never been anything in which I have had any interest or consideration that I have received one red cent from.

Now, I think that we have one of the greatest propaganda machines in this Shrine that I have ever seen. (Applause)

Let me also say that the building should never have been purchased in the first place. Poor Old Tom Law and I took a terrific beating. There were even committee meetings called in connection with which Tom would call me and ask why I was not in attendance. I told him I did not know anything about it.

With regard to these men that you see on this present Committee, let me say that I appointed this Committee and I also indicated I did not want any part of it, I did not even want to know about it, that whatever they did was all right. However don't bring me into this situation.

I also asked my General Legal Counsel of the Iowa corporation here yesterday several questions about it and then said, "Bill, I don't want to bring this up in my year because I don't want any part of it." You know, it cost the Shrine, and I can prove it, approximately \$1 million-and-a-half because of this propaganda machine that you have around here. For example, you could have moved out to Park Ridge on a beautiful site today that we could, at that time, have purchased for a lot less money per square foot than we paid.

Gentlemen, let me also indicate to you that I don't care what you do. I have made this statement—"Let them rot in that building." However, it is a bad situation to say that of Shrinedom. I am here representing you Nobles. In relation to the Committee I appointed, I have all the confidence in the world with respect to them. However, I don't care what you do with regard to this matter. Of course, I would like to see it tabled but in relation to the Committee I have appointed, I have great respect and confidence in them.

I would like to tell you one other thing, in fact, exactly what Noble Bennett told you, that if you do not take this offer you will rot with it because a 69- to 70-foot frontage really has no use. Just look at the corner, for example, where the Prudential Building stands. John Cuneo owned that property and would not sell it. He wanted to hold on to it. Now, what did they do? They built right around them and he is sitting there today and the only thing the property is good for is a large sign.

Now, if you want to sit here with this property, it's all right with me. I would like to see you sit with it. (Laughter) However, insofar as good business is concerned, listen to your Committee. I want nothing to do with it. However, I did want to say to you that I do not like these statements that are being made about me and I don't think they are correct. (Rising applause ensued.)

IMPERIAL SIR HOGAN: I believe that Woody Bennett desires to make another statement.

IMPERIAL SIR BENNETT: Representatives, you have elected me to be your servant. That was a verbal proposal. I am the one that requested this be brought before you. I was of the feeling that even if we only had a verbal proposal that we could not take any action. Now, as to whether we will get our \$800,000 or even \$2 million. I don't know. However, I think I would have been derelict in my duty if I did not bring to your attention the verbal proposal that we had offered. Therefore, I am the one who brought it before you and, of course, I will take any responsibility in connection with it. Thank you very kindly. (Applause)

(At this point, the question on the motion was severally called for.)

IMPERIAL SIR WINGERTER: I would only like to say this—that two wrongs do

not make a right. Also, let me say that there are no personalities involved here, at least insofar as I am concerned. Woody Bennett, I know, will do the best job that it is within his power or capacity to do, as will, I am sure, the other members of your Board.

Insofar as rotting in that building is concerned, well, I don't mind rotting for a year. I will tell you this, gentlemen, that you do not have to worry about selling that building for any \$800,000.

With regard to Tom Seay, I am sure he has the respect and the loyalty of every member of this Divan and I despise any inference that would accuse a man of what he indicated to you. I thank you. (Applause)

(At this point several of the Representatives requested a restatement of the motion to be voted upon.)

IMPERIAL SIR HOGAN: Nobles, we will have one more speaker and then we will put the motion.

IMPERIAL SIR ARNOLD: Nobles, I was Imperial Potentate in 1953 and 1954. I had a dream. I think you have heard that before. I dreamt about the Imperial Council having a great, big, beautiful home and I started out when I was Imperial Potentate to build that home. I went over all of North America and appointed committees and I asked every Shriner to give one dollar with regard to raising the necessary funds to build that home. When I finished as Imperial Potentate we had approximately \$100,000 that had been given to build that home.

My successor, however, killed the movement and the money went into the General Treasury. I really don't know what happened to it. At any rate, there was given nearly \$100,000 for the building of our home. Nothing happened.

They appointed a committee at the next Session to purchase or build a home or something and they never put me on the committee. (Laughter) They never consulted me or asked me anything. Therefore, I had nothing to do with the matter from that day until this.

However, I protested purchasing this particular place—I had a dream—and that dream was a Mosque, a home for the Shrine, sitting up on top of a hill, like the one we have in Alexandria—something that everybody could see, something that everybody would be proud of, something that would not cost too much more money. You know, when we can build Temples costing between 2 and \$3 million and yet we cannot afford anything as expensive as a Shrine Temple for International Headquarters, then that is really something.

I say to you, let's sell our property over there. Let's get rid of it, rent a place and then construct a real home of which we will be very proud and one in relation to which everybody in America can look and say that this is our International home.

In relation to our present property, hardly anybody ever sees it or knows anything about it. I had a dream. Let's carry out that dream. (Cheers and applause.)

IMPERIAL SIR HOGAN: Nobles, will you please give us your attention so that we can handle this matter as expeditiously as possible. We have Imperial Sir Walter Guy who insists upon making a comment here.

NOBLE WALTER C. GUY: Imperial Sir, the statement was just made by the preceding speaker that his successor killed his dream. His successor is not here to speak for himself. His successor was Imperial Sir Frank Land. The present speaker succeeded Frank Land. Frank Land did not kill this man's dream. I am asking for the podium for the purpose of clearing the name of Imperial Sir Frank Land. (Cheers and applause.)

(At this point, the question on the motion was severally called for.)

NOBLE ARNOLD: Nobles, I meant no disrespect to Frank Land. He simply did not carry forward the plan of collecting one dollar from each member during his term. He did not carry out that plan. I may have perhaps stated this very crudely but don't pay any attention to Walter because he does not know what he is talking about half the time. (Laughter)

NOBLE LUCAS: Imperial Sir, I rise to a point of order. I do not believe the remarks made before this body here today are germane to the motion made. I don't think these remarks belong in the Minutes of this organization. Therefore, I would like to suggest the remarks be stricken and the question be put to the House.

IMPERIAL SIR HOGAN: The amendment was accepted by the gentleman who made the original motion. Now then, Nobles, do you understand the motion? Do you want it restated?

NOBLE GEORGE M. SAUNDERS: Perhaps, Nobles, I can give you the sense of it.

The sense of it is that the Board has the power to negotiate and report to the Representatives before the 1969 Session. Now, when I said "report to the Representatives before the 1969 Session," I meant, of course, that it be reported to you in writing.

IMPERIAL SIR HOGAN: That is the motion before you. Are you ready to vote?

All those in favor of the motion as stated indicate by saying "Aye;" contrary "No." The "Ayes" have it. (Cheers and applause.)

(At this point the gavel was returned to Imperial Potentate Seay.)

IMPERIAL POTENTATE SEAY: At this point, I will recognize Imperial Sir Struby with regard to the report of the Mileage and Per Diem Committee.

(Whereupon, Imperial Sir Struby rendered the report in relation to the Mileage and Per Diem Committee which appears in a prior portion of this record and in its rightful place.)

IMPERIAL POTENTATE SEAY: I will now recognize our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives: I move that all of the acts and transactions of the Officers and Board of Directors and Board of Trustees of the Iowa Corporation for the past year and those at this Session be ratified and approved.

(The motion was severally seconded, voted upon and declared to be unanimously carried.)

(Business was conducted in the Colorado corporation at this time.)

IMPERIAL POTENTATE SEAY: Nobles, I just wish to say two things.

First of all, I wish I could express to you my feeling of gratitude and appreciation for all of the many nice things that you Nobles have done for me during the past year in relation to my visitations. You have been very gracious and I will never be able to thank you enough. It has been a great year and I have enjoyed every moment of it.

I can stand here and say to you that in relation to every visitation made this year by the Imperial Potentate, that the Illustrious Potentate and his Divan of all of the Temples visited were just outstanding and they did so much for me and, as I say, I am so grateful to all of you. Thank you. (Rising applause ensued.)

Also, Nobles, I wish to thank my own Temple, Medinah Temple, for a wonderful year.

I will now recognize your Imperial Potentate-Elect who wishes to announce his committees.

IMPERIAL POTENTATE-ELECT HOGAN: Thank you, Imperial Sir.

I will merely announce certain portions of these committees, which will appear in more complete form after they have all been appointed in your printed Proceedings.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives: There will be a meeting of the Board of Trustees, Shriners Hospitals for Crippled Children, and also a meeting of the Board of Directors, Colorado corporation and Board of Directors, Iowa corporation, in the Crystal Room at two o'clock.

The Installation of Officers is the next order of business and the Installing Officer will be O. Carlyle Brock and the Installing Marshal will be Robert Gardiner Wilson, Jr.

IMPERIAL POTENTATE SEAY: The next order of business is the Installation of Officers. I will now turn the gavel over to Illustrious Sir O. Carlyle Brock.

(Past Imperial Potentate O. Carlyle Brock now presiding.)

PAST IMPERIAL POTENTATE BROCK: I will now invite Imperial Sir Robert Gardiner Wilson to come forward to fill the Installing office of Imperial Marshal.

(At this point, Past Imperial Potentate Wilson assembled the Imperial Divan in proper sequence for the Installation Ceremony.)

PAST IMPERIAL POTENTATE BROCK: Nobles, take notice. You see before you those whom you have elected to guide the destinies of this far-flung fraternity and charity during the coming year. Will the Imperial Potentate and the Imperial Officers elect, in accordance to the By-Laws, assume the oath of office. You will say, "I" pronounce your name in full and repeat after me as follows.

(The Imperial Officers-Elect assumed the obligation of office conferred by Past Imperial Potentate Brock.)

PAST IMPERIAL POTENTATE BROCK: Will the Imperial Potentate, Imperial Sir Chester Hogan, step forward.

(The Imperial Potentate-Elect Chester A. Hogan assumed the obligation of office conferred by Past Imperial Potentate Brock.)

PAST IMPERIAL POTENTATE SEAY: Nobles, there isn't a man in Shrinedom that is more deserving to be the Imperial Potentate than the man whom I am about to present with his Jewel of Office. He is a great Noble, a hard worker, honorable and honest. You cannot say much more about a Noble than that. It is therefore, with great honor that I present to him his Jewel of Office.

(Presentation of Imperial Potentate's Jewel to Imperial Sir Hogan ensued.) (Applause)

PAST IMPERIAL POTENTATE BROCK: Imperial Sir Tom, before you take your leave, I am informed that the Illustrious Potentate of Medinah Temple has a presentation to make.

NOBLE WILLIAM L. BACKUS: Imperial Sir, Tom, it is my privilege, as Potentate of Medinah Temple, to present you with a new fez. Some new colors have been added to it. It cannot in any way surpass the luster which you have given your Fez as Imperial Potentate and I now take pleasure in presenting you and fezzing you with your Past Imperial Potentate's Fez and may you wear it for a long time.

(Presentation of Fez and applause.)

PAST IMPERIAL POTENTATE SEAY: Illustrious Sir, this other one was getting a little dirty. Thank you, Bill, so much, and I also want to thank you for everything you have done.

PAST IMPERIAL POTENTATE BROCK: I now recognize Noble Dodge, son-in-law of Imperial Sir Tom Seay, who will present to you a Jewel which has, indeed, double significance. This Jewel was nobly and proudly worn by that great humanitarian,

Imperial Potentate Tom Law, who left it as a priceless heritage to you. You will, I am confident, wear it with equal pride and honor as did he during those significant years of his lifetime.

NOBLE DODGE: Imperial Sirs and Nobles, thank you for the opportunity of representing you and presenting to Tom Seay, my father-in-law, this Past Imperial Potentate's Jewel.

(Pinning on of Jewel and applause ensued.)

PAST IMPERIAL POTENTATE BROCK: Imperial Sir Tom, you do now, I am sure, leave this most exalted position with mixed emotions. You will miss this high office with its fanfare which you have filled so faithfully and so well. The Nobility has exemplified, throughout this year and on this very convention floor by two standing ovations, the love, affection and admiration they had for you in their hearts. You have been a true and loyal friend. It has been my honor and privilege to serve with you.

It is now also my pleasure to welcome you to the ranks of the Past Imperial Potentates and as the majestic ocean liner steaming out to sea gradually disappearing below the horizon and from our view yet to others across the ocean it is coming, and I am confident you, the grand Shriner and Mason which you are, will now address yourself to the even more challenging tasks of this Imperial Council in particular and to masonry in general. Godspeed and God bless you. You have given most generously and unsparingly of yourself.

PAST IMPERIAL POTENTATE SEAY: Nobles, I hope I can wear this Jewel with the distinction of the man who preceded me, my good friend, Tom Law. (Applause)

PAST IMPERIAL POTENTATE BROCK: Will the Imperial Chaplain step forward, please.

REVEREND TIMOTHY REEVES: You know, a year ago I was presented with the responsibilities that you will learn so much about in the next few weeks. Woodrow Wilson Hazlett told me, as I stepped into this line of splendor, "Tim, it is a big job," and then he told me about wearing out two pair of pants on two men. Well, I have not worn out any trousers and these men have not reached perfection. However, I think I have seen some growth in grace. (Laughter)

May God richly bless you as you take up your new duties of Imperial Chaplain for the coming year.

(Presentation of Jewel and applause ensued.)

REVEREND LARSON: I shall seek to fill the big shoes of Timothy Reeves with every ounce of ability and strength I have. (Applause)

PAST IMPERIAL POTENTATE SEAY: Nobles, it is now a great honor for me to pin upon Timothy Reeves this Jewel. He has been a wonderful friend and a wonderful Mason. He has lived up to the traditions of our great City and he has been a wonderful Imperial Chaplain. When my wife was sick and near death, he was the first one to come to her side. I have seen him do many wonderful things in our Temple. He is always there to help any Noble.

Therefore, Tim, I am sure you can understand why I am so deeply honored to pin this Jewel upon you and may you wear it for many, many years to come and enjoy life as you go along.

(Jewel presentation and applause ensued.)

REVEREND TIMOTHY REEVES: It has been an honor to have been privileged to work in this capacity. This is a great group of men. I would also like to say that there is not a "Yes" man in this line. I think you saw evidence of this during the Session. Again, Imperial Sir, thank you very much. (Applause)

PAST IMPERIAL POTENTATE BROCK: To each Imperial Officer my sincere congratulations and fondest wishes. While I would like to direct my remarks to each of you individually, time is running quickly which precludes my saying the fine thoughts which are innermost in my heart. May I be presumptuous in assuming, however, that you know me sufficiently well to be aware of my love and affection for each of you. I will now address my remarks, therefore, to your newly-elected Outer Guard, a dedicated Noble, a great Mason, a doer and not just a sayer of things.

Welcome, Harvey. (Applause)

Imperial Sir Harvey, you have been inducted into the finest family in all this world, the ruling family of the Imperial Council of Shrinedom. You will have acquired the "pearl of great price," thirteen more brothers and sisters and all those who are near and dear to the Past Imperial Potentates as your larger family. Now, as you embark upon this eventful year and the years which lie ahead, each will be in itself a thrilling adventure, happy and rewarding. You will find them the most memorable of your distinguished masonic career.

You have, nobles, and I share your confidence, elected a most worthy Shriner and distinguished Mason who will fill the shoes of those of true great ones who have gone before and leave his seven-league tracks upon the desert sands.

Imperial Sir Harvey, we all wish you Godspeed and all the good fortunes of life. May the years continue to bless you and watch over you. Surely you will be kind to and appreciative of your brethren everywhere.

Now to you, Imperial Sir Chester Hogan, Imperial Potentate, a friend of mine and of every Noble across North America, you are now the exalted leader of 850,000 Shriners and their families in that endless Parade to Glory the Shriners in that inimitable caravan of destiny. You are embarking upon the stage of an unmatched adventure. You are now, like an actor, emerging from the wings of the stage, and in the portrayal of your roll you will see before you an audience — two mighty giants and a little child — one giant being applause, love and affection, the other a giant of criticism; the little child silence.

I hope that this year will be especially kind to you and that you will find guidance and strength as you lift up your heart to the great hills of the land from whence you came, that which you saw so beautifully exemplified on Wednesday. I have reference to you, a man of faith in Almighty God, love for family, dedication to the Masonic Fraternity and all the noble virtues that make a true Noble, a devout Mason and a patriotic American. You are as dedicated a citizen as I have ever known.

As I now yield this gavel of authority to you, may God be kind to you, may He smile approvingly upon you and your reward will come in the form of the love and affection of the Nobility and their families for this, the crowning achievement of your Masonic life.

And now I ask the Imperial Marshal, Imperial Sir Robert Gardiner Wilson, to make the proclamation.

(Whereupon, Past Imperial Potentate Wilson proclaimed the Officers duly and regularly installed for the ensuing year.) (Cheers and applause.)

PAST IMPERIAL POTENTATE BROCK: Imperial Sir and Illustrious Sirs, behold your Imperial Potentate. Imperial Potentate, behold your Nobles. This five-star Fez was placed upon your head by one of your sons but I will place it in position following your installation officially. I deem it a high honor to do so and to also turn over this gavel of authority, knowing you will wield it with firmness but with justice, wisdom and toleration, and ask you to carry on.

IMPERIAL POTENTATE HOGAN: It has been my privilege to have my dear friend, Carlyle, install all of us. I do heartily thank you at this time. I also wish to thank our Installing Marshal, Judge Wilson. (Applause)

Now, I think that before we adjourn this meeting, Imperial Sir Tom has a pleasant duty to perform.

PAST IMPERIAL POTENTATE SEAY: I wonder, sir, if I can have my Director General, Yngvar Brynildssen come forward.

I know when this Jewel was presented to me that I was awful close to Tom Law. However, my Director General has done such an outstanding job and has been a friend of mine for many years that I want to congratulate you and thank you. (Cheers and applause.)

IMPERIAL POTENTATE HOGAN: I now adjourn the Ninety-Fourth Imperial Council Session.

(The Ninety-Fourth Annual Session of the Imperial Council, A.A.O.N.M.S., adjourned at 12:00 o'clock noon.)

ANNUAL REPORT OF GEORGE M. SAUNDERS
IMPERIAL RECORDER, A.A.O.N.M.S.

JANUARY 1, 1967 TO DECEMBER 31, 1967

*Imperial Potentate, Officers and Members of the
Imperial Council, A.A.O.N.M.S.*

GREETINGS:

IMPERIAL SIR AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

The following detailed statements of transactions of the Imperial Recorder's Office for the fiscal period January 1, 1967 to December 31, 1967, both dates inclusive, are respectfully submitted by your Imperial Recorder.

The report of the Imperial Auditor showing complete information on all receipts in the Central Office and all remittances made to the Imperial Treasurer together with the record of payment of all bills, checks for which are prepared in the Treasurer's Office, has been submitted and your attention is directed thereto.

The election returns of the 170 subordinate Temples reflect that there were at January 1, 1968, Representatives to the Imperial Council as follows:

	<i>Total Number*</i>	<i>Total Votes</i>
At Large	13	13
Ad Vitam	17	16
Emeritus	88	68
Elected	674	674
Appointed	1	
Total		771

*Includes Duplications

At the end of our last calendar year, the Temples Annual Reports showed a total of 857,286 Nobles on the active roles of Membership. Permanent Contributing Membership Certificates were held by 134,608 Nobles, which relieved them of paying the Annual Shriners Hospital Assessment.

The net gain in total Shrine Membership for the year 1967 was 6,379 Nobles. The membership details reflected in Annual Temple Reports are printed as a part of this report. It will be noted that 62 Temples report a loss in membership, and 1 remains the same.

The membership graph on the Masonic Grand Jurisdictions for the most part continues to reflect sizable losses; yet the Shrine continues to show a small gain each year. This percentage of gain grows smaller with the death rate of Nobles increasing due to the average age of the members and the lack of younger men in the classes. The Nobles of the Shrine must do active work in the Lodge on membership in order to continue a market for the Shrine.

The constructive work of the Imperial Officers who devote so much of their time to all the Masonic Bodies as well as the Shrine, has meant much to our success throughout the year and grateful appreciation is expressed to all of them.

To all Temple Recorders and their staff members I want to express my sincere thanks for their splendid co-operation and dedication to Shrine service. A cordial welcome to the work is extended to the many new Recorders who have entered this field of service to their Temples.

A special word of thanks for a job well done goes to the Office of the Legal Department in the Central Office for their fine work that requires more extra hours than we care to think of in handling the great amount of legal detail, and in helping Temples with their problems in this field. Noble Paul Ibach has never spared the effort to help a Temple whenever asked or the need arose.

This report can not be concluded without a public thanks and appreciation to every one in the Central Office who has done so much to keep the work flowing smoothly through the office. You are all a great part of the success of the activity through your own loyalty, dedication and effort for the organization. You each deserve the very best in commendation for a job so well done and the Shrine has grown in the minds of the public through your efforts. My sincere thanks to Nobles Lewis K. Molnar, Assistant to the Treasurer; Don Peirce, Data Processing; William H. Keith, Public Relations, and Charles G. Cumpstone, Jr., Assistant to the Imperial Recorder. I am grateful to each of them.

The pride we all take in doing our work will reflect continuing growth in our Order, and a much improved public image of the Shrine in the public mind as well as the Masonic mind of our time.

Es Selamu Aleikum,

GEORGE M. SAUNDERS

Imperial Recorder

THOMAS F. SEAY, IMPERIAL POTENTATE

AND

BOARD OF DIRECTORS OF

THE IMPERIAL COUNCIL OF THE ANCIENT

ARABIC ORDER OF THE NOBLES OF

THE MYSTIC SHRINE

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine (an Iowa Corporation) as of December 31, 1967 and the related statements of income and expense and fund balance for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. All checks issued by the Imperial Treasurer were examined.

In our opinion, the accompanying balance sheet and statements of income and expense and fund balance present fairly the financial position of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine at December 31, 1967 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

1. Accounts receivable:

Accounts receivable consist primarily of dues receivable from the sub-ordinate Temples. These dues were assessed on December 31, 1967.

Included in the annual dues of \$1.10 per capita is \$.10 which is designated for the annual session and amounts in total to \$85,729.

2. Land, building and equipment:

These assets are carried at cost as follows:

Building, 323 North Michigan, Chicago, Illinois.....	\$618,249
Furniture, fixtures and office equipment.....	56,957
	675,206
Less: Accumulated depreciation	184,324
	490,882
Building site	205,000
	\$695,882

The board of directors authorized the establishment of a depreciation reserve fund, with additions to be equal to the annual depreciation charge for National Headquarters building. Expenditures for major repairs to the building are made from this fund.

3. Retirement plan:

Payments to a non-contributory retirement plan during the current year amounted to \$1,472. The retirement plan is currently fully funded in sufficient amount to liquidate and cover all retirement benefits for the length of service as to each employee. Appropriations for this purpose have been approved from time to time by the representatives. There is no current liability for accumulated years of past services credit. The current year expense actually represents 1966 cost as the liability for 1967 cost has not yet been determined.

4. Bank overdraft:

The bank overdraft consists of the following:

Depreciation reserve cash	\$151,716
General fund cash	(155,037)
	\$ (3,321)

The depreciation reserve is funded (as explained in Note 2) by allocations of appropriate amounts from the operating fund. Consequently, the general fund cash is presented as overdrawn.

5. Due to Shriners Hospitals for Crippled Children:

The amount due to Shriners Hospitals for Crippled Children is the net of collections of hospital assessments from the sub-ordinate Temples, less amounts due for building rent and building operation charges.

6. Rental income and proration of building expenses:

The Shriners Hospitals for Crippled Children pays rent on the National Headquarters Building amounting to \$50,000 annually and in addition, bears a portion of the operating expenses of the building.

SHRINE PROTOCOL

*For the Use and Guidance of Illustrious
Potentates and Divan Members of
the Subordinate Temples,
Shrine Clubs and Shrine
Associations*

VISITATION OF IMPERIAL POTENTATE

Reception Committee at airport or railroad station:—

A Reception Committee appointed by the Potentate should be present at the airport or railroad station to greet the Imperial Potentate upon his arrival. Appropriate and ready transportation should be available to transport him and his party to the hotel. Arrangements for handling of baggage should be pre-arranged so as to insure delivery of same to Imperial Potentate when he reaches hotel.

Hotel quarters:—

It is suggested that a suite of rooms be assigned for the use of the Imperial Potentate. Certain rooms of same should be kept strictly private for the Imperial Potentate as his personal quarters. Such quarters should be separate and removed from a general parlor or reception room for visitors. The Potentate should assign to the Imperial Potentate, an Aide, who should be in constant attendance and at his disposal during the entire time of his visitation. The arduous duties of the Imperial Potentate are many, and he is apt to be travel-weary. It is suggested that the Potentate arrange personally for the Imperial Potentate's comfort. The Potentate upon arrival at the hotel should immediately acquaint the Imperial Potentate, in writing, with the program of events planned and permit him to express his wishes as to his personal participation. Any program planned should give the Imperial Potentate ample time for whatever privacy he desires. A proffer of stenographic and clerical aid would prove helpful. Long automobile rides should be eliminated in any program of events unless previously planned and approved by the Imperial Potentate. Should the Imperial Potentate's lady accompany him on a visitation, the Potentate should make such arrangements for her comfort and entertainment as deemed necessary.

(Note: When an Imperial Officer is assigned by the Imperial Potentate as his official representative at a meeting and another Imperial Officer of higher rank is also in attendance at the same meeting, the Imperial Potentate's representative is permitted to speak any appropriate remarks he cares to make. Banquet seating, parade order, etc., will follow usual protocol pattern.)

PARADES

Colors:

Singly, or massed Colors should precede the first uniformed marching unit.

(Since our organization has Temples under three National Flags, these three National Flags should head the Color Squad. The National Flag of the Unit itself takes the honor spot at the right and the other two National Flags are to the left.)

TEMPLE PARADES

Order of Automobiles:—

Following the designated Parade Marshal and his Aides, the following order of automobiles is to be observed:

1. Imperial Potentate, or other ranking Imperial Officer present. The Imperial Potentate will ride alone—or may invite any

distinguished male guest who may be in attendance at the function, to be a guest passenger. **ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.**

2. Imperial Officers other than the Imperial Potentate (by rank).
(One officer to a car—no guests.)
3. Past Imperial Potentates (by seniority in rank).
4. Host Temple Potentate and his Divan.
5. Distinguished Guests other than those in groups 1, 2, 3, or 4.
6. Visiting Potentates, Divans, and Past Potentates.

Women, girls, school bands and school drill corps or marching units of any organization not identified with the Shrine are not permitted in Shrine Parades.

IMPERIAL SESSION PARADES

Order of Parade Formation (Day Parade):—

1. Police escort.
2. Parade Marshal and his aides.
3. Colors singly or massed.
4. Director General.
5. Uniformed Units of Host Temple.
(Uniformed Units of other Temples in the State or Shrine Association will take their place elsewhere in the parade formation according to charter date only.)
6. Automobiles of Imperial Officers.
7. Uniformed Units of Imperial Potentate's Temple.
8. Uniformed Units of all Temples, except Host Temple, will form in order of charter date—oldest date first. Night Parade will follow the same formation except that the Uniformed Units of the Temple of the Imperial Potentate-Elect will immediately follow (7) Uniformed Units of the Imperial Potentate's Temple.

RECEPTIONS

Ceremonial or Reception:—

The Potentate should provide suitable transportation from the hotel to the place of the meeting. Upon arrival at the Mosque or building wherein the Ceremonial or Reception is to be held, quarters should be provided for the Imperial Potentate. These quarters if possible should be separate from the general Reception area where it is quiet and away from undue disturbances that the Imperial Potentate may enjoy privacy for discussions, interviews, etc. An aide designated by the Potentate should be constantly at hand. In the event other Imperial Officers or Past Imperial Potentates are present, a similar room should be set aside for their use.

Reception for Ladies:—

At receptions or other functions where only Ladies are present,

the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line:—

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present they should stand with their escorts.

Introduction and Reception of Guests:—

The Imperial Potentate should be made as comfortable as possible and not subjected to a long standing wait for his turn to be received and introduced. The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than the Most Worshipful Grand Master).
3. Past Imperial Potentates (in reverse order of their seniority rank).
4. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
5. Imperial Potentate.

The first order of business shall be the reception of the Grand Master of Masons of the State or Province. In the absence of the Imperial Potentate, the Grand Master shall be received by the ranking Imperial Officer present; if none be present, he will be received by the Potentate of the Host Temple.

Introduction of Imperial Potentate:—

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude with the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir.....of.....

Temple,(City), (State or Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir.....of.....Temple, of.....(City),.....(State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of introducing Imperial Sir....., Imperial Potentate."

The Gavel should be presented to the Imperial Potentate who, upon receiving same, returns Gavel to the Potentate.

The only address should be made by the Imperial Potentate.

There should be no other talks unless approved by the Imperial Potentate.

Ceremonial or program then proceeds as arranged.

Seating at Banquet:—

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When Ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's Lady at the left of the Potentate; the Potentate's Lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Potentates and their Ladies seated alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place Cards should be provided to expedite seating.

Seating at Ceremonials and Receptions:—

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Potentates are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands:—

In instances requiring a Reviewing Stand same should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Potentates and such other guests as invited by the Imperial Potentate.

The Imperial Potentate receives the Salute of all Temples.

When Temples from an Imperial Officer's state or province pass in review, he receives the Salute of these Temples with the Imperial Potentate.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found on pages 6 to 12 inclusive of the 1966 Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

In accordance with the above, Shrine Association Officers will occupy position No. 5 in "Order of Automobiles," and position No. 2 in "Introduction and Reception of Guests."

DRESS

The Fez:—

The Imperial Council has adopted the Fez as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such.

It is a Red Moroccan Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the Jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk. The Fez is to be worn in its proper shape and without creasing or alteration. It is permissible for Potentates, Past Potentates, Recorders and Divan members, as well as official uniformed organizations, to have their titles embroidered in small letters in gold or silver bullion or silk or jewels on the front of the Fez beneath the emblem.

It is permissible to adorn the name of the Temple and the emblem with rhinestone jewels of a size no larger than that known as #12 by the fez makers. It is permissible to use one pin to hold the tassel in place, said pin to be either plain or jeweled.

The use of any other wording or devices than those mentioned above is prohibited.

The Imperial Potentate wears the regulation Fez with five gold stars on the front near the bottom. Past Imperial Potentates wear five stars on the front of their Fez near the bottom, the outside stars being of silver, the three center ones of gold. Other Imperial Officers wear three gold stars on the front near the bottom.

Shrine Pins:—

The design of Shrine Pins worn by Imperial Officers may incorporate small stars as specified above.

Dress:—

Formal attire for a Shriner is Fez and Tuxedo. Tuxedo should not be worn before five o'clock in the afternoon unless continuous program for earlier hours makes same necessary or advisable.

ACCEPTED SALUTATIONS, ETC.

The Salaam:—

A Noble addressing the Potentate while he is presiding in the East should always give the Salaam.

The Salaam is always given by the Potentate and members of his Divan when receiving the Imperial Potentate, Imperial Officers and Past Imperial Potentates. The Imperial Potentate as well as the Imperial Officers and Past Imperial Potentates do not Salaam in return but give the sign of the Order.

Salutations:—

An Imperial Officer as well as a Past Imperial Potentate is always addressed as "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir."

Salute:—

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Pledge of Allegiance:—

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

Salute to the Flag:—

A Noble who is wearing his Fez will execute a righthand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

Prayer:—

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

Departure of Imperial Potentate:—

The Potentate of the Host Temple should be present at the hotel and at the airport or railroad station when the Imperial Potentate departs. Such other Nobles as he designates should also be in attendance. Aid in securing transportation to the next destination should be proffered to the Imperial Potentate previous to departure. Arrangements should be made beforehand for the handling of all baggage from the hotel to the station.

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Potentates.
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

ARTICLE 22***Temple Charter and Location***

- § **322.1 Recognition.** Only Temples chartered or under dispensation by the Imperial Council are recognized as a part of the Order.

§ **322.2 Authority.** A charter or dispensation from the Imperial Council constitutes the authority of a Temple to meet and work.

§ **322.3 Exhibit of charter.** The charter must be properly preserved and prominently displayed.

§ **322.4 Loss of charter.** If a charter is lost or destroyed, the Temple must immediately apply to the Imperial Council for a duplicate for which \$25 shall be charged.

(a) The proposal to move the location of the Temple must be in writing, signed by at least 100 members of the Temple, setting forth the details of the proposal. It must be presented to the Potentate.

(b) Thereupon the Potentate shall direct the Recorder to mail a notice of the proposal to each member stating that a meeting of the Temple will be held within 90 days to vote upon the proposal.

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the Temple but beyond its corporate limits does not work a change in the location of the Temple.

ARTICLE 23

Temple Membership

§ **323.1 Temple; how constituted.** A Temple consists of its officers and as many members as it admits.

§ 323.2 **Petition, form.** Each petition for membership shall bear the written recommendation of two members of the Temple to which application is made.

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3 **Prerequisite for membership.**

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knights Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32° Mason in a Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or of a Supreme Council in amity with and recognized by either of them.

(b) A Temple may not add to or take from the qualifications for membership in Temples as fixed by these By-laws. A Temple may not require that a candidate must be both a 32° Mason and a Knight Templar.

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

§ 323.4 **Residence.**

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the Temple to which he applies.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any Temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another Temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any Temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the Temple.

§ 323.5 **Balloting.**

(a) Subsequent to a report on a candidate's petition, the ballot

is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by at least 3 members of the Temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In Temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the Temple.

(f) A rejected candidate may not apply again for 13 weeks.

§ 323.6 Candidate; when initiated.

(a) A Temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Membership in only one Temple. A Noble may hold active membership in only one Temple.

§ 323.8 Retention of membership.

(a) In order to retain membership in a Temple, a Noble must maintain the requirements of § 323.3(a).

(b) If a Noble holds membership in both prerequisite bodies, his membership in the Temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership, he loses his membership in his Temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his

Temple without vote of the Temple. He may not be charged with dues to the Temple while deprived of membership.

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his Temple does not restore him to good standing in the Temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than nonpayment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(f) A Temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the Temple.

§ 323.9 Suspension or Termination of membership.

(a) Rights of membership in a Temple are suspended by:

- (1) Voluntary demission upon payment of all indebtedness, assessments and voluntary obligations to the Temple; or
- (2) Suspension for nonpayment of dues; or
- (3) Suspension for other cause.

(b) Membership is terminated by:

- (1) Expulsion; or
- (2) Death

1967 Proceedings, p. 83. Conviction of a crime, in the absence of Temple disciplinary proceedings or termination of prerequisite membership, does not result in a loss of Shrine membership.

§ 323.10 Demit.

(a) A demit specifies that at the time of its issue the Noble named therein was (1) in good standing, (2) free from charges, and (3) free from indebtedness, assessments and voluntary obligations to the Temple.

(b) A Temple cannot withhold a demit from a Noble applying and who qualifies for it under (a).

(c) A Temple may issue a duplicate demit to a Noble.

(d) A demit may be issued by the Potentate and Recorder of the Temple between stated meetings of the Temple. A record of a demit so issued must be made and reported to the Temple at its next succeeding stated meeting.

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the Temple.

(f) A demit entitles the holder to affiliate with a Temple only pursuant to these By-laws.

§ 323.11 Suspension for nonpayment of dues.

(a) A Temple may not carry a member on the books who is more than 2 years in arrears. The Temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

(1) He must be notified by first class mail that he is in arrears;

(2) He must be given an opportunity to be heard;

(3) He must be admitted to the Temple for this purpose even though he is in arrears; and

(4) A majority of members present at a stated meeting must vote to suspend him.

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;

(2) Without a vote of the Temple upon terms authorized by the Temple; and

(3) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

§ 323.12 Past Potentates. A Past Potentate who becomes a member of another Temple is entitled to be classified as a Past Potentate in that Temple.

§ 323.13 Life Membership. Life Membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.6.

1967 Proceedings, p. 84. A life member of a Temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

§ 323.14 Honorary Membership.

(a) Honorary membership may be conferred by a Temple upon

any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of Temple.

(b) The issuance of annual membership cards to honorary members is prohibited.

ARTICLE 24

- § **324.2 Ceremonial sessions.** Ceremonial sessions may be called by the Potentate at any time.
- § **324.3 Special meetings.** Special meetings may be called by the Potentate at any time, but notice must be given to each member stating the business to be considered and no other business than that specified in the call may be transacted.

- § **324.5 Notice of meetings.** Unless a longer time is specified in these By-laws, not less than one-week's notice must be given of the time and place of all meetings and ceremonial sessions.
- § **324.6 Quorum.** A quorum consists of 7 members of the Temple entitled to vote, one of whom must be the Potentate, the Chief Rabban, the Assistant Rabban or a Past Potentate of the Temple.

 - (d) In the absence of all 3 of these officers, a Past Potentate of the Temple shall preside.
 - (e) The presiding officer, at his pleasure, at any meeting or session of his Temple, may request any Past Potentate of his Temple to preside.

§ 324.8 **Powers reserved for Temple action.** All powers not delegated to officers or committees by these By-laws or by the approved By-laws of the Temple are reserved for action of the members at meetings.

1965 Proceedings, p. 42. Unanimous ballot may be directed by unanimous voice vote.

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

§ **325.6 Time of election.** Balloting must commence not later than 9:00 P.M. and when that hour arrives all other business must cease and none may be transacted until the election is concluded.

§ **325.7 Other officers.** The Temple may elect such other officers as its By-laws provide.

1967 Proceedings, p. 83. A Temple may create, by appropriate by-law, the office of Recorder Emeritus or Treasurer Emeritus.

§ **325.8 Nomination.** Candidates for office and Representative must be placed in nomination from the floor. Nominating committees are prohibited.

§ **325.9 Representatives.**

- (b) Sign all checks for the withdrawal of funds.

Temple Jurisdiction and Waivers

- § **328.1 Sovereign.** Each Temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.
- § **328.2 Extent.**
- (a) Unless otherwise determined in Part IV of these By-laws, the territorial jurisdiction of each Temple extends in all directions to $\frac{1}{2}$ the distance by direct line between itself and the nearest Temple.
 - (b) In no case can jurisdiction extend beyond the limits of the state in which the Temple is located unless there is an agreement between it and the other Temples affected.
 - (c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.
 - (d) Unless otherwise determined every Temple has exclusive jurisdiction in the city and county in which the Temple is located, except that a second Temple may exist in the same county in any city, not having a Temple, having a population of not less than 200,000 as determined by the official statement of the State Chamber of Commerce or an equally responsible state or district authority for the current year.
 - (e) A signed copy of any agreement between Temples affecting or fixing territorial jurisdiction must be filed with the Imperial Recorder.
- § **328.3 Change in jurisdictional lines.**

- (a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least 60 days prior to the annual session of the Imperial Council.
- (b) The Imperial Recorder must notify the Temples affected and give full information on the application so that objections to the change may be presented to the Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by the Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these By-laws, the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, if it appears for the best interests of the Order to do so.

§ 328.4 Waivers.

(a) A Temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining a waiver from that Temple.

(b) A Temple may waive its jurisdiction and permit another Temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting a waiver, the candidate must pay to the requesting Temple a fee equivalent to that he would have paid to the Temple granting the waiver.

(2) The requesting Temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more Temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a Temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the Temple granting it.

(e) A Temple may not grant a blanket waiver.

§ 328.5 Another Temple may initiate.

(a) A Temple may request, under seal, another Temple to initiate an elected candidate as a favor to the requesting Temple.

(b) The Temple initiating the candidate must certify that fact, under seal, to the Temple in which the candidate was elected.

(c) The Temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that Temple.

§ 328.6 Where petitioner must apply.

(a) A petitioner, actually residing within a Temple jurisdiction, may not petition elsewhere for initiation without a waiver from the Temple.

(b) A Temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently removes from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

1966 Proceedings, p. 209. Applies to both petitions for initiation and affiliation.

§ 328.7 Where Temple may hold ceremonials.

(a) A Temple may open, elect candidates and initiate them at any place within its exclusive jurisdiction, but no other business may be transacted at that ceremonial session unless it is held at the location of the Temple.

(b) Where 2 or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the location of the Temple; but upon request of a Temple accompanied by written consent of the other Temples holding concurrent jurisdiction, the Imperial Potentate may grant a dispensation to hold a ceremonial session at any place requested in the concurrent jurisdiction.

(c) A temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

(d) A Temple may hold a ceremonial session within the jurisdiction of another Temple upon written request and provided it obtains the written consent of the Temples affected within whose jurisdiction such ceremonial session is to be held.

§ 328.8 Affiliation by demit. The holder of a demit from a Temple is governed by the following:

(a) He may affiliate with a Temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one Temple and affiliate with another Temple holding the same jurisdiction without the consent of the Temple granting the demit.

(c) He may affiliate with any Temple if the Temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

1967 Proceedings, p. 83. A Temple may not waive jurisdiction over a demitting member so as to permit his affiliation with a Temple in whose jurisdiction he has resided for less than six months.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the Temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be restored to membership without a vote of the Temple. The application must be accompanied by written evidence that he is in good standing in his prerequisite body. The reaffiliation must be reported to the Temple at its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation for New Temple

§ 329.1 Requirements.

(a) Dispensation for a new Temple may be granted only by the Imperial Council after a petition is filed.

(b) The petition must be signed by 1,000 Nobles in good standing whose dues are paid in full at the time the petition is signed and who reside in the proposed territory of the new Temple.

(c) The dispensation may not be granted in the event that the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, is or would be reduced to less than 3,000 members by the withdrawal of the petitioners for the dispensation.

(d) The Imperial Council may grant a dispensation for a Temple in the Capital City of Canada or in unoccupied territory without regard to the restriction in (c).

(e) The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

§ 329.2 Application, form and procedure.

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.4 (b).

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of the Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefore must be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to the Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new Temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of the Imperial Council, and notice of the application must be published in the official call for the Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of the Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder

at least 60 days prior to the annual session of the Imperial Council.

§ 329.3 Action by Imperial Council.

(a) When the application for a dispensation is received by the Imperial Recorder he must notify the Temples which might reasonably be affected at least 30 days prior to the session of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council.

(b) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendation of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the Committees.

(c) A charter may not be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has at least 1,250 Nobles in good standing on its roll of membership.

(d) When a dispensation for a new Temple is refused by the Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made until the 5th annual session thereafter.

§ 329.4 Effect if dispensation is granted.

(a) If the dispensation is granted, the members of the Temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the Temple is liable in full to the Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the Temple under dispensation on the date the dispensation is granted, and is amenable only to it thereafter for dues, hospital levy and assessments. The Temple of which he was a member prior to the dispensation may retain the dues

and assessments already received from him for the current year.

§ 329.5 Effect if dispensation or charter refused.

If the dispensation or charter is refused:

(a) All Nobles who signed the application are thereby restored to membership in the Temples of which they were members prior to the dispensation; and

(b) All members of the Temple created therein are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

§ 329.6 Status of Temple under dispensation.

(a) A Temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of the Imperial Council.

(b) It cannot adopt By-laws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

(f) Any vacancy in office of a Temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine.

§ 330.2 Procedure. Proceedings for the discipline of any Noble by a Temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble must state the nature and character

thereof in writing, sign the complaint and deliver it to the Potentate of the Temple.

(2) Immediately upon receipt of a complaint it is the duty of the Potentate to appoint a grievance committee of 5 members of the Temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The committee by majority vote must determine whether there is probable cause for believing an offense has been committed, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee.

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to any other Noble of the Temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the Temple against the offending Noble. The charges, in plain and concise language, must apprise the offending Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the Temple.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial committee of 9 impartial Nobles of the Temple, and to designate a date for the hearing of the charges before the committee, which shall be not less than 15 nor more than 20 days from the date of the selection of the trial committee.

(5) No member of the grievance committee and no member of the trial committee may be a relative of the Noble filing the charges, the accused or any witness, nor in any way interested in the controversy. If a member of either committee is disqualified, it is the duty of the Potentate to fill the vacancies with disinterested Nobles.

(6) Unless a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is subject to discipline for refusing to serve upon the committees.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead in the appointment of the committees herein provided.

(8) It is the duty of the Recorder of the Temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the Alternate, in the name of the Temple, to prosecute the charges, and the Temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused may file written answer to the charges at least 5 days prior to the time set for the hearing.

(b) Trial.

(1) Upon the date set for hearing, the Noble prosecuting on behalf of the Temple may excuse 2 of the committee chosen by the Potentate, and the accused has the right to excuse 2 of the committee leaving a trial committee of 5. If the accused or the Noble prosecuting on behalf of the Temple fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot.

(2) The trial committee selects one of its members as Chairman, who administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the Temple and the accused have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline.

(4) The testimony of all witnesses shall be taken by a competent stenographer, so that it may be preserved.

(5) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party.

(6) Any Noble of the Temple is permitted to attend the trial before the trial committee, but the deliberations of the committee upon guilt or innocence and fixing punishment are secret.

(7) The trial committee hears the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused. If the committee finds the accused guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of the punishment shall be required. The report of the trial committee must be signed by the entire committee.

(9) After the committee has concluded, it shall report its findings to the Potentate in writing, and at the next stated meeting of the Temple after the trial the report shall be read to the Temple, and the Potentate shall pronounce judgment upon the report. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to the Imperial Council.

(c) Appeal.

(1) Either the Temple or the accused has the right within 30 days to appeal to the Imperial Council from any judgment rendered.

(2) The Noble making the complaint has the right within 30 days to appeal to the Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the Temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of the Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the Chairman of the Grievances and Appeals Committee of the Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which even the Temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ ds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ ds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled he cannot be restored but may petition again for membership as if he had never been a member of the Temple.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and shall forward the other copy to the Temple.

(b) The Imperial Recorder also must submit a list of any By-laws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(b) It is the duty of every Temple to make this change in its

By-laws immediately upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder.

(c) Thereupon the Recorder of the Temple must send to the Imperial Recorder a properly certified copy showing that the change was made, and must send copies to the Imperial Potentate and to the Committee on Jurisprudence and Laws for approval and confirmation.

EXPENSE — DETAIL

The following subsidiary breakdown of the Expense Accounts is not necessary unless the Temple desires to keep such a breakdown. GROUP II — LIABILITIES

ACCOUNT 200: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL LEVY

On January 1st of each year, every Temple pays to the Imperial Council \$5.00 for members on the roll December 31st, preceding, who are not permanent members of the hospital. This account is charged at the time the payment is made to the Imperial Recorder. If the cash basis of accounting is followed, then dues are collected. The \$5.00 for the hospital is credited to this account, and the account is charged when payment is made to the Imperial Recorder. As new members are created during the year the same procedure as is used at the beginning of the year should be followed, that is, charge dues receivable and credit Account 200 for the hospital levy, and credit Account 200-A for per capita due the Imperial Council. Accounts 200 and 200-A are charged as remittances are made to the Imperial Recorder. If the member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 200-A: ACCOUNTS PAYABLE—IMPERIAL COUNCIL

On January 1st, each Temple owes sixty cents per capita dues to the Imperial Council for all members on the roll at December 31st, preceding. This account is charged at the time of the payment to the Imperial Recorder. Under the cash receipts basis of accounting, the dues are collected and sixty cents thereof credited to this account. For Temple Life Members, past Potentates, and delinquent members, a charge is made to Account 600, and a credit is made to this account at the end of the year to clear up the charges set up at the beginning of the year. All amounts due the Imperial Council are to be carried in this account. Unpaid balances of the installment option on Hospital Levy and the per capita dues would be carried here until paid. The same procedure as outlined under Account 110 and under the caption just preceding should be followed under 200-A.

ACCOUNT 201: ACCOUNTS PAYABLE—OTHER

This account is credited with all amounts payable other than to the Imperial Council, except as specified hereinafter.

ACCOUNT 202: SOCIAL SECURITY TAX WITHHELD

This account should be credited with the amount of taxes withheld and charged as the amounts are paid out for Federal Old Age Benefit tax.

This account should be credited with the amount of withholding tax withheld from salaries and charged as payments are made to the Federal Government.

ACCOUNT 204: WITHHOLDING TAX—STATE

ACCOUNT 204-A: WITHHOLDING TAX—MUNICIPAL

These accounts should be credited with the amounts of withholding tax withheld from salaries and charged as payments are made to the State Government or the Municipal Government.

ACCOUNT 205: DUES PAID IN ADVANCE

To this account should be credited all dues paid in advance. They should not be credited to an income account until after the first of the year. To those Recorders who have set up the accounts receivable at the beginning of the year, the dues in advance should be credited to Accounts Receivable—dues, and charged to the dues paid in advance.

ACCOUNT 207: DEFERRED REVENUE

This account will be credited for income received before it is due, from sources other than dues or initiation fees. The credits thus received will be closed out to the appropriate income account at the beginning of the next year. Items which might fall into this account are Temple Magazine advertising and rental income.

ACCOUNT 208: P.C.M. AND V.P.S.

All permanent contributing memberships and voluntary permanent subscriptions purchased should be credited to this account, and the account charged as payments are made to the Imperial Recorder.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (printed in red) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

The 20th day of the 10th month, Shauwal, 1388 (marked 103 in red) is the 11th day of January, 1969 (also marked 103 in red).

What day in the Mohammedan year is May 21, 1969?

Finding May 21, 1969 in the Gregorian calendar it is found to be marked 233 in the red figures. The corresponding figure in red on the Mohammedan calendar is found to be the 3rd day of the 3rd month, Rabi-ul-Auwal, 1369.

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

Attest:

GEORGE M. SAUNDERS

Imperial Recorder
(Secretary)

THOMAS F. SEAY

Imperial Potentate
(Chairman - Board of Directors)

IMPERIAL POTENTATE SEAY: I now recognize our Imperial Recorder, George M. Saunders.

NOBLE GEORGE M. SAUNDERS: Imperial Sir, I would move that the elected Representatives and emeritus Representatives of the Imperial Council, Iowa corporation, be elected Representatives and members of the Colorado corporation.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: You have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was severally called for, the motion was voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE SEAY: This session is now open for business to be transacted in both the Iowa and Colorado corporations and will remain open until the Session is terminated.

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: Well, Nobles, I wish that we had more on the agenda, for we still do have an hour. According to the agenda, however, it is time to recess until tomorrow morning. Does everyone understand it will be nine o'clock instead of ten o'clock, at Medinah Temple? Have a pleasant evening.

(The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado corporation, recessed at four-fifteen o'clock p.m.)

AFTERNOON SESSION
WEDNESDAY, JULY 10, 1968
TWO O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals For Crippled Children, a Colorado corporation, reconvened in the Grand Ballroom, Palmer House, Chicago, Illinois, on July 10, 1968, at two o'clock p.m., Imperial Potentate Thomas F. Seay presiding.

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: The next order of business is to elect Trustees for the Colorado corporation to fill the expiring terms of George M. Klepper and George A. Mattison Jr.

NOBLE ROBERT G. WILSON, JR.: Imperial Potentate and Nobles: I realize, of course, fortunately or unfortunately, that no man is wholly irreplaceable but very nearly irreplaceable is the Noble on whom we have depended to act as the Chairman of the Building and Equipment Committee of your Trustees for the Shriners Hospitals for Crippled Children. He is the man who has been responsible for going over and approving of plans and expenses for both buildings and equipment.

Therefore, it is a pleasure and an honor for me to nominate as Trustee of the Shriners Hospitals for Crippled Children, Noble George Mattison, Jr. of Zamora Temple. (Applause)

NOBLE MARSHALL M. PORTER: Imperial Sir and Nobles: The term of Trustee George M. Klepper expires at this meeting. He is eligible for re-election. I nominate him for that office.

George has been Chairman of our Study Committee and this is the Committee that is dealing with the perplexing problems with which we find ourselves in developing the Burns Institutes and in moving the activities of our Orthopedic Hospitals in tune with what Medicare may do to them and what the Salk vaccine and antibiotics have done for, or to our pediatric cases. We have a great fund of experience and knowledge in him. He has worked with our doctors on the Advisory Committee, with Drs. Caldwell, and also Dr. Larson. He is splendidly informed. He heads an interesting Committee and, therefore, it seems to me that it would be wrong to replace a man in whom we have that kind of investment.

As has been indicated by Judge Wilson, it is true that no one is irreplaceable but it is equally true that the job of training him would take a matter of years. I am therefore proud and happy to nominate George Klepper for re-election to the Board of Trustees, Shriners Hospitals for Crippled Children. (Applause)

NOBLE JOHN VESSEY: Imperial Sir, if there are no other nominations, I would move that nominations be closed, the rules suspended and these individuals be declared unanimously elected to succeed themselves.

(The motion was severally seconded, was voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: By your motion, you have elected Nobles George M. Klepper and George A. Mattison, Jr. to the Board of Trustees, Shriners Hospitals for Crippled Children, to succeed themselves for a three-year term. I will ask both of these Nobles if they accept?

(Whereupon, both Nobles Klepper and Mattison indicated their acceptance of their election.)

IMPERIAL POTENTATE SEAY: I am now going to call on George M. Saunders with regard to the election of Trustees (members of the Imperial Divan and the Immediate Past Imperial Potentate).

NOBLE GEORGE M. SAUNDERS: In accordance with the provisions of the laws of the Colorado corporation, Chester A. Hogan, now elected Imperial Potentate; J. Worth Baker, Deputy Imperial Potentate; Aubrey G. Graham, Imperial Chief Rabbi; Thomas W. Melham, Imperial Treasurer and Thomas F. Seay, the Junior Past Imperial Potentate are to be elected for a one-year term as Members of the Board of Trustees. A motion to that effect is in order.

(Whereupon, it was severally moved, seconded and unanimously carried that these Nobles be elected to the Board of Trustees.)

NOBLE GEORGE M. SAUNDERS: The next item has to do with the reorganization of the Colorado corporation Directors. These Directors consist of the members of the Imperial Divan—Chester A. Hogan, J. Worth Baker, Aubrey G. Graham, C. P. MacGregor, C. Victor Thornton, Henry B. Struby, Thomas W. Melham, George M. Saunders, Jacob A. Wingerter, Jack M. Streight, W. W. Bennett, Peter Val Preda, Harvey Smith, Thomas F. Seay and Harold Lloyd. A motion is in order that these individuals be elected Directors of the Colorado corporation.

(Whereupon, it was severally moved, seconded and unanimously carried that the above-mentioned Nobles be elected Directors of the Colorado corporation.)

NOBLE GEORGE M. SAUNDERS: We next proceed to the election of Officers of the Colorado corporation. Therefore, if you would have as Officers of the Colorado corporation Chester A. Hogan as Chairman; Harold Lloyd as President; J. Worth Baker as First Vice President; Aubrey G. Graham as Second Vice President; Thomas W. Melham as Treasurer; George M. Saunders as Secretary and C. P. MacGregor as Assistant Secretary, a motion would be in order that these individuals be elected to these offices.

(Whereupon, it was severally moved, seconded and unanimously carried that the Nobles as indicated likewise be declared elected as Officers of the Colorado corporation as indicated.)

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: Jack Cochran, are you ready for the Colorado corporation report?

NOBLE JOHN COCHRAN: Imperial Potentate, Imperial Sirs and Representatives: Your Committee on Jurisprudence and Laws of the Colorado corporation has been advised by Past Imperial Potentate Marshall Porter that the proposed amendment to the By-Laws of the Colorado corporation as presented in the Call, page twenty-six, is withdrawn pending further study.

IMPERIAL POTENTATE SEAY: The Chair again recognizes the Chairman of the Colorado corporation Jurisprudence and Laws Committee for another report.

NOBLE JOHN COCHRAN: Your Jurisprudence and Laws Committee, Colorado corporation, has the following report to submit:

To the Members of Shriners Hospitals for Crippled Children:

There has been submitted to the Jurisprudence and Laws Committee a proposed amendment to Paragraph (1) of Subsection (d) of Section 507.4 of the By-Laws of the Colorado Corporation, as follows:

“Amend Paragraph (1) of Subsection (d) of Section 507.4 of the By-Laws of the Colorado Corporation so as to change the phrase ‘Imperial Recorder, A.A.O.N.M.S.’ to ‘Secretary’ and to enlarge in this same Section the word ‘monies’ to include ‘all monies, property and assets.’”

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or By-Laws.

Respectfully submitted,

COMMITTEE ON JURISPRUDENCE AND LAWS

Jacques H. Fox
William H. Knowlton
Warren L. Jones
George C. Foster
James T. Singley
William J. Bundy
John D. Cochran, *Chairman*

NOBLE COCHRAN: In order to bring this matter before this Imperial Council, I move the adoption of the proposed amendment.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been moved and seconded that the proposed amendment be adopted. Is there any discussion?

(The question was called for, the motion was voted upon and was declared to be carried.)

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: I would like to know here this afternoon as to just how many Nobles are present who are going to donate to our Childrens Hospitals and our Burns Units that do not have their checks with them. Will you please stand?

I am going to call on Imperial Sir Harold Lloyd to make his report this afternoon and then tomorrow, before the noon-hour, before we recess for lunch, if those of you who do not have your checks with you this afternoon, will bring them with you, then our Chairman of the Board will be here to greet you and accept your checks. I don't want any of the rest of you, however, to feel that you are restricted because you can also write a check if you so desire.

At this time I would like to call upon Harold Lloyd for his report.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives to the Imperial Council and Nobles all. Again we are in the great City of Chicago and Medinah Temple and its fine Nobles are Host to another outstanding Imperial Council Session. We have had many conventions in this wonderful City and for its hospitality, its innovations, its organization and its leadership, it has had no peers. I am sure all Shrinedom is grateful for its splendid contributions.

It has been said many times, in many ways, that the Shriners Hospitals for Crippled Children and the Burns Institutes are truly "The soul of the Shrine." As your National Chairman of the Board of Trustees of this great humanitarian organization, I am most happy each year to come before this group of delegates to render a report of this marvelous philanthropy that our Shriners Hospitals for Crippled Children has been carrying on these many years.

Our great benevolent work is a multi-million dollar organization doing business in twenty-two different locations and three different countries. We can look in retrospect at a constant growth pattern from the year 1922, a progression of accomplishments unmatched in the history of philanthropy, and each succeeding year carves its own niche of glory in the records of our Shriners Hospitals for Crippled Children. The past year, 1967-68, was no exception. For this let us all be thankful.

Gentlemen, several important milestones have been reached during the time since last we met. Our Honolulu Unit is now in full operation in its beautiful new edifice and it was visited and reviewed by our Joint Boards of Trustees and Directors during the mid-winter meetings of these groups.

The past year marked our celebration of a full year's operation of the completed Burns Institute in Galveston - while our Cincinnati Burns Unit has now begun full-scale operations in the new building there. It is gratifying to also note that the Boston Burns Institute is rapidly nearing completion and will soon be ready to receive patients, thereby increasing our bed capacity for burned children to the full complement of ninety.

It is estimated that in the United States, from 8,000 to 10,000 persons a year die as a result of burns. The burned patient has lost part of the function of the largest area of the body, the skin, and most patients develop complications and death results from the complications. The severe burn is not only an injury, it is also an illness and the management of severely burned patients actually poses a most difficult and complex medical and surgical problem, and our Burns Institutes have been built to cope with these complexities and also to carry on research in burns so that as time moves on we will be in a position to help all humanity in the field of burns.

During this year just completed, we have also approved plans for remodeling projects at the Orthopedic Units in Springfield, Erie, Shreveport and Houston. Contracts have been let and construction has started on the new Unit for San Francisco.

Another project worthy of note is the approval of plans for a program whereby rehabilitation and follow-up care of our burns cases can be accomplished in the Orthopedic Units wherever possible, thus freeing beds more rapidly for the urgent needs of our critically burned children of our communities who might otherwise be delayed or turned away for lack of adequate facilities. This, I feel, is a major step forward and will solve many problems and increase our capabilities to serve, as we are dedicated to do, once the program is in full operation.

Now, I have no desire to burden you with a lot of figures. However, I do feel that just a few may prove to be interesting. Such as the fact that our operating costs during 1967 for the nineteen Orthopedic Units increased by \$1½ million. Our report for the calendar year of 1967 shows operating expenses of \$10,364,000, compared with 1966 operating costs of \$8,696,000. These figures represent an increased daily cost which is now up to \$29 per patient day or \$1600 average cost per patient stay.

I am most happy and grateful at this particular time each year to be able to express my sincere appreciation to the dedicated people who staff our Hospitals and pay an extra tribute to those who give of themselves in time and knowledge in service on the local Boards of Governors of all of our Shrine Units and a special salute to all the Chairmen of these institutions. And, of course, I would be very much remiss if I did not recognize that this report would be incomplete without an expression of deep and sincere gratitude to the many who have helped in the success of the year just concluded. Now, Nobles, any man who has been fortunate enough to hold the office of Imperial Potentate of the Shrine of North America has not only given a tremendous amount of his time to this great Order to arrive at that particular position, but during his year as Imperial Potentate and as head of this outstanding organization, he generally has to give all of his time, knowledge and experience for his full year as leader of this great Fraternity. Imperial Potentate Tom Seay, I believe, has done just that and he, as so many of his predecessors, has accomplished many innovations to this splendid Order, as well as giving it fine leadership.

Now, when you work with men for a number of years, you get to know their habits, accomplishments and knowledge exceedingly well and that is the position I'm in toward the National Board of Trustees of our Shrine Hospitals, and I can say without equivocation that these Trustees, along with the National Board of Directors, are men of outstanding qualities and exceptional talents, and I am most grateful to them for their contributions to our great philanthropy and to the unstinted aid they have given to me as Chairman of this splendid group of men.

And to all of our committees — the Building Committee and its Chairman, George A. Mattison, Jr., who has had an especially active and difficult year because of the complexities of our many construction problems in our numerous Units; the Investment Committee, who apparently have been using great foresight and judgment in keeping a careful watch over our assets to constantly know that our funds are wisely invested; the Finance Committee; the Jurisprudence and Laws Committee; the Office of the Treasurer and Auditor; the National Shrine Hospital Day Committee; the Shrine Football and Athletic Committee; the Rules and Regulations Committee; the Salary, Personnel and Retirement Committee; the Medical Records and Research Committee; the Public Relations Department; and so many others who have functioned to the great satisfaction of all, certainly grateful thanks to them and all of their fine Chairmen.

One of our more recent committees, the Study Committee, and its Chairman, George M. Klepper, have had a very arduous task in evaluating the many complexities that our benevolent works have been experiencing and will come face to face with in the very near future, a special salute to them.

The Wills, Bequests and Gifts Committee, with its Chairman, Walter C. Guy, have been making great strides in helping to accumulate the necessary funds through wills, bequests and gifts to carry on our great philanthropy. Thanks to you, Walter, and your entire group. I know we will hear from you shortly after this report.

Again, it is my pleasure to give a deep thanks of gratitude to our national Secretary and Imperial Recorder, George M. Saunders, who performs the duties of his office in such a splendid manner and who I always rely upon to a tremendous extent.

Again, my thanks and appreciation to our Executive Administrators, Miss Eleanor Baird and Horace Lee Burgin. My thanks to Paul Ibach, who has been called upon to give outstanding service in our Legal Department. These individuals are most knowledgeable and experienced in charge of these specific offices and we are most fortunate to have them in our service.

We are also most fortunate to have an exceptional and qualified Surgical Advisory Board, with its most capable Chairman, Dr. Carroll B. Larson and its Honorary Chairman, Dr. Guy A. Caldwell. Also, we have the good fortune to have Dr. Carroll Larson in a new office that has been created to take care of difficult and complex problems relating to all of our Hospitals.

And special applause from Shrinedom to the fine Nobles and Chairmen who are greatly responsible for our outstanding football games, circuses, horse shows, dances, basketball games and numerous other types of promotion that have brought in millions of dollars to our magnificent philanthropy.

Also it is a great pleasure to say to our Potentate-Elect, Chester A. Hogan, that I am sure all of our Nobility are looking forward to having you as our next leader of this great fraternal body. I, in particular, Chester, am looking forward to working with you and I know that your dedication for the coming year will be most exceptional and I am sure the Shrine will be in very capable hands with you at the helm.

In this period of world strife, tension, turmoil and uncertainty, I am convinced that as men and members of this great Fraternity we can, each of us, be exceptionally proud and experience a great feeling of accomplishment in the name of humanity as a result of the miracles that are made to happen in our great Hospitals, these temples of healing, where relief, hope and comfort, along with the restoration of twisted and scarred little helpless bodies is a common goal that crosses all lines of national origin, religious creed and color of skin.

As the head of your national Board of Trustees, I wish to express my gratitude to all the Representatives of this Imperial Council Session for your patience this afternoon and for the great help and dedication that each of you has given to our wonderful philanthropy. I also wish to express appreciation as Chairman and speaking for my Board, of all Shrinedom, for the great aid that all Shriners and non-Shriners have given to this great benevolent cause which our Ancient Arabic Order has been carrying on so faithfully. Thank you and God bless you all. (Rising applause.)

Imperial Sir, I move the adoption of this report.

(The motion was severally seconded, voted upon and declared to be unanimously carried.)

IMPERIAL POTENTATE SEAY: Harold, thank you very much for that splendid report.

Now, as I said, Nobles, before lunch tomorrow, if you do have a donation to make to our Hospitals, we would appreciate your bringing your check in the morning and we will take time then to receive your contributions.

(Business was then transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: I would now like to recognize Walter C. Guy, Chairman of the Wills, Bequests and Gifts Committee, for his report.

PAST IMPERIAL POTENTATE WALTER C. GUY: Imperial Sir, Imperial Officers and Representatives: Anything that I might say this afternoon would be anticlimactic to what you saw and heard in the pictures and dissertation given by Dr. Larson. I don't think I will have much trouble in gaining your ear for I feel quite sure that certainly you join me in deep appreciation for the message given to you by Dr. Larson.

I was particularly impressed with his closing sentence which was—"Thank you, Nobles, for giving us the facilities to carry on this work."

Also, a fellow physician by the name of Dr. Carroll Larson is your chief Surgeon. Now, in a discussion before our Committee in April, he closed his remarks with this statement—"Our objective is to obtain the services of the best available talent and equip them with the best facilities obtainable, including equipment and with that combination, I don't think we can fail in our effort to rebuild and utilize the bed capacity of our many Hospitals."

As a bit of explanation, may I explain that the funds of our Colorado corporation come into Central Office in two categories—one is capital funds or more commonly known as endowment funds, made up of the funds occurring as a result of your efforts in behalf of WB&G, and, secondly, although not now extremely active, the funds coming from PCM—Permanent Contributing Memberships.

From the very inception of your endowment program, your WB&G program, initiated by Past Board of Trustee Member McGilvey of San Francisco, he promised the bankers that joined him that those funds would never be expended but that we would operate from the income on those funds. You and I were given the same promise when we bought our permanent contributing membership—that those funds would never be expended but, on the contrary, would remain for year after year as a permanent memorial for your interest in our charity.

That second classification in our accounting is that of operating funds and this comes primarily from three sources. The first source is that from investments, such income being brought about as a result of the efforts on the part of some 160 banks with which we have contracts to handle our funds. Another category is from Temple contributions in the way of football games, circuses, etc. and, thirdly, our five-dollar Hospital assessments. We are presumed to live on that second class or category of funds.

Your WB&G Committee, gentlemen, accounts for from 40 to 50 per cent, varying from year to year, of your total income in the Colorado corporation, both capital and operating. In 1967, we regained a little of the loss that we sustained in 1966. The reason for the decline in 1966 will never be understood by this speaker but I am happy to report that in 1967 we reached a new high for our WB&G gifts program.

Our report for the first six months of 1968 reflects a little downward trend and I find that 69 of our 170 Temples still have a zero after their name in the credit column in Central Office insofar as new wills are concerned.

I find that six states, all the Temples in six states fall into that same category.

We of the WB&G program are endeavoring to provide you with new tools to aid us in reaching our objective. One of these new tools is what we call a Speaker's Kit. Too often has this Chairman been confronted with this statement—"Walter, we know so little about the financing of our hospital program that we are not in a position to intelligently discuss it." These kits will reach your Temple office shortly after the meeting of this Imperial Council. Copies will ultimately be provided for the Potentates, the Recorder and the Chairman of your Temple WB&G Committees.

Another little tool we have prepared for you is a new poster emphasizing and depicting, through the eye, through vision, our program on both Orthopedic and Burns and inviting your consideration as to whether or not you could possibly mention Shriners Hospitals for Crippled Children and Burns Institutes in your will. Two of these will be sent to each Temple throughout North America. I ask the Potentates and Recorders to see to it that those posters are placed in a prominent position and that they remain there if at all possible. They have been varnished in order to retain more or less permanently the story that is covered by the poster.

Temple Wills, Bequests and Gifts Committees should consist of no less than one per cent of your Temple membership. I am reminded of the remark made by the Imperial Potentate a moment ago—that any Temple that does not give a reasonable portion of their time and effort to our charity, and I think I quote him correctly, that there is something wrong in one's heart. Therefore, won't you go back to your Temples and do a sincere job of creating an effective WB&G Committee.

This is not an honorary society—it is not a dumping-ground for recognition of some of your friends. It is a place where you should place those and appoint those who are dedicated and interested in our charity.

We have provided to you some twenty-one Regional Directors. They are available to you for advice, counsel and leadership, all without cost to your Temple. Use them, call on them.

Your national Past Potentates Order known as the Cabiri, in Washington, D.C. a year ago, adopted a resolution in which they named the WB&G program as one of their prime objectives and have offered their services to you. Here is an army of some 2400 men whose efforts might well be harnessed to this endeavor. This organization is made up of Past Potentates who have been through the mill and who can, I am sure, render great service.

In conclusion, I ask for and I plead for help on the part of the Temple Officers throughout our entire Nation. We face deficits in our operating funds.

When the record of 1968 is completed, we will show a deficit in operating funds making it necessary to draw on the sacred funds that should be spent only in the case of dire emergency. We have also been informed that we face a more serious deficit in 1969 and 1970.

Now, Imperial Sir, I am grateful to you for your interest in helping us this year. I am quite sure that we will have the assistance of our new incoming Imperial Potentate. Thank you, all of you, who have helped us thus far.

Imperial Sir, I move the acceptance and adoption of this report.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: It has been regularly moved and seconded that the report be received and adopted. Is there any discussion?

(The question was called for, the motion was voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: I am afraid I just want to say this to you Nobles. I don't want you to get misled in connection with what Walter said in relation to digging into our operating funds. I don't think he meant to say that we had to dig in our reserve to support our Hospitals. What I meant in this, and if I am wrong, Walter, please correct me, that the five dollars that we donate and maybe the interest on our income of money would not support the Hospitals. Is that correct?

PAST IMPERIAL POTENTATE GUY: No, sir, that is not right.

IMPERIAL POTENTATE SEAY: Then I would like to have you explain that a little bit. I am afraid the Nobles got the wrong impression — that we were digging into our funds.

PAST IMPERIAL POTENTATE GUY: Once again, may I indicate to you that your operating funds come from three sources — investment income, Temple contributions and your five-dollar assessment. Those combined funds during this year, next year and the year following will not be adequate to cover the projected operating expenses of your Hospitals and Burns Institutes, according to our auditors.

IMPERIAL POTENTATE SEAY: Well, I see what you mean but, of course, I still don't want these Nobles to go away from here with the impression that we are losing money because, as I understand it, we are putting into our reserve, year after year, something like \$20 million. Therefore, I don't believe we are going to go broke and I don't want these Nobles to think that we are.

PAST IMPERIAL POTENTATE GUY: When you mention "a reserve," I say to you that this reserve is an endowment fund which you and I have pledged not to expend for operations, except in dire emergencies.

IMPERIAL POTENTATE SEAY: Thank you, Walter. I think the Nobles understood me. (Laughter and applause)

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: I now declare this session in recess until nine-thirty tomorrow morning.

(The Annual Meeting of the Shriners Hospitals for Crippled Children, a Colorado corporation, recessed at 3:45 o'clock p.m.)

MORNING SESSION

THURSDAY, JULY 11, 1968

NINE-THIRTY O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado corporation, was reconvened in the Grand Ballroom, Palmer House, Chicago, Illinois, on July 11, 1968 at 9:30 o'clock a.m., Imperial Potentate Thomas F. Seay presiding.

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: The next order of business will be the report from the Imperial Treasurer, Thomas W. Melham. Imperial Sir, will you approach the podium.

NOBLE THOMAS W. MELHAM: Imperial Sir and Representatives to this session: The report of the Treasurer is set forth in detail in the Book of Reports. You will, later on at this session, receive a report of the Finance Committee. The Book of Reports has, of course, been examined and approved by our corporate accountant.

I shall comment briefly on just a few of the items therein. With respect to the operations of the Colorado corporation, we received \$28,151,000, which was credited to our capital account. Revenue from operations was \$17,828,000-odd, a total of \$45,979,000. All of our expenditures amounted to \$20,226,000. Now, all of those were charged to revenue for operations and it did result in approximately a deficit of \$2,400,000. However, don't let that concern you too much because due to the wisdom of the Trustees many years ago, the item of contribution last year was \$3,800,000 and has always been placed as a capital account. It is permissible, of course,

to use that for current operations but the economies effected were, of course, to contribute again to building up our endowment fund.

Now, I don't know how much further detail you want me to go into but unless there are any other questions, I merely move the acceptance of the report of the Treasurer as contained in the Book of Reports.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for, the motion to accept the report was voted upon and declared to be carried.)

IMPERIAL POTENTATE SEAY: I will now call upon our Imperial Recorder, George M. Saunders, for his report.

NOBLE GEORGE M. SAUNDERS: Imperial Sir and Representatives, the report of the Imperial Recorder-Secretary is found in the Book of Reports that has been printed and put into the hands of each member of the Imperial Council.

I would move that the report be adopted.

(The motion was severally seconded.)

IMPERIAL POTENTATE SEAY: Nobles, you have heard the motion, which has been duly seconded. Are you ready for the question?

(The question was called for, the motion was voted upon and was declared to be carried.)

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: Before we continue, I would like to ask if everybody has their checks with them. Are you ready at this time to present your checks to the Chairman of the Hospital Board? Is there anybody here who hasn't their check and would like to get it. Please say so now.

Otherwise, at this time I will recognize our Imperial Sir, Harold Lloyd, who will be, I am sure, very happy to receive any checks that you feel you should donate to the Hospitals. Harold, the microphone is yours.

PAST IMPERIAL POTENTATE HAROLD LLOYD: Imperial Sir, Imperial Sirs and Representatives to this Imperial Council Session: You are all aware, of course, of the magnificent work that is being done by our Temples. I have reference to activities such as ball games, circuses, horse shows. These Chairmen have all been wonderful in doing what they have been doing and, in turn, have brought to us millions of dollars for our philanthropy.

Of course, I also think we are most fortunate each year to have these people come forward with these contributions.

There is one thing I would like to have you do, gentlemen. We would like to do this all in one way. Therefore, while I am sure there are a great many of you I know, there are likewise others I don't know and, therefore, I would like to have you announce your name and Temple before making your presentation. This will also help for record purposes.

At this time I would first like to recognize Imperial Sir Orville Rush.

PAST IMPERIAL POTENTATE RUSH: Chairman Harold, I am delighted to present, on behalf of a dedicated organization in Shrinedom, the Association of Shrine Oriental Bands of North America, checks in the amount of \$8,116.45. They say they will have more forthcoming. This will make it \$8,900 for our philanthropy. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you, Imperial Sir Rush. We are very privileged to have this and are appreciative.

You know, our Imperial Potentate just asked me as to how long he thought it would take. I said a half-hour.

Now then, who has the next check?

NOBLE THEODORE H. BALLIET (Islam Temple): Imperial Sir and Representatives, I am from San Francisco, the home of the Shriners East-West Game. I would like to present to you, Imperial Sir, a check for \$231,188. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Gentlemen, let me say here right now to all of the men present, this is truly magnificent, as we all know. This is the grandparent of

all of our football games but, nevertheless, small contributions are just as welcome and sought for in relation to doing the same good. After all, some of these smaller Units do not have a like opportunity. At any rate, thank you very much, sir, for that magnificent donation.

NOBLE ERNEST C. ELWOOD (Islam Temple): I have here a letter report from the Wells Fargo Bank involving the Estate of Pauline W. Cary. This letter indicates that we may expect a contribution about the end of August, with it being estimated that the total value of the securities will be \$450,000 and that the cash to be distributed will be some \$93,000. If the estimates are correct, Imperial Sir, there will be a total of approximately \$543,000 distributed to our charities. (Cheers and applause)

PAST IMPERIAL POTENTATE LLOYD: That is really beautiful — magnificent.

NOBLE MEYER H. LEGUM (Khedive Temple): I have the honor and privilege of presenting to you the father of our Oyster Bowl, who wishes to make a report on our twenty-first annual game, Past Potentate Melvin T. Blassingham.

NOBLE MELVIN T. BLASSINGHAM (Khedive Temple): Imperial Sir, it is my distinct pleasure to present to you, on behalf of Khedive Temple, a photostatic copy of a check for \$85,000 deposited on December 22, 1967. This makes a total of \$1,200,000 that has been contributed.

PAST IMPERIAL POTENTATE LLOYD: Splendid, we are most grateful, believe me. Shrinedom is most grateful.

NOBLE DERWIN R. ELLIOTT (El Kahir Temple): Imperial Sir, I have the honor of presenting a check payable to Shriners Hospitals for Crippled Children in the amount of \$27,445.62 and also a letter of acknowledgment from the Imperial Council that was made in February for another \$35,000.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. We are very grateful for all of this, believe me.

NOBLE BENJAMIN MARKS (Mahi Temple): Imperial Sir, I have the privilege of offering a check from our North-South Football Game which equals the East-West in stature insofar as type of players is concerned and quality is concerned. This check is in the amount of \$51,405.67. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Noble, we certainly thank you. I have seen your Game.

NOBLE JOHN G. KEMMERER (Moslah Temple): This may be a first time for us. We are starting small but we hope to grow. I am presenting you a check here for \$10,000. These are the receipts of our circus. (Applause)

PAST IMPERIAL POTENTATE LLOYD: John, that is a great start. Thank you very much.

NOBLE EDWARD A. RANKIN (Al Chymia Temple): Imperial Sir, from the hearts of five thousand Nobles, I am happy to present to you this check for \$5,000. This comes out just even. (Applause)

NOBLE ROBERT W. CLEGHORN (El Jebel Temple): Imperial Sir, I have two checks totalling \$18,823.52. Of course, this is a drop in the bucket to what we contribute each year. At any rate, I wish to present them to you.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much.

NOBLE J. E. CAMPBELL (Kerbela Temple): We have a little paper sale on the third Sunday in May of each year. We do not represent several Temples grouped together in a big event but we wish to present to you the sum of \$86,000 which will be equally divided between our two Hospitals in that area. (Applause)

PAST IMPERIAL POTENTATE LLOYD: That is truly magnificent. Thank you very much.

NOBLE R. C. CLINE (Khiva Temple): I would like to present a check in the amount of \$247.40 from the Uniformed Band and also a check for \$5,398.55, the proceeds of the first Shrine Bowl at Lubbock, Texas.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much.

NOBLE EDWARD G. FISHER (Jerusalem Temple): I would like to present to you an auditor's report indicating we have already furnished to our Shreveport Unit and Burns Institute \$6,902 and this, with additional checks for \$43,418, makes a total of \$50,320.

PAST IMPERIAL POTENTATE LLOYD: Ed, I thank you very, very much.

NOBLE E. C. MATTHEWS (Al Sihah Temple): I would like to present you with a check for \$1,200 from our Circus Fund for use of the Shriners Hospitals for Crippled Children.

PAST IMPERIAL POTENTATE LLOYD: We are also most grateful to you.

NOBLE W. E. MATTISON (Arabia Temple): We do not like to keep the money from working down in our area and so we have already given money to the Shrine Burns Institute and the Houston Orthopedic Unit. However, I would like to present a detailed report in this envelope of a total for this great Astrodome Baseball Exhibition that we had on April 4th, plus a few other Shrine activities in the amount of \$36,584.38. Also, in addition to that, we have with us Illustrious Past Potentate Doyle Stuckey, who would like to make a report on some unfinished business which has been finished insofar as the Imperial Council is concerned but unreported.

PAST IMPERIAL POTENTATE LLOYD: Thank you, Bill. I want to take one moment and say to you that this is the son of Past Imperial Potentate Mattison. We are all very proud of him. They do great work there.

NOBLE DOYLE STUCKEY (Arabia Temple): Mine is not a report to you so much as it is to the Representatives in relation to Arabia Temple's activities this year.

A few years ago this body voted into the Colorado corporation the Arabia Temple Crippled Children's Clinic as it was then known. At that time and even now it is not possible to establish an exact value. Now, in addition to the physical values, the physical property, included in that value are trusts, wills and other items that amount to something in excess of \$10 million which have become the property of the Colorado corporation. We have never had that report given. I appreciate the opportunity to do it here.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. I am sure all the Nobility appreciate that. Thank you very much.

NOBLE HOWARD D. FOLEY (Murat Temple): I would like to present to you, from the Estate of Oscar Harrison, \$55,758.89 and from another Estate the amount of \$61,519.72, for a total of \$117,278.11.

PAST IMPERIAL POTENTATE LLOYD: Your Imperial Sir J. Worth Baker thanks you, along with the rest of us.

NOBLE B. T. BRADLEY (Alcazar Temple): We have put on our first Shrine bowl game, a game between two regularly scheduled colleges in the State of Alabama. In our first year we have realized a net profit of \$2,500, which we have presented to the Crippled Children's Hospitals.

PAST IMPERIAL POTENTATE LLOYD: Thank you, sir. That, of course, is a very fine start.

NOBLE DAVID McEWAN (Zorah Temple): It is a distinct pleasure for me to present this check in the amount of \$500 from a small organization in our Temple originated by our late Judge Frank Fisher.

PAST IMPERIAL POTENTATE LLOYD: We are deeply grateful to you. Thank you very much.

NOBLE EDGAR F. KISTLER (Tangier Temple): It is my privilege this morning to present to you, along with two other great Temples, Tehama and Sesostri, a check in the amount of \$67,000, which has been earned because of the combined efforts of these three great Nebraska Temples. I would like to present this check to the Shriners Hospitals for Crippled Children.

PAST IMPERIAL POTENTATE LLOYD: Thank you. That is certainly most wonderful.

NOBLE ROBERT E. SLAYDON (Kazim Temple): Imperial Sir, we have a membership of 3800 Nobles. I have here photostatic copies of checks which have been presented to the Greenville Unit in the amount of \$86,217.63.

PAST IMPERIAL POTENTATE LLOYD: That is marvelous. Thank you very much.

NOBLE ROBERT F. JONES (Bektash Temple): The three Temples in our area, with a total complement of less than 6,000 members, go out and run the Shrine Maple Sugar Football Game each year. This endeavor has enabled us to present to the Springfield Unit, Springfield, Massachusetts, a check in the amount of \$10,000 and also a check in equal amount to the Montreal Unit for \$10,000.

PAST IMPERIAL POTENTATE LLOYD: To all of you Nobles, thank you very much. That is certainly very wonderful and very fruitful.

NOBLE HUGH S. DENNIS (Midian Temple): It is my privilege today to present to you our check in the amount of \$9,081.58, which represents the proceeds of our Circus.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. It is marvelous the way these Temples get in there. Thank you so much. (Applause)

NOBLE EDGAR E. WATZ (Suez Temple): We are from the land of the short grass and of the small Temples but we do have a huge heart. We have this heart growing, Imperial Sir, and while we are making a rather modest beginning, we promise you this — that this will not be the last and from here on in we will improve. I have the pleasure of presenting to you photostatic copies of checks already presented by the members of our Units, by the Temples, to the Burns Institute at Galveston and to the Houston Unit, Shriners Hospitals for Crippled Children, in the total amount of \$3,900.

PAST IMPERIAL POTENTATE LLOYD: Thank you, Noble Ed, very much for all of your warm hearts. We receive your contributions very gratefully.

NOBLE VERNE O. WARNER (Al Bahr Temple): I have here a photostatic copy of a check from our last Football Game in the amount of \$25,926.08. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much again from your whole group.

NOBLE JOE H. WICKHAM (Bahia Temple): I have here a check for \$10,683 for one day's paper sale in our area. (Applause)

NOBLE CHARLES J. CLAYPOOL (Antioch Temple): Antioch Temple is very proud because we do put on a Horse Show every year and we are pleased that the Imperial Officers attended our Horse Show. We have turned over a check to the Lexington Hospital for \$30,350, which brings the amount that we have made on the Horse Show to \$485,000.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much.

NOBLE CLIFF BEATY (Abou Saad Temple): While we are a small Temple, our Nobles are working hard. We would like to present you with this check for \$8,000. (Applause)

NOBLE J. K. HAGEMEYER (Hamasa Temple): Imperial Sir, I brought my Chief Rabban with me because he ramrodded through our first annual football game and I have a check here for the entire proceeds of \$6,078.09. It is the first time in the 75-year history of Hamasa Temple that a Potentate walked down and made a presentation to the Imperial Council. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. We surely are appreciative of all of your efforts.

NOBLE MARVIN SLAVIN (Salaam Temple): We are pleased to announce today that we have received the first of five annual payments of \$122,000 for the Philadelphia Unit for Crippled Children. It is a trust that came to us in New Jersey.

PAST IMPERIAL POTENTATE LLOYD: Thank you, that is certainly very wonderful.

NOBLE EDWARD C. MURRAY (Rajah Temple): I happen to be from Reading, Pennsylvania, which is the pretzel capitol of the world. I am very happy to present to you a facsimile of a check turned over to the Philadelphia Unit in the amount of \$28,000, the proceeds of our seventeenth annual Pretzel Bowl game. Our endowment fund is approaching \$450,000.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much.

NOBLE NORMAN V. HOLMES (Gizeh Temple): Imperial Sir, I would like to report to you and to the delegates that our thirty-two Shrine Clubs have given to our traveling funds in Gizeh Temple the sum of \$46,600, all of which was spent in the transportation of crippled children from our Province and from the Territory of the Yukon to our Hospitals. In addition, we have donated directly to the Winnipeg, Spokane and Portland Units the sum of \$22,000.

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. We are very grateful to Gizeh Temple.

NOBLE FREDERICK A. FOREMAN (Luxor Temple): Imperial Sir, I am pleased to present you a check for \$5,000.

PAST IMPERIAL POTENTATE LLOYD: We are very grateful to all of Canada. Thank you very much.

NOBLE L. E. ANDERSON (Al Malaikah Temple): This being the number-one contribution in relation to WB&G, I would like to present to you Elmer Bromley, Managing Director of the North-South Game, to proceed to report on the proceeds of that Game.

NOBLE ELMER P. BROMLEY: Imperial Sir, I am happy to report that at our last Game the net was \$82,640 and this has been deposited in the Endowment Fund of the Los Angeles Unit, Shriners Hospitals for Crippled Children. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Noble Bromley has been running this ever since its inception. Thank you, boys, very much.

NOBLE WILLIAM A. MORDICA (El Hasa Temple): In connection with our Oriental Band, we have a little jug and, on behalf of our membership of approximately thirty men, I would like to present to you, Imperial Sir, a check in the amount of \$120. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. Of course, we are very happy to receive this.

NOBLE KENNETH COULTER (Mirza Temple): We had a Mrs. Jewel Snyder leave an Estate in memory of her husband. We have here a check in the amount of \$25,000 which has already been directed toward the St. Louis Hospital in Missouri.

NOBLE J. S. HOLBROOK (Oasis Temple): We, Imperial Sir, along with other Representatives of the Shrine Bowl of the Carolinas, are honored at this time to present a check from the Shrine Bowl of the Carolinas to the Greenville Unit of the Crippled Children's Hospitals in the amount of \$326,000. (Cheers and applause)

PAST IMPERIAL POTENTATE LLOYD: Thank you very much. Those of you who have not attended that Game have missed something. It is magnificent the way they conduct it down there. Gentlemen, please don't ever slack up.

NOBLE J. B. HOPKINS (Hadji Temple): You know, we have had some projects and we have had money sent in in anticipation of the generosity of the Representatives toward our acquiring a Charter. We recently had a dance a couple of weeks ago and we brought from that proceeds in the amount of \$2,004.83 as our second contribution and as our first contribution as an official Temple. (Applause)

PAST IMPERIAL POTENTATE LLOYD: Illustrious Potentate, let me say that you are really on the ball.

Now, Imperial Sir Tom Seay, will you join me up here. I am sure you would like to join me in what is an expression as to how grateful we are to all of these Chairmen and their Committees for the magnificent and wonderful work you are doing in behalf of our philanthropy. I know, Imperial Sir, that you will also wish to add a word here.

IMPERIAL POTENTATE SEAY: Nobles, I think after seeing the picture yesterday as to what is happening in relation to our Burns Units, that you can all feel honored and proud that those who presented the checks today for the benefit of our philanthropy deeply deserve our thanks. This is also all the more reason that we on the Imperial Divan and Board of Trustees should be more careful of how and where we spend this money. I have been an individual who has fought to cut everywhere possible and yet try to get an organization together whereby we would have a distribution of labor. Now, let me also say that I did not accomplish all of the things I desired to accomplish during my year but, on the other hand, I can also add that your Trustees are very careful as to where this money is being spent.

I am very grateful to all of you people who have gone out and worked so hard. Let me tell you, for example, what happened while I was at Rochester, New York. There were present there three DeMolay boys and one of them walked up on that stage when I was there and presented me a check in the amount of \$100 for our Hospitals. Now, Nobles, at least to me, this was one of the greatest \$100 contributions I ever had given to me for the benefit of our Hospitals because these boys possibly may have sold newspapers or maybe even took the money out of their allowance. Also, they may have worked in a gasoline station just to save \$100 to indicate to us that their heart was in the right place.

All over North America, you see individuals in Shrine Clubs, in different Temples, even selling newspapers and doing other things to raise money for our philanthropy. I am so grateful to have had the opportunity of being a part of all of this. You know, when you see a man and woman possibly work all of their lives to possibly acquire \$10,000 and then, after passing on, leave it to the benefit of our Hospitals for Crippled Children, then this is certainly wonderful and, of course, this is also the reason your Board of Trustees and the Joint Board of Directors should be careful in observing every dime they spend. There should not be one cent wasted.

At any rate, to all of you who were so kind and generous in the presentation of those checks, we all thank you from the bottom of our hearts for what you have done. (Applause)

(Business was transacted in the Iowa corporation at this time.)

IMPERIAL POTENTATE SEAY: I now declare the session in recess until two p.m.

At the time of the Annual Session in Washington, D. ANNUAL REPORT OF GEORGE M. SAUNDERS
SECRETARY

Imperial Potentate, Chairman of the Board of Trustees, Officers and Members of the Imperial Council, A.A.O.N.M.S. and Shriners Hospitals for Crippled Children.

CHICAGO, ILLINOIS

GREETINGS:

IMPERIAL POTENTATE AND REPRESENTATIVES TO THE IMPERIAL COUNCIL:

Your Secretary respectfully submits the following detailed statements of the transactions of the Secretary's Office for the fiscal period January 1, 1967 to December 31, 1967 both dates inclusive.

The schedules in the Report of the Imperial Auditor which follow reflect the details of the business transacted during the past year, and in them you will note the continued growth in the work of your Shriners Hospitals.

The work of the Wills, Bequests and Gifts Committee under the able leadership of Past Imperial Potentate Walter C. Guy continues to reflect progress in our benefits received for the use of the Shrine's great charity work. While this may be true it is also a fact that the rate of increase in the annual cost of operation of our hospital units is far greater than the rate of increase in our usable income for such expenses. It must be remembered that in the very beginning the Board of Trustees set a policy that none of the corpus of estate receipts would be used and that only the income would be used for operation. Thus with this practice we have been able to continue to build our endowment accounts. If we ever changed this policy we would then not have the income from these funds to use for operation. We encourage more and greater interest on the part of the Nobility to aid in this most important work of the Guy Committee. We know from the little experience we have had at this early date that the cost of operating a Burns Unit is several times more than the cost of operating our other Units and with the fast rising costs of operation overall we must look to the future.

Our sincere thanks are extended to the dedicated members of the Board of Trustees, Board of Directors, Local Boards of Governors, Doctors of the Surgical Advisory Board, Professional Staff Members and all employees of every Unit of the Shriners Hospitals for Crippled Children for their fine work and devotion to the ideals of the World's Greatest Philanthropy.

To the Budget Committee, Building and Equipment Committee, Salary Committee and all other Committees of the Board of Trustees, especially the Study Committee, I want to extend my personal thanks for their co-operation and certainly their many hours of fine work on behalf of Shriners Hospitals for Crippled Children. They deserve the plaudits of every Shriner and every crippled child made well in our Temples of Baby Smiles.

With continued growth, the work load of the General Offices in Chicago increases in direct proportion. I would be remiss if I did not extend my personal gratitude to such dedicated people as the Assistant to the General Counsel and his staff, the Assistant to the Treasurer and his staff, the Director of Public Relations and his staff, and the Assistant to the Secretary and his staff. Their loyalty and devotion to duty has earned them the heartfelt gratitude of all who come in contact with them as they carry out their assigned duties.

The Shriners Hospitals for Crippled Children—Orthopedics and Burns Units—is truly the soul of the Shrine. The work of the World's Greatest Philanthropy has gone on for almost four and a half decades, and with the dedication and love for the children of the world shared by the Men of the Red Fez it will continue to grow so long as the Temples of Shrinedom stand.

Cordially yours in the Faith,

A handwritten signature in cursive script, reading "George M. Saunders".

TO THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN
CHICAGO, ILLINOIS

We have examined the statement of assets and liabilities of Shriners Hospitals for Crippled Children, combining Colorado, Canadian, Massachusetts, California, Texas and Pennsylvania Corporations and Mexican Association, as of December 31, 1967 and the related summary of financial activities and statement of changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In the course of our examination we examined all checks issued by the Treasurer in 1967.

The Hospitals maintain their General Funds on an accrual basis of accounting. All other funds are maintained on a cash basis and therefore income is not recorded until actually received and expenses are not recorded until actually paid.

In our opinion, the accompanying statements present fairly the assets and liabilities of the Shriners Hospitals for Crippled Children as of December 31, 1967 and the revenues realized, expenses incurred and changes in fund balances for the year then ended, on the basis described in the preceding paragraph, which basis is consistent with that of the preceding year.

FOR CRIPPLED CHILDREN

NOTES TO COMBINING FINANCIAL STATEMENTS

1. ACCOUNTING METHOD:

The accounts of the general funds are maintained on the accrual basis of accounting. The accounts of all other funds are maintained on the cash receipts and disbursements basis of accounting.

2. ACQUISITION OF ERIE UNIT:

The Zem Zem Hospital for Crippled Children of Erie, Pennsylvania was brought into the operations of Shriners Hospitals for Crippled Children in 1967. Under a plan approved by the Boards of both organizations the name of the Zem Zem Hospital for Crippled Children was changed to Shriners Hospitals for Crippled Children, Pennsylvania Corporation.

For these financial statements, the operations for the entire year of the Erie Unit are included. The acquisition was approved in 1966 and the operational change occurred in early 1967.

3. ASSET CARRYING VALUES:

Assets are recorded at cost, if purchased, or at fair market value at date of receipt by gift or bequest. No valuations are recorded for bequests to the Hospitals that are in the process of administration. Income earned on bequests prior to the receipt of the bequest is considered as a part of principal.

4. ENDOWMENT FUNDS:

The endowment funds include funds restricted by the Boards of Directors of the Corporations as well as those restricted by devisees and donors.

5. PLANT ASSETS:

Land, buildings and equipment are carried at original cost without provision for depreciation. Normal replacements to land, buildings and equipment are charged to operations.

6. RETIREMENT FUNDS:

Contributions to the two retirement funds during the current year amounted to \$368,455. The retirement funds are non-contributory. The current year contribution actually represents the 1966 costs as the liability for the 1967 cost has not yet been determined. As of January 1, 1967 the unfunded liability of the plan amounted to \$809,973. The book values of the assets of the two retirement funds at December 31, 1967 are as follows:

<i>Assets</i>	<i>Employees' Retirement Fund</i>	<i>Surgeons' Retirement Fund</i>
